Message from Superintendent of Schools Chris Gilmour

On behalf of the Beaufort Delta Education Council (BDEC), I am pleased to present the Annual Report for 2016 - 2017. The Management Discussion and Analysis (MD&A) is presented as a go-forward responsibility of the management and the Board Members to promote transparency and accountability.

This fiscal year marks the end of the third year of BDEC's 2014 – 2017 Strategic Plan. BDEC's Strategic Plan and Action Plan define our direction and determine our allocation of resources. BDEC's goals are clearly defined as:

- Student Success
- Small Community Schools
- Assessment Practices
- Early Childhood Development
- Professional Capacity
- Culture, Identity and Well-being
- System Accountability

This approach will enable BDEC to clearly state the progress that the organization has made and will highlight areas where improvement is needed. Some of the key accomplishments in 2016 - 2017 include:

- Continued partnership with the Gwich'in Tribal Council (GTC) on development of a high school course to reflect the Gwich'in culture and history.
- Partnership with the Inuvialuit Regional Corporation (IRC). The IRC continues to contribute financially to BDEC's Data Analyst position.
- The expansion of the eLearning program for the year ended 2016 added 2 additional schools outside of our region. The plan is to add additional schools in each of the next several years. The eLearning program provides high school students from small communities the opportunity to stay in their home community to complete high school. The program offers courses that are not available in the smaller communities; courses that require specialists that cannot be afforded. The program hosted out of East Three Secondary School provides 'face to face' live classes through videoconferencing to students from three NWT regions. The pilot program has already begun to show signs of an increase in the average success rate of students and this is a principal factor for continuing the program. Over 70% of students that enroll in eLearning classes have passed their "-1" classes.
- BDEC has collaborated with IRC's initiative to hire candidates referred to as "Student and Family Support Workers" who are working in the communities of Inuvik, Aklavik, Tuktoyaktuk, Ulukhaktok, Paulatuk and Sachs Harbour. The Student and Family Support Workers will work with students (with parental approval) to improve student success by addressing attendance concerns and other matters.
- Common Math Assessments (CMAs) continue where each unit in math was assessed in grades 2-9. These assessments will help BDEC achieve greater consistency in mathematics assessment across the district. Student results are being collected with the long-term goal of

identifying areas of strength and weakness which will assist in program planning and providing more targeted supports in math and numeracy.

- BDEC students in Grades 6 and 9 wrote the Alberta Achievement Test (AATs) in English language Arts, mathematics and French Language Arts. Alberta had planned to discontinue the Grade 6 and Grade 9 AATs in 2015 and 2016 respectively, this plan has been postponed. Students in grades 6 and 9 in the NWT will continue to write the AATs until further notice.
- Access to High School Education, formerly the 'Home Boarding Program' provides academic, behavioral and financial support for students who do not have access to high school courses in their communities. Students are from Sachs Harbour and Tsiigehtchic and enroll in school at East Three Secondary School in Inuvik.

The world of education is changing globally, nationally and territorially. The Beaufort Delta Education Council (BDEC) recognizes the importance of embracing these changes to prepare northern students for participation in a 21st century economy. There is a significant achievement gap between Aboriginal students and non-Aboriginal students. BDEC is committed to addressing this achievement gap. Research indicates that culture-based educational strategies impact student outcomes. With our focus on indigenizing education, BDEC will continue to ensure teaching and learning is done in context and more and more meaningful to the students it serves.

Overview

The Beaufort Delta Education Council (BDEC) effective the 2017 – 2018 year provides Junior Kindergarten to Grade 12 instruction for 1,350 students through 9 schools in the in 8 communities of Inuvik, Aklavik, Fort McPherson, Tsiigehtchic, Tuktoyaktuk, Sachs Harbour, Ulukhaktok, and Paulatuk. The change from previous years was to implement Junior Kindergarten for all 4-year old children in the NWT which was a priority set by the 18th Legislative Assembly.

Sachs Harbour and Paulatuk offer education from Junior Kindergarten to Grade 9 at which time the Access to Education program makes arrangements for the students to live in Inuvik for full time attendance of high school. The program encourages students to become role models for other students in their communities. The Access to Education program accomplishes this by ensuring that the students have regular visits with their families, regular trips home, and provides assistance for the family to attend the graduation of their children from the Inuvik High School.

BDEC is committed to delivery of culture-based education to the students and receives extensive support for various programs from the Gwich'in Tribal Council (GTC) and the Inuvialuit Regional Corporation (IRC). Both GTC and IRC are actively involved in helping to develop on the land programs, and additional support was received from ITI for the Take a Kid Hunting and Take a Kid Trapping programs. All of the schools provide Aboriginal Language and Culture programs which encourages students to succeed through a better understanding and awareness of their culture and language.

Vision

Empowered by culture-based education, students are inspired to succeed.

Mission Statement

The Beaufort Delta Education Council will strengthen partnerships to build thriving school communities which embrace and deliver culture-based education by providing tools and resources for student success.

Strategic Plan

The fundamental purpose of the BDEC's Strategic Plan is to align our resources and actions with our Mission and Vision. BDEC is committed to providing what our communities are requesting: an education system that is purposeful and relevant to the lives and future goals of northern students. In addition to reaching consensus through consultation with community members, parents and school staff in partnership with the Gwich'in Tribal council and the Inuvialuit Regional Corporation, BDEC is committed to confronting our fiscal reality. With declining education dollars all school boards are faced with doing more with less funding.

BDEC's strategic plan consists of Three Pillars:

Pillar 1: Encourage every child to reach their full potential through inclusive and culture-based education.

Goals

1. Continue, and expand upon, the use of differentiated instruction and differentiated assessment to improve academic (literacy and numeracy) skills using Inuuqatigiit and Dene Kede curricula.
2. Expand and improve math, science and technology knowledge through instruction and assessment and use of technology for learning.
3. Communicate and share expectations with students and families about student progress, from early childhood to graduation. This will include collaboration with community partners to enhance and support early childhood programming.
4. Identify student pathways to learning that will lead to graduation and improve students' opportunities to explore career and education choices.
5. Collect baseline data related to student attendance and set annual goals for improvement.

Pillar 2: Strengthen and build community partnerships to foster strong relationships that inspire BDEC students as future northern leaders.

Goals

1. Create, inspire and support more opportunities for students and staff to experience culture-based education on the land and in BDEC schools.
2. Support greater collaboration between school and community.
3. Promote active, healthy living and support wellness through physical, social and mental health initiative. Limit risk factors and increase healthy protective factors for students.
4. Transform learning by identifying and supporting trades awareness opportunities and practical hands-on skills and learning opportunities, including on-the-land and traditional skills accreditation.
5. Showcase and develop strengths throughout BDEC by recognizing both successes and attempts.

Pillar 3: Support and sustain BDEC schools by effectively and creatively managing our organizational, physical and financial resources.

Goals

1. Ensure all school facilities are safe, well-maintained and inviting work and learning environments.
2. Improve technology and structural capabilities organizationally to monitor progress, manage resources and provide accurate and relevant assessment data.
3. Increase organizational capacity for leadership and management capacity in our region (DEA's, Staff Development, and new Teacher Orientations) through specific skills training and on-going support.

4. Improve BDEC's ability to retain competent staff to provide continuity of programming for all students.

Following direction from ECE, BDEC is transitioning from its four year strategic plan to an annual Operating Plan. For this fiscal year, all stated pillars and goals will remain the same. The District Education Council (DEC) will review the strategic plan and make appropriate changes to be included in the 2018-2019 Operating Plan.

BDEC Board of Directors

The BDEC Board of Directors are appointed by the DEA's from the local communities. Both Gwich'in Tribal Council and the Inuvialuit Regional Corporation have the authority to appoint one position (each) on the BDEC Board. DEA positions are elected in the local communities and serve for a three year term. At the February 2017 Regular Board Meeting of the BDEC Board, the new members of the BDEC Board were introduced, and elections were held for the Chairperson, Vice-Chairperson and Member at Large for the Board. The BDEC Board had one face to face meeting, and two video conference meetings during the 2016 – 2017 year.

Chairperson	Rebecca Blake
Vice-Chairperson	Gilbert Thrasher Sr
Member-at-Large	Darlene Gruben
Aklavik	Lorna Storr
Fort McPherson	Rebecca Blake
Inuvik	Les Semmler
Paulatuk	Gilbert Thrasher Sr
Sachs Harbour	Sharon Green
Tsiigehtchic	Anna May MacLeod
Tuktoyaktuk	Darlene Gruben
Ulukhaktok	Joanne Ogina
Gwich'in Tribal Council	Robert Charlie
Inuvialuit Regional Corporation	Lucy Kuptana

The Executive Committee consists of the Chairperson, the Vice-Chairperson, the Member-at-Large which are elected by the BDEC Board, and the two appointed positions from GTC and IRC. The Executive Committee meets monthly with the BDEC Board Office Staff.

Financial Highlights

Revenues for 2016–2017 of \$30.9 million were \$2.3 million higher than budgeted. GNWT regular contributions accounted for a 93% of the revenue at \$28.6 million an increase of \$1.25 million from 2015-2016 year. Other contribution agreements from the GNWT brought the total GNWT contributions to just less than \$30 million which is an increase of \$751.5K from the 2015 – 2016 year. Total revenues of \$30.9 million were an increase of \$674.3K from the 2015-2016 year.

Expenses are broken into program cost; school programs accounted for 57% of cost at \$17.3 million, Inclusive schooling for 16% of cost at \$4.9 million. Overall total expenses at \$30.6 million were \$1.4 million greater than 2015-2016, and \$2.0 million greater than the 2016-2017 Budget.

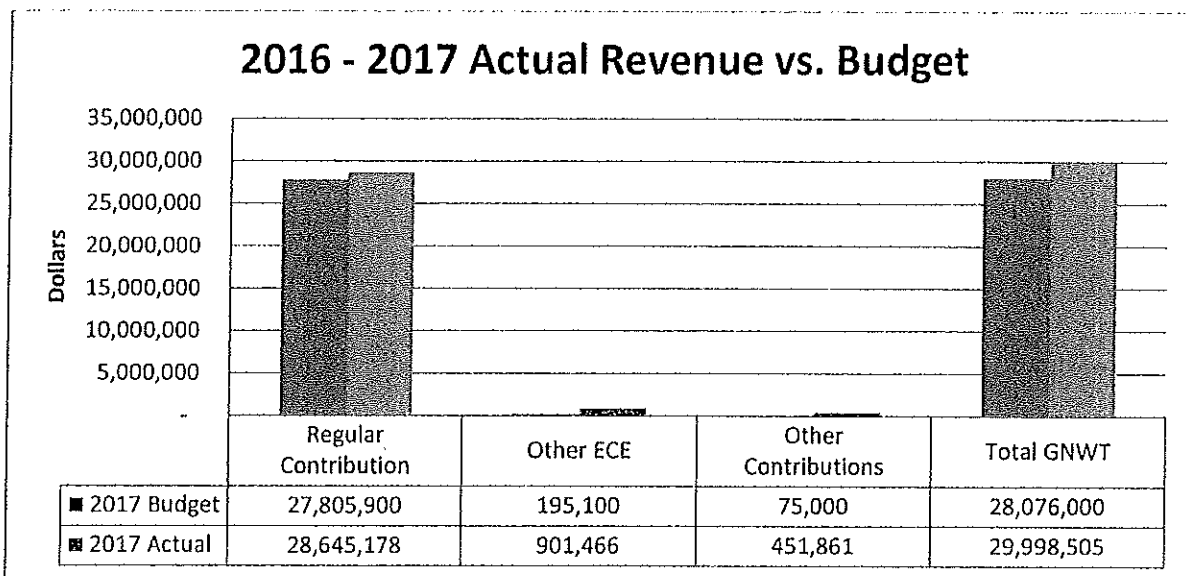

2016 – 2017 Revenues

For 2016 - 2017 BDEC Consolidated Statement of Operations had an Accumulated Surplus of \$339,344 compared to a budgeted surplus of \$17,014. This is attributed to additional contribution from the Government of the NWT (\$1.9 million above budget) and Revenue from Board Generated Funds (\$351K above budget).

