UNW People's Petition - Budget 2016

The Government of the Northwest Territories is planning to introduce a budget that will cut \$150 million in expenditures and that will provide for massive road infrastructure projects to boost the resource sector.

Even though the government expects to have a surplus over the next three years and there are desperate needs for reinvestment in public services and social care, the Minister of Finance insists there is a need for either cuts to services or new found sources of revenue.

There has been no public consultation and few other viable options provided by the government. There has also been little indication of what severe cuts to the public sector could mean for the overall NWT economy, including in small communities.

Your voice is critical.

Please join the Union of Northern Workers in making our voice heard in this year's budget. Your signature shows that you call upon the government to support:

- Government workers and their families need to be prioritized
- Government jobs must be protected
- Communities and residents must be supported by maintaining programs and services
- People before bridges and roads

Starting date: May 1, 2016

Closing date: May 27, 2016

Principal Petitioner: Simon Whitehouse, whitehs@unw.ca, whitehouse_simon@Hotmail.com
Address: Union of Northern Workers, 4910- 53rd Street Yellowknife, NT X1A 1V2

This petition will be delivered to:

- **Government of the Northwest Territories
(GNWT)**
