MR. SHANE THOMPSON
MLA, NAHENDEH

**Oral Questions 472-18(2) and 483-18(2):
Status of Regional Youth and Volunteer Positions**

This letter is in follow up to the Oral Questions raised on January 31, 2017 and February 1, 2017 regarding the Regional Youth and Volunteer Positions, now titled the Regional Recreation Coordinators.

The Department is currently waiting for the results of the job evaluation process for the two vacant Regional Recreation Coordinators positions in the Dehcho and one in the South Slave region. Municipal and Community Affairs is having the positions evaluated to ensure that the pay offered reflects the updated description of duties that is more reflective of the current responsibilities. The Department has commenced with the advertising process for all vacancies.

As indicated in my oral response, the Department is committed to retaining these three positions in addition to the other seven regional positions in order to meet important service demands in this program area.

Thank you for raising this important topic.

Minister of Municipal and
Community Affairs