The DEA's and BDEC continue to form strategic partnerships, and are successful in finding additional sources of funding for school activities.

Chart 1 displays our 2016 – 2017 Actual Revenues compared to the budgeted revenue.

2016 – 2017 Expenses

Expenses for the year end June 2017 were \$2.0 million more than the budget of \$28.6 million for a total cost of \$30.6 million. This represents a \$1.4 million increase in expenditures from 2015 -2016, or a 4.9% increase in program spending.

Inclusive schooling had expenses of \$4.9 million representing a decrease in spending from the 2015 - 2016 year of \$449K. Focus for Inclusive Schooling for the 2016 – 2017 was staff development to be better positioned to assist with student learning.

Aboriginal Languages/Cultural Programs had expenses of \$3.0 million which represents an increase of expenditures of \$581K from the 2015 – 2016 year.

Chart 2 is a program comparison of our expenses for 2016-2017 compared to the budgeted expenses.

When comparing 2017 against 2016, BDEC experienced a 2.2% increase in revenues, and an increase in expenses of 4.9% resulting in an operating surplus of \$339,344 compared to the operating surplus for 2016 of \$1,101,515.

Chart 3 is a comparison of the Year-end 2017 GNWT Revenues compared to the 2016 Revenues

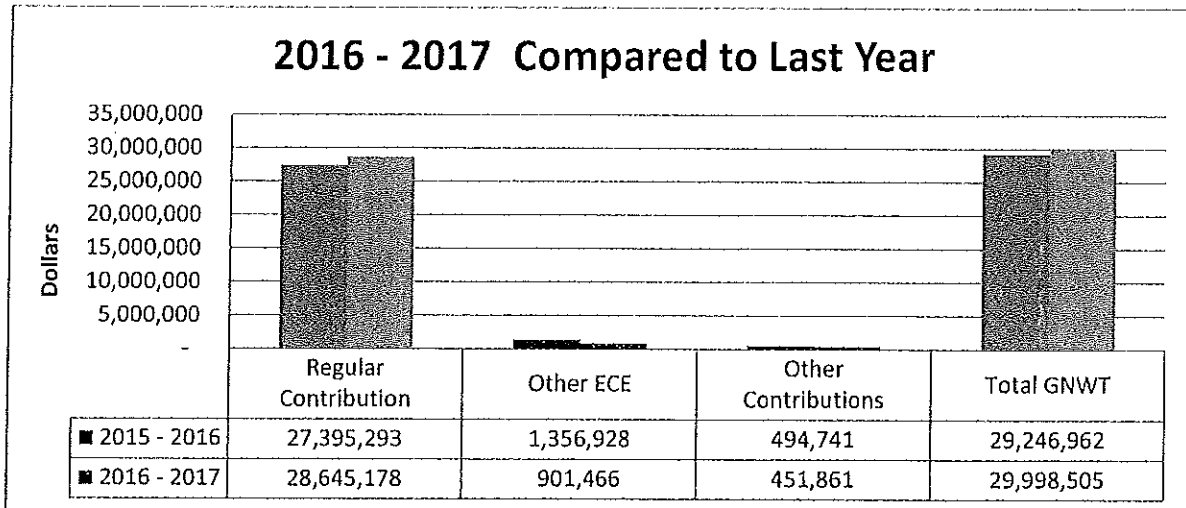

Chart 4 compares the 2016 Program Expenses against to the 2015 Program Expenses.

2016 - 2017 continues the trend from 2012-2013 of achieving an operating surplus. In 2013-2014 BDEC after four years of having an Accumulated Deficit managed a small Accumulated Surplus. With the \$339K operating surplus for 2016 – 2017 year, BDEC has an Accumulated Surplus of \$3.6 million. This provides some financial security allowing BDEC to expand some programs, and gives BDEC the ability to best meet the needs of the students.

The strength of the organization is the commitment of the staff working for the Beaufort Delta Education Council, and their dedication to the students in our area. The weakness of the organization is the remoteness of some of the schools, the distance between the schools and the high turnover of the staff. Each year represents a major recruiting drive to replace approximately 20% of the teaching staff. Student attendance remains a high concern, and many initiatives have been put forward to increase the student's attendance in the schools.

Student and Teacher population for each school

Community	School	2017 Students	2017 Teachers	2016 Students	2016 Teachers
Aklavik	Moose Kerr	119.50	12.00	146.0	10.25
Fort McPherson	Chief Julius	145.25	12.00	138.5	11.00

Total		1361.50	97.20	1330.8	87.75

The Mary Bryant Award for Improvement in English (Award)

A joint venture between the Beaufort Delta Education Council, (BDEC) the Mary and Joe Bryant family (Family) and the Ottawa Independent Writers (OIW): "the Parties", wish to establish a fund to be known as the "Mary Bryant Award for Student Improvement in English". The fund shall consist of a principal amount, to be determined, and interest earned and accrued on such principal amount. Additional contributions may be received by BDEC from individual donors to the fund in future years. Such contributions shall be added to the principal amount. The fund is currently administrated by the Ottawa Independent Writers in combination with other funds administrated through the organization.

Background

Ottawa resident Mary Bryant, now deceased, spent many years working in the North, and taught school in Aklavik. She was an avid writer and long-time member of the Ottawa Independent Writers organization (www.oiw.ca). Upon her passing in spring 2011, the OIW Board felt that an appropriate tribute to her amazing life would be an award to a deserving student within the BDEC, with emphasis on English skills. The idea was proposed to the Family and the BDEC, and was met with great enthusiasm. This paper sets out the proposed operation and other issues pertaining to the Award.

Concept

OIW, the Family and other interested parties will contribute to the Award, to be managed by the BDEC. It will be set up as an endowment, with the principal to be invested and the annual award to be paid from interest earned, although the initial award, hopefully given in 2012, and some incidental set-up expenses may be drawn from the principal as there will be little time available for interest earning. The Family will act as financial advisors to BDEC, to ensure the Award will be available for a deserving student for many years to come. The Award is intended to be a yearly event, unless for some reason no student qualifies for the criteria established by the BDEC.

The Parties agree that they will act collegially on the ongoing management of the Award. OIW commits to an initial contribution of \$1000, the Family to at least \$2000, and OIW will solicit additional contributions from persons familiar with Mary. BDEC will issue tax receipts to those contributors who indicate a desire for same.

The Award Recipient

The Award is intended for a high school student within the BDEC jurisdiction, with particular emphasis, but not necessarily to the exclusion of other areas, on the regions of Aklavik, Tuktoyaktuk, and Fort McPherson, as these communities had special interest to Mary. The BDEC will set up the selection process as it sees fit: the Award is intended for a high school student who has shown the most improvement in written English skills during the school year. BDEC will develop the specific criteria to be used to select the winning student, and advise the other Parties of the winner and the reasons for choosing that student. The Award will be presented in a suitable ceremony near the end of the school year. The other Parties will attempt to take part in the ceremony in some electronic fashion if possible. The Award is independent of any other honors the recipient may receive. The recipient will receive a cheque for the designated amount, as determined by the BDEC and the Family, plus a small token of

remembrance he or she may keep. There will also be a modest plaque or similar item created by the BDEC that will identify the Award, and each year's recipient; the enduring plaque will rotate from school to school on an annual basis as winners are selected. While the student may use the Award in whatever manner he or she wishes, OIW and the Family would prefer that it be used in some way that advances the student's educational career.

The Award is open to all high school students attending a school within BDEC's jurisdiction and shall be granted to the student who shows the most improvement in English studies throughout the school year. The Award is intended to be a yearly event, unless for some reason no student qualifies for the criteria established by BDEC.

Criteria used to determine the recipient of the award shall be developed by BDEC, in consultation with the Parties. The Parties and BDEC agree to act collegially on the ongoing management of the fund/Award.

In the event that unforeseen circumstances make the specified use of this Fund no longer practical or desirable, BDEC is hereby authorized to make any changes it may deem appropriate, such changes however to be in keeping, as far as possible, with the spirit and general intent of the fund and with agreement of the Parties.

No funds were awarded in the 2016 – 2017 year.

Stallworthy-Carpenter Fund

Sarah Hilda Stallworthy was the widow of an RCMP officer who served the NWT during the 1940s. Mrs. Stallworthy had never been to the NWT, but maintained an interest in its development and was concerned about the difficulties she believed native children faced in higher education.

The Superintendent of the BDEC was able to describe for Mrs. Stallworthy an initiative the Board would be taking over the next few years to ease the transition for native students from small communities as they are brought into the high school in Inuvik.

Mrs. Stallworthy felt that this plan has significant merit, and in April 1990 made the Beaufort-Delta Board the beneficiary of her estate.

Mrs. Stallworthy passed away in August 1990. The estate of approximately \$215,000 will be held in trust with the annual interest to be used at the discretion of the Superintendent to further the secondary education of native students within the Board. The fund has been designated by the Board the Harry Stallworthy/Noah Carpenter fund. Mr. Stallworthy developed his wife's enduring interest in the north; Mr. Carpenter is a native resident from the jurisdiction of the Board who has completed higher education including a medical degree and thus provides a positive role model for students of the Board.

The will stated that BDEC should receive this money with the provision that the principal remain intact and all interest earned to be used to fund aboriginal students for activities in keeping with the intent of the Will.

Initially, the intent of the Will was to fund orientation visits for students who would be attending high school outside of their community. After our regional residence closed, the BDEC Executive broadened the scope to include activities for more senior students to travel nationally and internationally. Such travel must contain some element that supports or promotes the post-secondary education and/or success in school. Travel for sport activities is NOT eligible.

In 2004/05 the BDEC executive decided to allocate to a maximum of \$2K/eligible school. This was raised to \$2.5K/eligible school in 2011/12. Meritorious proposals are presented to the Executive each spring for the ensuing school year.

No funds were awarded in the 2016 – 2017 year.

2016 - 2017 Long Term Service Awards

The Beaufort Delta Education Council believes that our successes come from the dedication of staff in each of our communities. Even with the challenge of high staff turn-over each year, there continues to be a group of dedicated long-term staff working for BDEC. In recognition of their dedication each year BDEC recognizes the contribution of our long term staff with long term service awards. For the 2016 – 2017 year the following individual were recognized by the management team.

Community	Name	Service Years
Aklavik	Heather Greenland	5
	Edward Hartley	10
	Anna-Lee McLeod	15
	Velma Illasiak	35

Accomplishments

The Beaufort Delta Education Council is proud of the gifted educators that work in our school district. Countless hours are put in by many of the staff to maintain excellence in education for our communities. In the 2016 – 2017 year staff received the following awards.

