Use Lottery Money to Fund the Arts

Bill 1: *Western Canada Lottery Act* passed and received Assent on March 13, 2018. These amendments did not consider allowing the lottery money to be distributed to artistic endeavours, however the Government of the Northwest Territories did increase the funding for the NWT Arts Council by \$200,000 annually beginning in 2018-2019.

Petition: Use lottery money to fund the arts

We petition the Government of the Northwest Territories to amend the Lottery Act to allow for lottery money to be disbursed to artistic endeavors.

Background information

Whereas the NWT is one of the only jurisdictions in Canada that does not use lottery money to fund the arts and whereas arts territorial arts funding has not been increased in close to a decade, the Lottery Act should be amended to allow funds to be used for artistic endeavours.
