ITEM 1: PRAYER

SPEAKER (Hon. Samuel Gargan):

Good afternoon. Orders of the day; item 2, Ministers' statements. Item 3, Members' statements. Mr. Morin.

ITEM 3: MEMBERS' STATEMENTS

Member's Statement On The Passing Of Mr. Ed "Cayuse" Lafferty

HON. DON MORIN:

Thank you, Mr. Speaker. It is with regret and sadness that today I mark the death of a respected elder and friend from Fort Resolution. Ed "Cayuse" Lafferty was born in Fort Resolution in October of 1922. He passed away yesterday after a brief illness. He is survived by his wife, Victoria, two brothers and one sister. He has nine children, 25 grandchildren and eight great-grandchildren. Ed married Victoria in 1946. They would have celebrated their 50th wedding anniversary in six weeks' time. Ed ran dogs in his younger days and trapped most of his life. If anything can describe him, it was that he provided well for his family. Mr. Speaker, he will be sorely missed by his family and his community. I would ask Members to join with me in extending our sympathies and condolences to the family and friends of Ed "Cayuse" Lafferty of Fort Resolution.

I would just like the family to know that I will be there as soon as I can get there. Thank you.

MR. SPEAKER:

Thank you. Item 3, Members' statements. Mr. Rabesca.

Member's Statement On The Enforcement Of Federal Gun Control Legislation

MR. RABESCA:

Mr. Speaker, I am deeply disappointed that the gun control legislation will be enforced. We, the Dogrib people, always supported the Liberal Party, ever since the Chief Jimmy

Bruneau days. Other Treaty 11 Council members and the chiefs lobbied against this legislation. I am concerned how this will affect our traditional hunts. These community hunts provided food for the families of the Dogrib communities. How will the act be implemented and enforced? I know there are many non-aboriginal people who also hunt caribou and moose to feed their families. They are also affected by the gun control legislation, just as we are.

It is our honour that while this has occurred, Canada won its fight to stop the European union from banning Canadian fur imports. I am disappointed that gun control legislation was not given the same fight for the trappers and hunters in the North and other parts of Canada.

The decision made by the powers that be in Ottawa threatens to make a contribution towards us losing our traditional way of life, as aboriginals in the North, and hunting for non-aboriginals from all walks of life, who have hunted for their families as well. They are taking our guns, our traps and our furs.

Thank you.

---Applause

MR. SPEAKER:

Thank you. Item 3, Members' statements. Are there any further Members' statements? Item 4, returns to oral questions. Item 5, recognition of visitors in the gallery. Item 6, oral questions. Item 7, written questions. Item 8, returns to written questions. Item 9, replies to opening address. Item 10, petitions. Item 11, reports of standing and special committees. Item 12, reports of committees on the review of bills. Item 13, tabling of documents.

ITEM 13: TABLING OF DOCUMENTS

MR. SPEAKER:

In accordance with Section 23 of the Official Languages Act, I wish to table Tabled Document 1-13(1), the third annual report of the Languages Commissioner of the Northwest Territories for the period April 1, 1994 to March 31, 1995.

Item 13, tabling of documents. Are there any further tabling of documents? We will proceed with item 14, notices of motion, after we take a break. There are, I believe, 15 notices that are going to be required. The translations haven't been completed for those motions, so we will take a break and come back at the ringing of the bells.

---SHORT RECESS

MR. SPEAKER:

The committee will come back to order.
We're on item 14, notices of motion. Mr. Miltenberger.