Erica Thompson from the Chief Julius School located in Fort McPherson received the following awards:

- Prime Minister's Award Certificate of Excellence (2017)
- Premier's Award for Excellence (2017)

Alexandra Winchester from the East Three Secondary School located in Inuvik received the following award:

- Prime Minister's Award Certificate of Achievement (2017)

Ephraim Warren from the Mangilaluk School located in Tuktoyaktuk received the following award:
NAPEG Science Teaching Award (2017)

Annie Felix from the Mangilaluk School located in Tuktoyaktuk received the following award:
NWT Education Hall of Fame Inductee (2017)

Summary and Outlook

BDEC has completed a most successful year both scholastically and financially. Many of the communities have introduced community specific programs which encourages attendance. This year resulted in a number of graduate looking to further their education through advanced schooling. Attendance continues to be a major concern. The schools are constantly reviewing and looking for better ways to engage the students and their parents in encouraging attendance. With our hiring program this year we were pleased to offer positions to a number of our former graduate. These individuals have become role models for our students as to what they can accomplish, and that they can bring their education back to their community to help others.

Financially we have managed to accumulate a surplus through effective cost controls, forming partnerships with other groups, and through the efforts of staff to bring forward ideas where we have been funded with additional contribution agreements.

Looking forward, there is a concern about the potential for reduced funding. BDEC is well positioned financially and looking forward to 2017 – 2018 has identified areas where additional staffing will result in better services to our students, so reallocation of staff and increased staffing has been planned starting in the 2017 – 2018 year. Our staff continues to look for opportunities to deliver education in an effective and efficient manner. The opportunities are forming education partnerships, eLearning, and new approaches to education. Staff continue to develop skill sets through attendance at conferences, and a number of staff continue to upgrade their skill set to become better at their positions. With this dedication, even with the possibility of reduced funding we believe the future is bright for the students of the Beaufort Delta.

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

The Minister of Education, Culture and Employment
Government of the Northwest Territories

The Management Discussion & Analysis, Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of the authority in all material respects and in accordance with Canadian Public Sector Accounting Standards (CPSAS) as well as the Financial Administration Manual (FAM) and the Financial Administration Manual for Education Authorities (FAMEA) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of Beaufort-Delta Education Council have been conducted within the statutory powers of the Beaufort-Delta Education Council. The operations and administration of the Beaufort-Delta Education Council as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the Education Act, Financial Administration Act, CPSAS, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Beaufort-Delta Education Council Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors, Avery Cooper & Co. Ltd., Chartered Professional Accountants, annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture and Employment of the Government of the Northwest Territories.

Approved and confirmed on behalf of the Beaufort-Delta Education Council

INDEPENDENT AUDITORS' REPORT

To the Minister of Education, Culture and Employment
Government of the Northwest Territories

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Beaufort-Delta Education Council which comprise the Consolidated Statement of Financial Position as at June 30, 2017 and the Consolidated Statements of Changes in Net Financial Assets (Debt), Revenue and Expenses and Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

Salaries and related benefits paid to employees of the Beaufort-Delta Education Council are administered by the Government of the Northwest Territories and are audited as part of the Government of the Northwest Territories audit. Our audit scope was limited as we did not audit the components of compensation and benefits expenditures and related balances. Accordingly we are not able to determine whether any adjustments might be necessary to compensation and benefits expenditures, payroll liabilities, employee future benefits, net financial resources, and accumulated surplus/deficit as well as note disclosures associated with transactions and year-end balances relating to compensation and benefits.

INDEPENDENT AUDITORS' REPORT - cont'd.

Qualified Opinion

In our opinion, except for the matter described in the Basis for Qualified Opinion paragraph, these consolidated financial statements present fairly, in all material respects, the financial position of the Beaufort-Delta Education Council as at June 30, 2017 and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Report on Other Legal and Regulatory Requirements

We further report, in accordance with the Financial Administration Act, in our opinion, proper books of account have been maintained by the Beaufort-Delta Education Council, the consolidated financial statements are in agreement therewith and the transactions that have come under our notice have, in all significant aspects, been within the statutory powers of the Council.

Other Matter

Our audit was conducted for the purposes of forming an opinion on the consolidated financial statements of Beaufort-Delta Education Council taken as a whole. The supplementary information included on Schedules 2 through 34 is presented for purposes of additional information and is not a required part of the consolidated financial statements. Such supplementary information has been subjected to the auditing procedures applied, only to the extent necessary to express an opinion in the audit of consolidated financial statements taken as a whole.

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

NOTE 1 NATURE OF ORGANIZATION

The Beaufort-Delta Education Council was established under the Education Act of the government of the Northwest Territories by order of the Minister dated March 31, 1989. Its purpose is to administer and maintain the standards of educational programs defined under the Act in the member communities of the Beaufort-Delta region.

Member communities have formed local District Education Authorities (DEA) which have assumed the responsibility to provide adequate educational programs within their respective communities.

The consolidated financial statements reflect the assets, liabilities, revenues and expenses, changes in net financial assets (debt) and change in financial position of the reporting entity. This entity comprises the Education Council operations plus all of the member District Education Authorities that are owned or controlled by the Beaufort-Delta Education Council and are, therefore, accountable to the Council for the administration of their financial affairs and resources. At present, the DEA's that are owned or controlled by the organization are Aklavik, Tsiigehtchic, Fort McPherson, Inuvik, Paulatuk, Sachs Harbour, Tuktoyaktuk and Ulukhaktok.

Interdepartmental and organizational transactions and balances between these organizations have been eliminated for consolidation purposes.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards. The consolidated financial statements have, in management's opinion, been properly prepared with reasonable limits of materiality. The basis of accounting refers to the timing of when revenue and expense items are recognized in the accounts and reported in the consolidated financial statements. The accrual basis of accounting is utilized for all funds. Under this basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

(b) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques and short term highly liquid investments that are readily convertible to cash and with a maturity date of 90 days or less from the date of acquisition.

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES, continued

(c) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arms' length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently measured at its fair value, the initial fair value is adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

Financial assets subsequently measured at amortized cost include cash, accountable funds, due from the GNWT and other accounts receivable.

Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities, payroll liabilities, deferred revenue, post-employment benefits and accountable funds.

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, to a maximum of the related accumulated impairment charges recorded in respect of the particular asset, is recognized in operations.

(d) Non-Financial Assets

Prepaid expenses and other non-financial assets are accounted for as assets by the Beaufort-Delta Education Council because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the Beaufort-Delta Education Council.

(e) Tangible Capital Assets

All buildings and works, furniture, equipment and vehicles are the property of the GNWT. The minister grants to the Beaufort-Delta Education Council the full occupancy and use of such facilities and equipment where required for the administration and delivery of the education programs. Capital assets with a value in excess of \$50,000 are recorded at cost and amortized in accordance with the Financial Administration Manual guidelines by the GNWT. Capital assets with a value of less than \$50,000 are recorded as a current expense.

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES, continued

(f) Revenue Recognition

Government Transfers:

Revenues are recognized in the period in which the transactions or events occur that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

Capital transfers or transfers of tangible capital assets are initially recognized as deferred revenue and subsequently recognized as revenue when the related tangible capital assets are recognized as acquired or built.

GNWT - Regular contributions:

The regular contributions from the GNWT are determined by a funding formula and are received in monthly installments. The Beaufort-Delta Education Council retains surpluses and is responsible for deficits. Any funding requests, over and above those levels provided by the formula, must be first approved by the GNWT.

Other contributions:

The Beaufort-Delta Education Council follows the deferral method of accounting for other contributions. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred.

Stallworthy / Carpenter Endowment contributions:

Endowment contributions and investment income are recognized as direct increases in accumulated surplus.

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES, continued

(g) Budget Data

The Education Act of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 128 and 129.

The priorities and funding allocations are determined by the Board of Trustees of each Beaufort-Delta Education Council and the budget is legally adopted by a motion of the board in accordance with Section 135(3) of the Education Act.

Board approved budgets are submitted to the Minister of education, Culture and Employment for final approval as directed by Sections 117(2) k, l and m of the Education Act.

This annual budget includes estimates of revenues, expenses and the net operating surplus (deficit). Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Beaufort-Delta Education Council.

The budget may be amended within a given fiscal year in accordance with Beaufort-Delta Education Council policy, regulations and approved budget procedures. The budget data presented in the consolidated financial statements reflects the Minister approved budget for the school year.

(h) Measurement Uncertainty

The preparation of these consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the amounts of revenue and expenses during the period. Actual results could differ from those estimates. Accounts subject to measurement uncertainty are post-employment benefits as determined by an actuary.

(i) Inventories including Materials and Supplies

Inventories of books, materials, supplies and other expendables purchased by the Beaufort-Delta Education Council are treated as expenses during the year of acquisition and are not recorded on the statement of financial position.

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES, continued

(j) Payroll Liabilities

According to the Northwest Territories Teachers Association (NWTTA) and GNWT Collective Agreement, teaching staff have their salary issued by the GNWT bi-weekly pay system. NWTTA staff will have earned their annual salary by June 30th which provides for continued payment during the summer. GNWT payroll for NWTTA starts with the annualized salary commitment for compensation and then allocates the complete payout of that value over the number of pay periods between August 1 and July 31. Pay periods falling in July are therefore accrued.

The duties and compensation base for UNW School year employees are scheduled to align with the academic year although actual start dates and durations vary by specific location and job function. Accordingly, the Beaufort-Delta Education Council determines the start dates of their UNW employees and accrues the related payroll liability as appropriate.

All other staff are accrued to include earnings to June 30.

(k) Other Employee Future Benefits and Compensated Absences

Under the terms and conditions of employment, education board employees may earn non-pension benefits for resignation, retirement and removal costs. Eligible employees earn benefits based on years of service to a maximum entitlement based on terms of employment. eligibility is based on a variety of factors including place of hire, date employment commenced, and reason for termination. Benefit entitlements are paid upon resignation, retirement or death of an employee. The expected cost of providing these benefits is recognized as employees render service. Termination benefits are also recorded when employees are identified for lay-off. Compensated absences include sick, special, parental and maternity leave. Accumulating non-vesting sick and special leave are recognized in the period the employee provides service, whereas parental and maternity leave are event driven and are recognized when the leave commences. An actuarial valuation of the cost of these benefits (except maternal and parental leave) has been prepared using data provided by management and assumptions based on management's best estimates.

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES, continued

(l) Special Purpose Funds

School activity funds which are fully controlled by the Beaufort-Delta Education Council with respect to when and how the funds available can be discussed are included. The funds reported are internally restricted as to purpose and may include the proceeds of fundraising, contributions or fees paid related to a specific planned benefit. Examples might include planned student trips or funds specifically designated for the purchase of equipment or materials required to support an activity.

Student activity funds which are controlled by students or parties other than the Beaufort-Delta Education Council are not included even if custody of the funds is held by the Beaufort-Delta Education Council. Examples of excluded funds might be student clubs or associations for which the Beaufort-Delta Education Council has no ongoing responsibility of liability for losses.

(m) Contributed Materials and Services

The Beaufort-Delta Education Council recognizes contributions of materials and services, but only when a fair value can be reasonably estimated and when the materials and services are used in the normal course of operations and would otherwise have been purchased.

NOTE 3 FUTURE ACCOUNTING CHANGES

- (a) Contingent assets (PS 3320 - April 1, 2017)
- (b) Contractual rights (PS 3430 - April 1, 2017)
- (c) Related Party Transactions: Inter-entity Transfer Valuations (PS 3420 - April 2018)
- (d) Restructuring transactions (PS 3430 - April 1, 2018)
- (e) Financial Instruments (PS 3450 - April 1, 2019)
- (f) Student Activity / Fiduciary funds policy under review for possible inclusion in Special Purpose Funds.

