Dear Members:

On behalf of the Dehcho First Nations and our members, please accept this letter of support to continue the delivery of Post-Secondary Bachelor of Education and Social Worker programs that are presently being delivered here in the North through Aurora College.

Many of our people have attended these over the years with much success so we are in full support of these programs continuing. We ask all MLA's of the Legislative Assembly to reconsider your decision and have Aurora College continue to deliver these programs.

We thank you in advance for your consideration of this request and look forward to hearing from you.

Sincerely,

Herb Norwegian
Grand Chief
