**OQ 292-18(2) Highway 7 Resurfacing Contract**

This letter is in follow-up to the Oral Question you raised on June 28, 2016 requesting how many negotiated contracts have been requested since I became Minister of Transportation and how many have been declined.

Since becoming Minister, I have received 14 requests for negotiated contracts. Eight of those contracts have been sent for public tender and one contract is still being reviewed to determine the best procurement process.

Thank you.