NOTE 17 OTHER EMPLOYEE FUTURE BENEFITS AND COMPENSATED ABSENCES

In addition to the pension benefits, The Beaufort-Delta Education Council provides severance (resignation and retirement), removal and compensated absence (sick, special, maternity and parental leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation.

Severance benefits are paid to the Beaufort-Delta Education Council's employees based on the type of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being location of hire, employee category and length of service. The benefits under these two categories were valued using the projected unit credit methodology.

Compensated absence benefits generally accrue as employees render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under compensated absence benefits were actuarially valued using the expected utilization methodology.

Valuation results

The actuarial valuation was completed as at March 31, 2017. The effective date of the next actuarial valuation is March 31, 2018. The liabilities are actuarially determined as the present value of the accrued benefits at February 17, 2017 and the results extrapolated to June 30, 2017. The values presented below are for all of the benefits under the Compensated Absences and Termination Benefits for the consolidated Government.

	<u>Severance and Removal</u>	<u>Compensated Absences</u>	<u>2017</u>	<u>2016</u>
Changes in Obligation:

NOTE 26 RELATED PARTY TRANSACTIONS

The Beaufort-Delta Education Council is related in terms of common ownership to all GNWT-created departments, agencies and corporations. The Council enters into transactions with these entities in the normal course of operations. The Council is provided with various administrative services by the GNWT, the value of which is not reflected in these consolidated financial statements. The administrative costs include legal services by the Department of Justice, insurance coverage by the Department of Finance, payroll services by the Department of Human Resources, internal audit services by the Department of Finance, and utility and maintenance by the Department of Public Works and Services. Transactions with related parties and balances at year end not disclosed elsewhere in the consolidated financial statements are disclosed in this note.

These transactions are in the normal course of operations and have been valued at the exchange amount, which is the amount of consideration established and agreed to by the related parties. Amounts due to and from related parties are non-interest bearing, and due within normal trade terms.

NOTE 27

BUDGET DATA

The Education Act of the Northwest Territories requires that Education Bodies prepare an annual budget as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Beaufort-Delta Education Council which may or may not include the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation, of the Education Act.

The annual budget includes estimates of revenue and expenses for the Operating fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Beaufort-Delta Education Council.

The budget figures presented are those approved by the Minister of Education, Culture and Employment on and have not been audited.

NOTE 28

ECONOMIC DEPENDENCE

The Beaufort-Delta Education Council receives its funding primarily from the GNWT. If the funding arrangements were to change, management is of the opinion that Beaufort-Delta Education Council operations would be significantly affected.

BEAUFORT-DELTA EDUCATION COUNCIL

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

NOTE 29 FINANCIAL INSTRUMENTS

The Council's financial instruments consist of cash and temporary investments, accounts receivable, due from GNWT, accounts payable and accrued liabilities, accrued payroll, leave and termination benefits and due to GNWT. Unless otherwise noted, it is management's opinion that the Council is not exposed to significant interest rate, liquidity, credit, market, currency or cash flow risks arising from these financial instruments.

The Council's carrying value of cash and accrued salaries approximate fair value due to the immediate and short-term maturity of these instruments.

The Council's carrying value of the accrued leave and termination benefits approximates fair value based on information readily available in the NWTTA, UNW and Senior Manager's handbook.

The Council is subject to credit risk with respect to accounts receivable. Credit risk arises from the possibility that customers to which the Council provides services may experience financial difficulty and be unable to fulfil their obligations. The Council regularly monitors the amounts of outstanding receivables and initiates collection procedures to minimize credit risk.

Commission scolaire francophone Territoires du Nord-Ouest

Rapport de gestion

L'objectif du rapport de gestion consiste à expliquer, du point de vue du bureau central, la situation financière et les perspectives d'avenir de la Commission scolaire francophone TNO. Le rapport de gestion est la responsabilité de la direction générale et du Conseil des commissaires de la Commission scolaire francophone TNO et sert à promouvoir la transparence et la reddition de compte.

Les objectifs de la gestion financière de la Commission scolaire francophone TNO se résument en deux objectifs :

- 1) Fournir les meilleurs programmes d'éducation possible selon les ressources financières allouées.
- 2) Gérer les ressources financières avec compétence et être redevable pour ces ressources financières devant le ministère de l'Éducation, de la Culture et de la Formation des Territoires du Nord-Ouest et le gouvernement du Canada.

La vision de la Commission scolaire francophone TNO est de permettre à l'élève de développer ses compétences et de cultiver ses talents, selon ses besoins spécifiques, dans une perspective de développement global de sa personne et de son identité francophone.

Selon la *Loi sur l'Éducation des Territoires du Nord-Ouest*, la Commission scolaire francophone compte six sièges de commissaires élus, trois à Yellowknife et trois à Hay River.

Ce sont les commissaires qui supervisent la gestion de la Commission scolaire et des écoles. En fait, ils constituent le lien entre les élèves, les parents, les écoles et les deux paliers de gouvernement.

Les commissaires pour 2016-17 étaient :

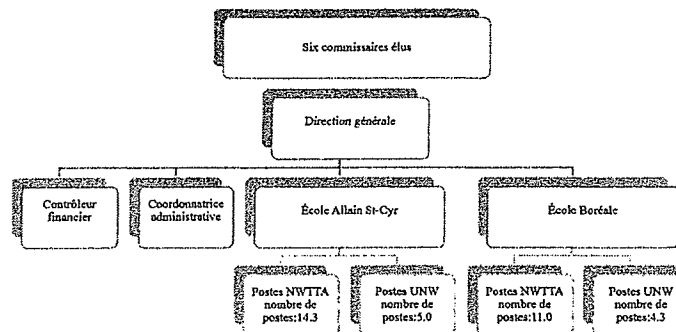

Nom	Titre
Simon Cloutier	Présidente
Natalie Campbell	Vice-présidente
Christian Marcoux	Trésorier
David Couture	Commissaire
Étienne Croteau	Commissaire
Michael St-Amour	Commissaire

La Commission scolaire francophone TNO gouverne deux écoles publiques en français langue première de la maternelle à la 12^e année: l'école Allain St-Cyr à Yellowknife et l'école Boréale à Hay River. En 2016-17, la CSFTNO avait trois employés au bureau central et trente-deux employés dans les écoles pour un total de trente-cinq employés.

L'organigramme de la Commission scolaire francophone pour l'année scolaire 2016-17:

COMMISSION SCOLAIRE FRANCOPHONE DES TNO

Au 30 septembre 2016, 117.5 élèves fréquentaient l'école Allain St-Cyr et 81.5, l'école Boréale.

La Commission scolaire a adopté son Plan stratégique 2015-2020 le 17 décembre 2015. Le plan comprend 5 priorités :

- La réussite et le bien-être de chaque élève;
- Espace francophone et communautaire;
- Engagement des parents et des familles;
- L'école francophone, le premier choix des parents; et
- Gestion et gouvernance efficaces.

Priorité : La réussite et le bien-être de chaque élève

- Développer les compétences à l'ère numérique chez nos élèves de la maternelle à la 12e année;
- Appuyer nos élèves à partir d'une compréhension commune de « la réussite » et du « bien-être »;
- Améliorer la diversité et la qualité des programmes et des services offerts dans nos écoles;
- Entretenir un climat sain, inclusif et sécuritaire dans nos écoles;
- Assurer l'utilisation efficace et judicieuse des technologies informatiques et de communication pour améliorer l'expérience d'apprentissage;
- Maintenir un personnel engagé et compétent;
- Assurer le développement professionnel continu et l'échange de pratiques qui favorisent la réussite et le bien-être des élèves; et
- Favoriser le développement de l'autonomie chez les élèves tout au long de leur parcours scolaire.

Priorité : Espace francophone et communautaire

- Favoriser le développement de la construction identitaire chez nos élèves;
- Renforcer les partenariats avec la communauté pour appuyer l'apprentissage de chaque élève; et
- Promouvoir la valeur ajoutée de l'éducation en français langue première et de la dualité linguistique canadienne.

Priorité : Engagement des parents et des familles

- Impliquer nos parents comme partenaires dans l'apprentissage et l'épanouissement de leur enfant;
- Aider nos parents afin qu'ils puissent accompagner leur enfant; et
- Assurer une communication ouverte et soutenue avec les parents.

Priorité : L'école francophone, le premier choix des parents

- Assurer la pérennité et la vitalité de nos écoles; et
- Favoriser la rétention et le recrutement des élèves.

Priorité : Gestion et gouvernances efficaces

- Mettre à jour les politiques de gouvernance de la CSFTNO;
- Renforcer les capacités de leadership au sein de la CSFTNO; et
- Améliorer la communication et la diffusion d'information auprès des parents et des membres de la communauté.

Revenus

La source principale de revenu provient du Gouvernement des Territoires du Nord-Ouest. Cette source de revenu est majoritairement divisée entre 2 catégories :

- Les contributions régulières calculées par le Cadre de financement scolaire des Territoires du Nord-Ouest; et
- La contribution provenant de l'entente *Enseignement en français langue de la minorité* de Patrimoine canadien.

Sources de revenu CSFTNO 2016-17

En 2016-2017, la Commission scolaire francophone TNO a enregistré des revenus d'une somme de 6.08 M\$ comparativement à un montant budgété de 6.03 M\$. Cette variance de 50 K\$ s'explique principalement par 4 facteurs :

- Des revenus surestimés par la CSFTNO de (106 K\$) dans les contributions régulières du GTNO.
- Les contributions additionnelles de 90 K\$ reçues par le Gouvernement des Territoires du Nord-Ouest pendant l'année scolaire 2016-17 pas inclus dans le budget approuvé.
- Une somme de 52 K\$ non budgétée reçu en raison des montants résiduels du *Programme de contestation judiciaire*.
- La somme de 17 K\$ non budgétée reçu pour le programme de développement professionnel du NWTTA.

Voici un tableau illustrant les revenus actuels comparativement aux revenus budgétés :

Revenus actuels vs. budgétés 2016-17

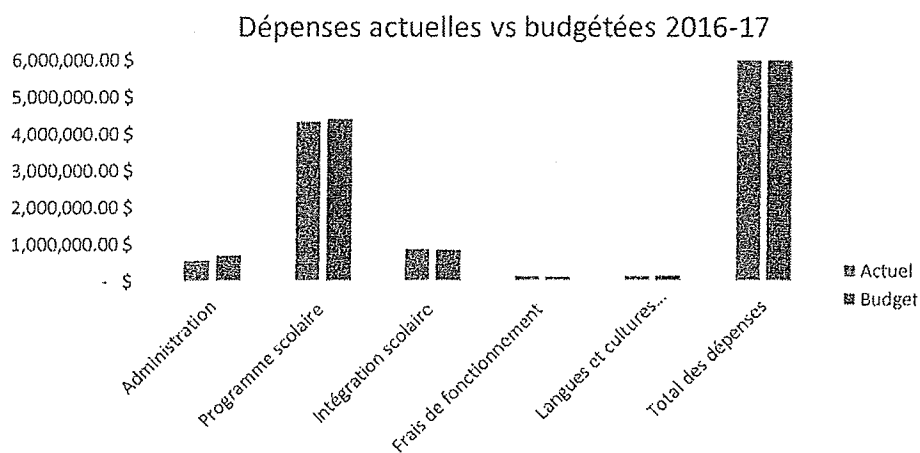

Dépenses

Le total des dépenses de la Commission scolaire francophone TNO au 30 juin 2017 se chiffrait à 6.04 M\$ comparativement à un budget approuvé de 6.20 M\$.

