This letter is in follow up to the Oral Question you raised on February 22, 2016 regarding the Sahtu Regional Health Centre.

As I indicated in the House, the transition plan for moving services from the old facility into the new facility has not yet been developed. Occupancy and operational transition are expected to occur during spring 2017 and the new Health and Social Services Centre is expected to open by March 31, 2017.

As I committed in the House, I am happy to share the transition plan with you once it has been completed and would be pleased to meet with you to discuss this matter further in detail at your convenience.

Thank you.