Cette variance de 160 K\$ s'explique majoritairement par les revenus surestimés de 106 K\$. Ayant déjà un budget déficitaire de (176 K\$), lorsque la CSFTNO a réalisé que les revenus étaient surestimés de 106 K\$, plusieurs changements au budget ont été implantés afin de limiter l'impact sur le surplus, notamment :

- Réductions dans le programme d'administration
 - Frais de voyage réduit de 7 K\$.
 - Frais de marketing réduit de 5 K\$
 - Frais administratifs réduits de 8 K\$
 - Frais de matériaux réduits de 10 K\$
 - Les initiatives découlant du Plan stratégique ont été remises à 2017-18. (Économie de 80 K\$)
 - Frais légaux 10 K\$ plus bas que budgétés
- Réduction dans le programme scolaire
 - Frais de matériaux 52 K\$ plus bas que budgétés
 - Frais de développement professionnel de 5 K\$ plus bas que budgétés
 - Bourses de rétention plus bas que prévu de 10 K\$

Voici un tableau illustrant les dépenses actuelles comparativement aux dépenses budgétées par programme :

Programmes

- Administration

La section administration comprend les dépenses pour les salaires et bénéfices des employés au bureau central, les honoraires du Conseil d'administration et les dépenses administratives de la Commission scolaire francophone TNO.

- Programme scolaire

Cette section inclue les dépenses opérationnelles des écoles telles que les salaires et bénéfices des enseignants, aide-enseignants, consultants, secrétaires et concierges. Le programme scolaire comprend également les frais de développement professionnel, le transport par autobus, les matériaux scolaires et les fournitures scolaires dans les écoles.

- Intégration scolaire

Les dépenses pour l'intégration scolaire permettent aux écoles d'inclure tous les élèves et d'assurer leur participation dans les classes régulières. Cette section inclue les salaires et bénéfices des enseignants, les adjoint(e)s au programme de soutien, le développement professionnel, les matériaux et fournitures de classe associés au programme d'intégration scolaire.

- Frais de fonctionnement

Les frais de fonctionnement consistent des dépenses d'opération et de maintenance des écoles non couverts par le Gouvernement des Territoires du Nord-Ouest.

- Langue et cultures autochtones

Ce programme comprend les salaires et bénéfices des enseignants, ainsi que les matériaux et les fournitures reliés au programme de Langue et culture autochtones.

Modification de méthode comptable

En 2016-17, la CSFTNO a appliqué les changements relatifs à la norme SP 3255, *Avantages postérieurs à l'emploi, congés rémunérés et prestations de cessation d'emploi*. L'objectif comptable est de mesurer l'obligation au titre des avantages sociaux futurs en vue de communiquer cette information et d'attribuer le coût des avantages aux exercices pertinents.

La note 17 aux états financiers illustre les détails provenant de la norme SP 3255. Le passif initial non comptabilisé se voit comme une modification de méthode comptable appliquée rétroactivement. L'ajustement rétroactif réduit le surplus accumulé en fin d'année 2015-16 de 457 267\$. Avec ce changement, le surplus accumulé au 30 juin 2016 se chiffre à 119 564\$ comparativement à 576 831\$.

Sommaire

En 2016-17, la Commission scolaire francophone TNO a approuvé un déficit de (176 501\$) en raison des dépenses liées à la réalisation du Plan stratégique 2015-2020 et à l'implantation des programmes préscolaires 4 ans à temps plein dans nos deux écoles.

La Commission scolaire francophone TNO a terminé l'année fiscale avec un surplus annuel de 67 646\$. Par conséquent, le surplus accumulé a augmenté à 187 210\$ comparativement à 119 564\$ au 30 juin 2016. Ce surplus annuel s'explique majoritairement par des revenus excédentaires non budgétés d'environ 50 K\$, le recouvrement des *Avantages postérieurs à l'emploi, congés rémunérés et prestations de cessation d'emploi* de 25 K\$ et des réductions des dépenses budgétés au bureau central et dans les écoles.

Finalement, les fonds budgétés pour l'année fiscale 2017-2018 s'enlignent avec le Plan stratégique 2015-2020 dans le but de continuer à offrir un excellent programme d'éducation en français langue première dans nos deux écoles.

Nous souhaitons une bonne rentrée scolaire à tous les élèves et employés de la Commission scolaire francophone TNO.

**To the Minister of Education, Culture and Employment
Government of the Northwest Territories**

Management's Responsibility for Financial Reporting with respect to the school year ended June 30, 2017

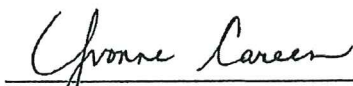

The Management Discussion and Analysis, Consolidated Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of Commission scolaire francophone Territoire du Nord-Ouest ("the Commission") in all material respects and in accordance with Canadian Public Sector Accounting Standards (CPSAS) as well as the Financial Administration Manual (FAM) and the Financial Administration Manual for Education Authorities (FAMEA) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of the Commission have been conducted within the statutory powers of the Education Body. The operations and administration of the Education Body as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the *Education Act*, *Financial Administration Act*, CPSAS, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Education Body Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture, and Employment (ECE) of the Government of the Northwest Territories.

Approved and confirmed on behalf of the Commission

Independent Auditors' Report

To the Minister of Education, Culture and Employment Government of the Northwest Territories

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Commission Scolaire Francophone Territoires du Nord-Ouest ("the Commission") which comprise the consolidated statement of financial position as at June 30, 2017 and the consolidated statements of operations, changes in net financial asset, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal controls as management determines are necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Commission's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Independent Auditors' Report (continued)

Basis for Qualified Opinion

Salaries and benefits paid to management and employees of the Commission are administered by the Government of the Northwest Territories and are audited as part of the Government of the Northwest Territories. Our audit scope was limited as we did not audit the components of salaries and benefits expenditures. Accordingly, we were not able to determine whether any adjustments might be necessary to salaries and benefits expenditures, employee deductions payable, vacation payable, salaries and wages payable, employee leave and termination benefits and accumulated surplus (deficit).

Qualified Opinion

In our opinion, except for the possible effect of the matters described in the Basis of Qualified Opinion paragraph, these consolidated financial statements present fairly, in all material respects, the financial position of the Commission as at June 30, 2017 and the results of its operations, change in net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Report on Other Legal and Regulatory Requirements

We further report, in accordance with the *Financial Administration Act*, in our opinion, proper books of account have been kept by the Commission, the consolidated financial statements are in agreement therewith, and the transactions that have come under our notice have, in all significant aspects, been within the statutory powers of the Commission.

A handwritten signature in black ink that reads "Crowe MacKay LLP".

June 30, 2017

1. Nature of the Organization

The Commission was established under the *Education Act* of the Government of the Northwest Territories ("GNWT") by order of the Minister dated November 7, 2000. A full range of instructional programs ranging from pre-kindergarten through Grade 12 is offered by the Commission in both Yellowknife and Hay River.

The Commission is an independent legal and accounting entity with an elected Board of Trustees as stipulated in Section 82 of the *Education Act*. The Board of Trustees has decision making authority, the power to delegate authority, the ability to significantly influence operations and the sole accountability for all fiscal matters.

Section 81 of the *Education Act* outlines the powers of a Board of Education which for the Commission includes all aspects of operation and management. The Commission is the lowest (and sole) level of government exercising oversight responsibility.

The Commission is a public body performing a function of government in Canada. Paragraph 149(1)(c) of the *Income Tax Act* provides that a public body performing the function of government in Canada is exempt from taxation.

2. Significant Accounting Policies

(a) Basis of Accounting

The consolidated financial statements of the Commission have been prepared in accordance with Canadian public sector accounting standards. The consolidated financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality.

The basis of accounting refers to the timing of when revenue and expenditure items are recognized in the accounts and reported in the consolidated financial statements. The accrual basis of accounting is utilized for all funds. Under the basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

(b) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques.

June 30, 2017

2. Significant Accounting Policies (continued)

(c) Financial Instruments

The Commission classifies its financial instruments at cost or amortized cost. The Commission's accounting policy for this financial instrument category is as follows:

This category includes cash, restricted assets, accounts receivable, accounts payable and accrued liabilities, and payroll liabilities. They are initially recognized at cost and subsequently carried at amortized cost using the effective interest rate method, less any impairment losses on financial assets.

Transaction costs related to financial instruments in the amortized cost category are added to the carrying value of the instruments.

Write-downs on financial assets in the amortized cost category are recognized when the amount of a loss is known with sufficient precision, and there is no realistic prospect of recovery. Financial assets are then written down to net recoverable value with the write-down being recognized in the statement of operations.

(d) Non-financial Assets

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver services that may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets and prepaid expenses. These assets do not normally provide resources to discharge the liabilities of the Commission unless they are sold.

(e) Tangible Capital Assets

The Commission does not carry any tangible capital assets. All tangible capital assets used by the Commission are purchased by and remain the property of the GNWT. The Minister grants to the Education Body the full occupancy and use of such facilities and equipment where required for the administration and delivery of education system programs. Tangible capital assets with a value in excess of \$50,000 are recorded at cost and amortized in accordance with the Financial Administration Manual guidelines by the GNWT. Tangible capital assets with a value of less than \$50,000 are recorded as a current expenditure.

June 30, 2017

2. Significant Accounting Policies (continued)

(f) Revenue Recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

GNWT - regular contributions

The regular contributions from the GNWT are determined by a funding formula, based on student enrolment and price and volume fluctuation, and are received in monthly installments. The Commission retains surpluses and is responsible for deficits. Any funding requests over and above those levels provided by the formula must be first approved by the GNWT. The contribution revenue is recognized when received or receivable.

GNWT - French minority language

The French minority language contributions from the GNWT are determined by additional costs related to French minority language, and are received in three installments on the first of November, January and March. The contribution revenue is recognized when received or receivable.

Other contributions

The Commission follows the deferral method of accounting for contributions from funding arrangements. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reliably estimated and its collection is reasonably assured. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Funds received that are not expended at year-end are recorded as either deferred revenue or contributions repayable depending upon the terms of the contribution agreement.

Special Purpose funds

Schools in the system administer funds which arise from certain school and student activities. Such funds, although subject to internal review, are not recorded in the accounts or in the financial statements of the Commission as they do not constitute any part of the approved budget and are available for use at the discretion of each individual school.

Deferred revenue

Deferred revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenue when the eligible expenditures are incurred.

June 30, 2017

2. Significant Accounting Policies (continued)

(g) Budget Data

The *Education Act* of the Northwest Territories requires that Boards of Education prepare an annual budget, as outlined in Section 128 and 129.

The final priorities and funding allocations are determined by the Trustees of the Commission at a special meeting called for the purposes of reviewing budget proposals, recommending changes, additions or deletions and adopting the proposed budget. The budget is legally adopted by a motion of the Board in accordance with Section 135(2) of the *Education Act*.

Board approved budgets are submitted to the Minister of Education, Culture, and Employment for final approval as directed by Sections 117(2) k, l and m of the *Education Act*.

This annual budget includes estimates of revenue and expenditures for operations. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Commission.

The budget may be amended within a given fiscal year in accordance with the Commission's policy, regulations and approved budget procedures. The budget data presented in the financial statements reflects the amended budget for the fiscal year, and therefore, includes any amendments that may have been made during the year. The budget has not been audited.

(h) Measurement Uncertainty

The preparation of these consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the amounts of revenue and expenses during the period. Actual results could differ from these estimates.

(i) Inventories Including Materials and Supplies

Materials and supplies are considered a cost of operations and are expensed to the applicable program when received.

June 30, 2017

2. Significant Accounting Policies (continued)

(j) Payroll Liabilities

According to the Northwest Territories Teachers' Association (NWTTA) and GNWT Collective Agreement, teaching staff have their salary issued by the GNWT bi-weekly pay system. NWTTA staff will have earned their annual salary by June 30th which provides for continued payment during the summer. GNWT Payroll for NWTTA starts with the annualized salary commitment for compensation and then allocates the complete payout of that value over the number of pay periods between August 1 and July 31. Pay periods falling in July are therefore accrued as a liability.

The duties and compensation base for UNW School Year employees are scheduled to align with the academic year although actual start dates and durations vary by specific location and job function. Accordingly, the Commission determines the start dates of their UNW employees and accrues the related payroll liability as appropriate.

All other staff salaries are accrued to include earnings to June 30.

(k) Post-employment Benefits, Compensated Absences and Termination Benefits

Under the conditions of employment, employees qualify for annual leave of varying lengths depending on length of service. Annual leave is payable within one fiscal year. Employees also earn retirement and severance remuneration based on number of years of service. Certain employees will also receive assistance with removal costs to return to their point of recruitment. Payment of the removal and termination is dependent on employees leaving the Commission and other criteria as outlined in the negotiated collective agreements and management handbook guidelines of the GNWT.

(l) Special Purpose Funds

Student activity funds which are controlled by students or parties other than the Commission are not included even if custody of the funds is held by the Commission. Examples of excluded funds might be student clubs or associations for which the Commission has no ongoing responsibility of liability for losses.

(m) Donated Goods and Services

The school buildings occupied by the Commission are the property of the GNWT. The lease of the office space occupied by the Commission is paid for by the GNWT. The fair value of the use of the building and office space is estimated at its fair value and recognized as assets provided at no cost in the statement of operations.

June 30, 2017

2. Significant Accounting Policies (continued)

(n) Liability for Contaminated Sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. A liability would be recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all the following criteria are met: an environmental standard exists; contamination exceeds the environmental standard; The Commission is directly responsible and accepts responsibility and a reasonable estimate of the amount can be made. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available as at June 30, 2017.

At each financial reporting date, management reviews the carrying amounts of the liability. Any revisions required to the amount previously recognized is accounted for in the period revisions are made. Management at the Commission has concluded that there is no contamination that exceeds environmental standards and as a result there are no liabilities for contaminated sites.

3. Future Accounting Changes

Related party disclosures, Section PS 2200

PSAB approved Section PS 2200, Related Party Disclosures. This Section is effective for fiscal periods beginning on or after April 1, 2017. Earlier adoption is permitted. This Section defines related parties and establishes disclosures required for related party transactions. It is expected that reasonable efforts would be made to identify related party transactions. This may involve adopting policies and procedures designed to ensure that these transactions are appropriately identified, measured and disclosed in the financial statements. Not all related party relationships or transactions occurring between related parties are required to be disclosed. Disclosure is generally required when related party transactions have occurred at a value different from that which would have been arrived at if the parties were unrelated. However, not all of these transactions are reportable under this Section. Only those transactions that have or could have a material financial effect on the financial statements are disclosed.

The impact of the transition to this accounting standard has not yet been determined.

Inter-entity Transactions, Section PS 3420

PSAB approved Section PS 3420, Inter-entity Transactions. This Section is effective for fiscal periods beginning on or after April 1, 2017. Earlier adoption is permitted. This Section establishes standards on how to account for and report transactions between public sector entities that comprise a government's reporting entity from both a provider and recipient perspective. This section may be applied in conjunction with Related Party Disclosures, Section PS 2200.

The impact of the transition to this accounting standard has not yet been determined.

Notes to Consolidated Financial Statements

June 30, 2017

3. Future Accounting Changes (continued)

Assets, Section PS 3210

PSAB approved Section PS 3210, Assets. This Section is effective for fiscal periods beginning on or after April 1, 2017. Earlier adoption is permitted. This Section provides guidance on how to apply the definition of assets as set out in Section PS 1000, and establishes standards for disclosure of assets except certain specific types of assets, which are dealt with in other Sections.

The impact of the transition to this accounting standard has not yet been determined.

Contingent Assets, Section PS 3320

PSAB approved Section PS 3320, Contingent Assets. This Section is effective for fiscal periods beginning on or after April 1, 2017. Earlier adoption is permitted. This Section defines and establishes standards for disclosure of contingent assets except certain specific types of contingent assets.

The impact of the transition to this accounting standard has not yet been determined.

Contractual Rights, Section PS 3380

PSAB approved Section PS 3380, Contractual Rights. This Section is effective for fiscal periods beginning on or after April 1, 2017. Earlier adoption is permitted. This Section defines and establishes standards for disclosure of rights to economic resources arising from contracts or agreements that will result in both an asset and revenue in the future except certain specific types of contractual rights.

The impact of the transition to this accounting standard has not yet been determined.

Student Activity Funds

Under direction from the Government of Northwest Territories - Department of Education, Culture and Employment, student funds may be required to be reported on the consolidated financial statements of the Commission in the future.

4. Cash and Cash Equivalents

	2017	2016

12. Contributions Repayable

The Commission does not have any contributions repayable.

13. Due From and To the Government of Canada

The Commission does not have amounts due from and to the Government of Canada.

14. Capital Lease Obligations

The Commission does not have capital lease obligations.

15. Pensions

The Commission does not have pensions.

16. Long-Term Debt

The Commission does not have long-term debt.

17. Post-Employment Benefits

Under the conditions of employment, employees earn severance remuneration based on the number of years of service. Certain employees will also receive assistance with removal costs to return to their point of recruitment. The payment of these benefits is dependent on employees leaving the Commission.

These liabilities are to be funded in the year they become due through regular annual budget allocations that are received from the GNWT.

Severance benefits are paid to the Commission's employees based on the type of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being employee category and length of service. The benefits under these two categories were valued using the projected unit credit methodology.

Compensated absence benefits for all staff are accrued as employee render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under compensated absence benefits were actuarially valued using the expected utilization methodology.

Notes to Consolidated Financial Statements

June 30, 2017

17. Post-Employment Benefits (Continued)

Valuation results

The actuarial valuation was completed as at March 31, 2017. The effective date of the next actuarial valuation is March 31, 2018. The liabilities are actuarially determined as the present value of the accrued benefits at March 31, 2017 and the results extrapolated to June 30, 2017. The values presented below are for all of the benefits under the Compensated Absences and Termination Benefits for the Authority.

Changes in Obligation	Severance and Removal	Compensated Absences	2017	2016 (Restated - Note 32)
Accrued benefit obligation beginning of year	\$ 158,634	\$ 32,913	\$ 191,547	\$ 520,112

25. Contingencies

In early June 2012, a judgement was decreed in the legal action brought by the Commission against the GNWT to provide additional classroom space in Hay River and to assert the right to enrol students in both schools, and in a second legal action brought against the GNWT by L'Association des Parents Ayants Droit, with the support of the Commission, to provide additional classroom space in Yellowknife. In this judgement the GNWT was ordered by the Supreme Court of the Northwest Territories to reimburse \$1,127,287 to the Commission. Payment was received during the fiscal year ended June 30, 2014.

During the fiscal year ended June 30, 2015, the GNWT submitted an appeal and was successful. The Commission then submitted an appeal to the Supreme Court of Canada which was refused to be heard. The amounts owing through the GNWT appeal process have not yet been determined.

26. Related Parties

The Commission is related in terms of common ownership to all GNWT created departments, agencies and corporations. The Commission enters into transactions with these entities in the normal course of business. The Commission is provided with various administrative services by the GNWT, the value of which is not reflected in these financial statements. The administrative costs include legal services by the Department of Justice, insurance coverage, payroll services and internal audit services by the Department of Finance, and utilities and maintenance by Public Works and Services. Transactions with related parties and balances at year-end disclosed in the financial statements are summarized in this note.

	2017	2016
Accounts Receivable		
GNWT - Department of Education, Culture and Employment	\$ 132,960	\$ 146,697
Accounts Payable

GNWT - Department of Finance (employee deductions payable)	2,597	5,988
	\$ 456,511	\$ 576,672

June 30, 2017

27. Budget Data

The *Education Act* of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Education Body which includes the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation, of the *Education Act*.

The annual budget includes estimates of revenue and expenditures for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Commission.

The budget figures presented are those approved by the Trustees of the Commission on June 19, 2016 and have not been audited.

28. Economic Dependence

The Commission receives its funding primarily from the GNWT. If the funding arrangements were to change management is of the opinion that the Commission's operations would be significantly affected.

29. Risk Management

The Commission is exposed to credit and liquidity risks from its financial instruments. Qualitative and quantitative analysis of the significant risks from the Commission's financial instruments is provided by type of risk below. The Commission is exposed to credit and liquidity risks from its financial instruments. Qualitative and quantitative analysis of the significant risks from the Commission's financial instruments is provided by type of risk below.

a) Credit risk

Credit risk is the risk of financial loss to the Commission if a debtor fails to make payments of interest and principal when due. The Commission is exposed to this risk relating to its cash, restricted assets, and accounts receivable. The Commission holds its cash in accounts with federally regulated chartered banks who are insured by the Canadian Deposit Insurance Corporation. In the event of default, the Commission's cash in accounts are insured up to \$100,000.

The Commission's maximum exposure to credit risk is represented by the financial assets balance for a total of \$1,892,929 (2016 - \$1,479,681).

Accounts receivable are ultimately due from the departments of the Government of the Northwest Territories (GNWT) and pertain to outstanding contribution agreements. There is a concentration of credit risk in cash as the majority of the deposits are held in one Canadian chartered bank and the balance is in excess of the insurable limit. There is also a concentration risk in accounts receivable as more than 10% of the total balance is from the Government of the Northwest Territories. At June 30, 2017, receivables from the GNWT comprised approximately 64% of the total balance. The amounts represent a low credit risk as the debtors are reputable governments and government organizations with a good credit score. The Commission reduces its risk exposure by following up on old account receivables for collection.

Commission scolaire francophone Territoires du Nord-Ouest

Notes to Consolidated Financial Statements

June 30, 2017

29. Risk Management (continued)

b) Liquidity risk

Liquidity risk is the risk that the Commission will not be able to meet all cash outflow obligations as they come due. The Commission mitigates this risk by monitoring cash activities and expected outflows through budgeting and maintaining an adequate amount of cash to cover unexpected cash outflows should they arise.

The Commission's maximum exposure to liquidity risk is represented by accounts payable, accrued liabilities, payroll liabilities and contributions repayable for a total \$1,090,900 (2016 - \$728,149).

The financial assets including cash, restricted assets and accounts receivable, mature within 6 months. The financial liabilities including accounts payable and accrued liabilities, contributions repayable and payroll liabilities mature within 6 months.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures, and methods used to measure the risk.

30. Expenditures By Object

	2017 Budget	2017 Actual	2016 Actual
Compensation	\$ 4,937,243	\$ 5,022,762	\$ 4,709,515
Materials/freight	397,510	329,832	350,471
Services purchased/contracted	867,558	716,853	862,874
	\$ 6,202,311	\$ 6,069,447	\$ 5,922,860

31. Subsequent Events

There were no subsequent events that have taken place between June 30, 2017 and the date the audit report was signed.

32. Comparative Figures

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year.

The financial statements have been restated to reflect the change in accounting policy for the recognition of employee future benefits. The impact of the changes are as follows:

	2017	2016
Increase in opening balance - Post-employment Benefits	\$ 457,267	\$ 328,565
Increase in closing balance - Post-employment Benefits	\$ -	\$ 457,267

MANAGEMENT DISCUSSION AND ANALYSIS

Introduction

The Management Discussion and Analysis (MD&A) is a go-forward responsibility of management and the Council Members to promote transparency and accountability.

Vision and Core Strategy

The Dehcho Divisional Education Council mission is to provide quality education based on the cultures of its students and partnerships with the communities it serves.

The vision and core strategy for the Dehcho Divisional Education include a variety of goals and objectives, which include:

- Promote excellence in student performance.
- Deliver school programs and activities that support the intellectual, physical, emotional, social, and spiritual development of students.
- Deliver school programs and activities in a manner that integrates traditional and contemporary education practices.
- Provide programs that result in completion of secondary school graduation requirements so that students can pursue post-secondary education, skills, training and/or employment.
- Involve students in identification of learning needs and planning school programs.
- Build partnerships with community and regional agencies to meet student needs and strengthen wellness.
- Provide training to trustees, other educational leaders in schools and communities so that they may effectively exercise their roles and responsibilities.
- Promote and encourage the wellness of educational personnel (Trustees, Council staff and school staffs).

Governance, Trustees and Key Management

Presently, the Council is represented by trustees from eight communities in the Dehcho region. The Council Members are as follows:

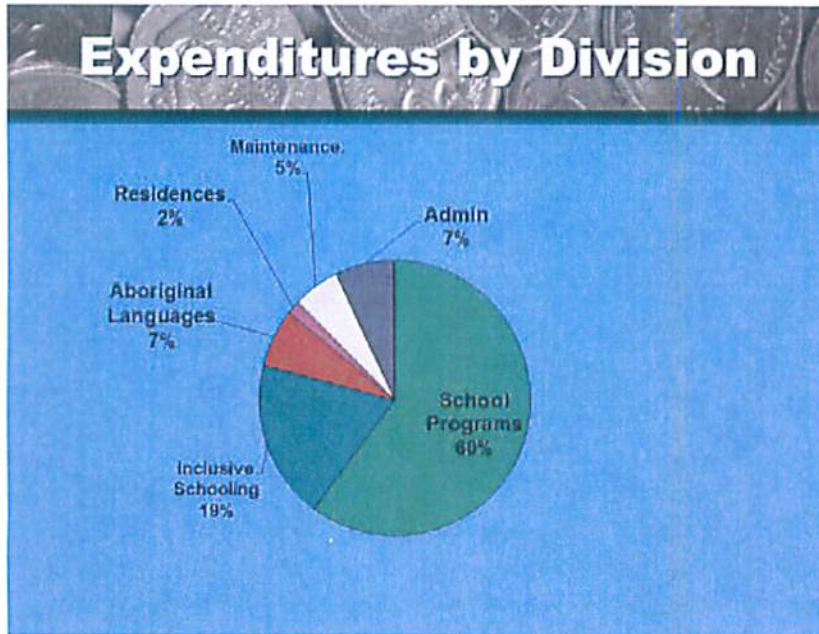

- Fort Providence- Peter Canadien
- Fort Liard- Sylvia Bertrand
- Fort Simpson- Renalyn Pascua-Matte
- Jean Marie River- Yvonne Norwegian
- Kakisa Lake- Anita Chicot- Chairperson
- Trout Lake- Danna Auger
- Wrigley- Lisa Moses-Vice-Chairperson
- Nahanni Butte- Roxanne Konisenta

The management staff include Terry Jaffray, who performs the duties of the Superintendent and is responsible for school operations and overall operations of the Council and David Fiebelkorn who manages the financial and business affairs as Comptroller of the Council.

Key Financial Highlights

Revenue has fluctuated over the past five years due to fluctuating enrollment. Due to these factors and a healthy accumulated surplus from earlier years, the Council has recorded deficits, or small surpluses over the past five years. Actual surpluses have been favorable over original budgets in four the past five years as Council tries to operate in the most financial responsible manner, taking advantage of cost saving measures wherever possible and maximizing other sources of income wherever possible. The exception to this trend is in the previous year where Senior Small Schools Secondary funding claw back due to decreased enrollment, larger than budgeted retirement and leave payouts, larger than funded personnel infrastructure costs all contributed to a much larger than budgeted deficit. During the current fiscal year, the Council recorded a favorable surplus which offset the larger deficit recorded in 2016. Much of this surplus resulted from recovery of unfunded costs of the previous year, as well as prudent fiscal management.

School programs continue to comprise the largest component of expenditures for the Council, with a strong emphasis on Inclusive Schooling and Aboriginal Language programs. The Council has constantly strived to maintain Administration cost at below 10% of total funding.

Operating Environment

The Dehcho Divisional Education Council has been strengthened by sound fiscal and operation management over its history. The Council has enjoyed consistency in key management positions which has allowed for solid financial and administrative decision making. It also has been fortunate in attracting and retaining personnel in key positions. It has developed strong partnership with local groups and organizations and has developed relationships that have benefited the Council and schools. In addition, Council development and training has been a key area of strength in recent years. The Council has experienced some turnover in Principal and teaching staff in recent years which has weakened the consistency in student learning and achievement. The Council sees opportunities in the Education Renewal and Innovation to offer more dynamic education initiatives throughout the region and, with its partnerships with local and First Nations, it has opportunities to improve and develop language and cultural emphasis in education. Declining enrollment and related funding reductions represent a significant risk as well as retention of senior staff members over the next several years.

Financial Conditions

During the fiscal year ending June 30, 2017, the Council budgeted for an operating surplus to reduce the accumulated deficit and at the same time, maintain a similar level of service in the schools and communities. In doing so, the Council budgeted for an annual surplus of \$ 469,774. During the year, the Council managed to incorporate several recoveries as well as prudent fiscal management, despite declining enrollment, to record a surplus of \$1,673,882. When converted to cash flow working capital surplus, the amount of available surplus for future years is even more. This surplus for the 2017 year brought the overall accumulated books from a deficit to surplus of \$33,321 after several years of declining enrollment and unexpected costs. The break-even budget planned for 2017-18 as well as the current cash balance of \$3,342,918 eliminated any liquidity concerns as the Council continues to maintain cost controls in the current year, while contingent liabilities are not a risk to the Council's financial health. In addition, the Council has budgeted for a surplus of \$22,513 for the 2017-18 fiscal year in order to maintain the financial stability of the Council.

Adjusted Accumulated Surplus (Deficit)	\$ 2,202,416	\$ 776,194

Summary and Outlook

During the past year, the Council was fortunate to recover from a large deficit the previous year, to return the Council to previous accumulated surplus levels. Despite being affected by several unanticipated and unbudgeted cost and funding reductions due to declining enrollment which reduced its accumulated financial position in a period of declining or stagnant enrollment, the Council was able to combine some cost recoveries along with strong fiscal management to reverse the fiscal trend. It was able to be successful in continuing many new initiatives including distance learning courses, mental health support for small schools, resiliency programs, and self-regulation. Several programs such as literacy development, the Aboriginal Language Revitalization program in partnership with the University of Victoria, and Council governance training and development continued. Moving forward, the Council's goals for the upcoming year are to increase student achievement through continuing to provide staff and Council training and to provide programs that meet the needs of our 21st century learners and the goals of Education Renewal. Literacy, distance learning, self-regulation, and the Aboriginal Language revitalization programs will continue. New initiatives include: programs and training for incumbent Aboriginal Language Teachers, disciplinary literacy training, autism training and programs and co-teaching. Finally, Council plans to upgrade aging technology and provide ongoing training for education applications including PowerSchool.

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

The Management Discussion & Analysis, Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of the authority in all material respects and in accordance with Canadian Public Sector Accounting Standards (CPSAS) as well as the Financial Administration Manual (FAM) and the Financial Administration Manual for Education Authorities (FAMEA) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of Dehcho Divisional Education Council have been conducted within the statutory powers of the Education Body. The operations and administration of the Education Body as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the Education Act, Financial Administration Act, CPSAS, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Education Body Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture, and Employment of the Government of the Northwest Territories.

The financial statements have been reported on by Ashton Chartered Accountants. The auditors' report outlines the scope of their audit and their opinion on the presentation of the information included in the financial statements.

AUDITORS' REPORT

To the Minister of Education, Culture and Employment of the Government of the Northwest Territories:

Report on the Consolidated Financial Statements

We have audited the consolidated financial statements of the Dehcho Divisional Education Council, which comprise the consolidated statement of financial position as at June 30, 2017, and the consolidated statements of operations, changes in net financial assets (debt), and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide the basis for our audit opinion.

Basis for Qualified Opinion

Salaries and related benefits paid to employees of the Education Body are administered by the Government of the Northwest Territories and are audited as part of the Government of the Northwest Territories audit. Our audit scope was limited as we did not audit the components of compensation and benefits expenditures and related balances. Accordingly we are not able to determine whether any adjustments might be necessary to compensation and benefit expenditures, payroll liabilities, employee future benefits, net financial resources and accumulated surplus/deficit as well as note disclosures associated with transactions and year-end balances related to compensation and benefits.

Audit Report to the Minister of Education, Culture and Employment of the Government of the Northwest Territories (continued)

Qualified Opinion

In our opinion, except for the matter described in the Basis for Qualified Opinion paragraph, these financial present fairly, in all material respects, the financial position of the Education Body as at June 30, 2017 and its financial performance and its cash flow for the year then ended in accordance with the Canadian public sector accounting standards.

Report on Other Legal and Regulator Requirements

We further report, in accordance with the Financial Administration Act, that, in our opinion, proper books of account have been kept by the Education Body, the consolidated financial statements are in agreement therewith, and the transactions that have come under our notice have, in all significant aspects, been within the statutory powers of the Education Body.

DEHCHO DIVISIONAL EDUCATION COUNCIL

Notes to the Consolidated Financial Statements

June 30, 2017

Note 1. Dehcho Divisional Education Council

The Dehcho Divisional Education Council (formerly known as the Divisional Board of Education) was established on March 30, 1990. The Dehcho Division encompasses an area which includes the communities of Wrigley (Chief Julian Yendo School), Nahanni Butte (Charles Yohin School), Trout Lake (Charles Tetcho School), Fort Simpson (Bompas Elementary School and Thomas Simpson Secondary School), Fort Liard (Echo-Dene School), Fort Providence (Deh Gah Elementary and Secondary School), Jean Marie River (Louie Norwegian School) and Kakisa Lake (Territorial School - Kakisa Lake School).

The Education Body's purpose is to administer and manage the educational affairs of the Division in accordance with the Education Act and the Financial Administration Act of the Northwest Territories and the regulations of the Order establishing the Education Division.

Note 2. Summary of Significant Accounting Policies

(a) Basis of Accounting

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards. The consolidated financial statements have, in management's opinion, been properly prepared with reasonable limits of materiality. The basis of accounting refers to the timing of when revenue and expenditure items are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is utilized for all funds. Under this basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

(b) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques, and short term highly liquid investments that are readily convertible to cash and with a date of 90 days or less from the date of acquisition.

(c) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arm's length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently measured at its fair value, the initial fair value is adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

Financial assets subsequently measured at amortized cost include cash, accountable funds, due from the GNWT and other accounts receivable.

Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities, accrued salaries, deferred revenue, post-employment benefits and accountable funds.

DEHCHO DIVISIONAL EDUCATION COUNCIL

Notes to the Consolidated Financial Statements

June 30, 2017

Note 2. Summary of Significant Accounting Policies (continued)

(c) Financial Instruments (continued)

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, to a maximum of the related accumulated impairment charges recorded in respect of the particular asset is recognized in operations.

(d) Non-Financial Assets

Prepaid expenses and other non-financial assets are accounted for as assets by the Education Body because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the Education Body.

(e) Tangible Capital Assets

All buildings and works, furniture, equipment and vehicles are the property of the GNWT. The Minister grants to the Education Body the full occupancy and use of such facilities and equipment where required for the administration and delivery of education system programs. Capital assets with a value in excess of \$50,000 are recorded at cost and amortized in accordance with the Financial Administration Manual guidelines by the GNWT. Capital assets with a value of less than \$50,000 are recorded as a current expenditure.

(f) Revenue Recognition

Government Transfers:

Revenues are recognized in the period in which the transactions or events occur that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

Capital transfers or transfers of tangible capital assets are initially recognized as deferred revenue and subsequently recognized as revenue when the related tangible capital assets are recognized as acquired or built.

DEHCHO DIVISIONAL EDUCATION COUNCIL

Notes to the Consolidated Financial Statements

June 30, 2017

Note 2. Summary of Significant Accounting Policies (continued)

(f) Revenue Recognition - (Continued)

GNWT – Regular Contributions:

The regular contributions from the GNWT are determined by a funding formula and are received in monthly installments. The Education Body retains surpluses and is responsible for deficits. Any funding requests, over and above those levels provided by the formula, must be first approved by the GNWT.

Other Contributions:

The Education Body follows the deferral method of accounting for other contributions. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred.

Deferred Revenue:

Deferred revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenue when the eligible expenditures are incurred.

Investment Income:

Investment income is recognized when received or receivable, if the amount can be reasonably estimated

(g) Budget Data

The Education Act of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 128 and 129.

The priorities and funding allocations are determined by the Board of Trustees of each Education Body and the budget is legally adopted by a motion of the Board in accordance with Section 135(3) of the Education Act.

Board approved budgets are submitted to the Minister of Education, Culture and Employment for final approval as directed by Sections 117(2) k, l and m of the Education Act.

This annual budget includes estimates of revenues, expenditures and the net operating surplus (deficit). Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Education Body.

The budget may be amended within a given fiscal year in accordance with Education Body policy, regulations and approved budget procedures. The budget data presented in the consolidated financial statements reflects the Minister approved budget for the school year.

DEHCHO DIVISIONAL EDUCATION COUNCIL

Notes to the Consolidated Financial Statements

June 30, 2017

Note 2. Summary of Significant Accounting Policies (continued)

(h) Measurement Uncertainty

The preparation of these consolidated financial statements in conformity with Canadian Public Sector Accounting Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue and expenses during the period. Actual results could differ from these estimates.

(i) Inventories Including Materials and Supplies

Inventories of books, materials, supplies and other expendables purchased by the Education Body are treated as expenditures during the year of acquisition and are not recorded on the statement of financial position.

(j) Payroll Liabilities

According to the Northwest Territories Teachers Association (NWTTA) and GNWT Collective Agreement, teaching staff have their salary issued by the GNWT bi-weekly pay system. NWTTA staff will have earned their annual salary by June 30th which provides for continued payment during the summer. GNWT Payroll for NWTTA starts with the annualized salary commitment for compensation and then allocates the complete payout of that value over the number of pay periods between August 1 and July 31. Pay periods falling in July are therefore accrued.

The duties and compensation base for UNW School Year employees are scheduled to align with the academic year although actual start dates and durations vary by specific location and job function. Accordingly, the Education Body determines the start dates of their UNW employees and accrues the related payroll liability as appropriate.

All other staff are accrued to include earnings to June 30.

(k) Post-employment Benefits, Compensated Absences and Termination Benefits

Under the terms and conditions of employment, education board employees may earn non-pension benefits for resignation, retirement and removal costs. Eligible employees earn benefits based on years of service to a maximum entitlement based on terms of employment. Eligibility is based on a variety of factors including place of hire, date employment commenced, and reasons for termination. Benefit entitlements are paid upon resignation, retirement or death of an employees. The expected cost of providing these benefits is recognized as employees render services. Termination benefits are recorded when employees are identified for lay-off. Compensated absences include sick, special, parental and maternity leave. Accumulating non-vesting sick and special leave are recognized in the period the employee provides services, whereas parental and maternity leave are event driven and are recognized when the leave commences. An actuarial valuation of the cost of these benefits (except maternal and parental leave) has been prepared using data provided by management and assumptions based on management's best estimates.

(l) Special Purpose Funds

School activity funds which are fully controlled by the Education Body with respect to when and how the funds available can be disbursed are included. The funds reported are internally restricted as to purpose and may include the proceeds of fundraising, contributions or fees paid related to a specific planned benefits.

Student activity funds which are controlled by students or parties other than the Education Body are not included even if custody of the funds is held by the Education Body.

Notes to the Consolidated Financial Statements

June 30, 2017

Note 3. Future Accounting Changes

Financial Instruments - Section PS 3450

PSAB has implemented changes to Section PS 3450, Financial Instruments that outlines offsetting of financial assets and financial liabilities and the valuation of investments to be measured at fair value. These changes are to be applied on a go forward basis for all fiscal years beginning on or after April 1, 2019. The impact of the transition to these changes has not yet been determined.

Inter-Entity Transactions - Section PS 3420

PSAB approved Section PS 3420, Inter-Entity Transactions. This section establishes standards on how to account for and report transactions between public sector entities that comprise a government's reporting entity from both a provider and recipient perspective. The new standard is effective for fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. Management is currently assessing the impact of the standard.

Student Activity/Fiduciary Funds Policy

Student Activity/Fiduciary funds policy is currently under review by the GNWT - ECE for possible inclusion in Special Purpose Funds. At this time no formal directive has been released and, therefore management is unable to determine any impact that may exist on the financial statements.

Note 14. Capital Lease Obligations - Nil Report

Note 15. Pension - Not Applicable

Note 16. Long-term Debt - Nil Report

Note 17. Post-employment Benefits, Compensated Absences and Termination Benefits

The Education Body provides severance (resignation and retirement), removal and compensated absence (sick, special maternity and parental leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a deficit equal to the accrued post-employment benefits obligation.

Severance benefits are paid to the employees based on the types of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment, and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being location of hire, employee category and length of service. The benefits under these two categories were valued by an external actuarial with the GNWT payroll valuations using the expected utilization methodology.

Compensated absence benefits generally accrue as employees render services and are paid upon the occurrence of an event resulting in eligibility for the benefits. Events include, but are not limited to employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under the compensated absence benefits were valued by an external actuarial with the GNWT payroll valuations using the expected utilization methodology.

Leave includes annual and lieu time for all staff (UNW, Excluded, Senior Management, Contract) which consists of leave banks, leave accruals and leave payouts due.

Costs are to include those for contracted non-public servant employees (including Superintendents)

These liabilities are to be funded in the year they become due through regular annual budget allocation.

DEHCHO DIVISIONAL EDUCATION COUNCIL

Notes to the Consolidated Financial Statements

June 30, 2017

Note 17. Post-employment Benefits, Compensated Absences and Termination Benefits (continued)

Change in Estimate

During the year ended June 30, 2016, the method for calculating other employee future benefits and compensated absences was refined to better reflect the probability that these benefits would be used in the future based on past experiences. This change in accounting estimate is being accounted for on a prospective basis starting July 1, 2016 based on the actuarial valuation where the prior year was calculated based on an expectation formula determined by management.

Valuation Results

The actuarial valuation as at June 30, 2017 as extrapolated from the last actuarial valuation that was completed on March 31, 2017. The effective date of the next actuarial valuation is March 31, 2018. The values presented below are for all of the benefits under the Compensated Absences and Terminations Benefits for the consolidated Government.

	Severance and removal	Compensated Absences	2017	2016 Restated
Changes in Obligation				
Accrued benefit obligations beginning of the year	\$ 1,313,103	\$ 181,865	\$ 1,494,968	\$ 2,533,301
Current period benefit cost	53,899	13,205	67,104	327,386
Interest accrued	35,551	5,301	40,852	60,160
Benefits payments	(213,998)	(58,850)	(272,848)	(523,496)
Plan amendments	-	-	-	-
Actuarial (gain)/loss	79,945	103,989	183,934	(902,383)
Accrued benefit obligation, end of year	1,268,500	245,510	1,514,010	1,494,968
Unamortized net actuarial gain	630,488	(16,967)	613,521	902,383
Net future obligation	\$ 1,898,988	\$ 228,543	\$ 2,127,531	\$ 2,397,351
Benefits Expense				
Current period benefit cost	53,899	13,205	67,104	327,386
Interest cost	35,551	5,301	40,852	60,160
Plan amendments	-	-	-	-
Amortization of actuarial gains	(93,478)	(11,450)	(104,928)	-
	(4,028)	7,056	3,028	387,546

The discount rate used to determine the accrued benefit obligation is an average of 3.3%. No inflation rate was applied. The expected payments during the next five fiscal years are:

	Severance and removal	Compensated Absences	2017
2018	\$ 479,940	\$ 73,250	\$ 553,190
2019	194,361	33,373	227,734
2020	131,631	28,203	159,834
2021	112,997	27,752	140,749
2022	109,441	26,813	136,254
	\$ 1,028,370	\$ 189,391	\$ 1,217,761

DEHCHO DIVISIONAL EDUCATION COUNCIL

Notes to the Consolidated Financial Statements

June 30, 2017

Note 17. Post-employment Benefits, Compensated Absences and Termination Benefits (continued)

Prior Period Adjustment

In the prior year, the post-employment benefits liability was recorded as the accrued benefit obligation from the actuaries report. This represents a departure from Canadian public sector accounting principles because it does not include the unamortized net actuarial (gain)/loss. The correct treatment is to record the accrued benefit liability which consists of the accrued benefit obligation plus the unamortized net actuarial (gain)/loss. This has resulted in the understatement of post-employment benefits, and salaries and the overstatement of accumulated surplus by \$902,383. The balances have been adjusted retrospectively.

Note 18. Trust Assets and Liabilities under Administration

Superintendent's Association Fund: The balance is held on behalf of the Superintendent's Association. The fund increases by dues paid by Superintendents and funds are spent at the discretion of the Association.

Steve Rowan Memorial Scholarship Fund: The balance is held to provide scholarships to qualifying students.

Mercedes Benz Scholarship Fund: The balance is held to provide scholarships to qualifying students.

		\$ 184,726	\$ 99,903	\$ 284,629

* Refers to the last fiscal year of all agreements in that line category

Note 25. Contingencies - Nil Report

Note 26. Related Parties

The Education Body is related in terms of common ownership to all GNWT created departments, agencies and corporations. The Education Body enters into transactions with these entities in the normal course of operations. The Education Body is provided with various administrative services by the GNWT, the value of which is not reflected in these financial statements. The administrative costs include legal services by the Department of Justice, insurance coverage by the Department of Finance, payroll services by the Department of Human Resources, internal audit services by the Department of Finance, and utility and maintenance by Public Works and Services.

Transactions with related parties and balances at year-end not disclosed elsewhere in the financial statements are disclosed in this note:

Note 27. Budget

The Education Act of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Education Body which may or may not include the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation, of the Education Act.

The annual budget includes estimates of revenues and expenditures for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Education Body.

The budget figures presented are those approved by the Minister of Education, Culture and Employment on August 8, 2016 and have not been audited.

Note 28. Economic Dependence

The Dehcho District Education Council received its funding primarily from the GNWT. If the funding arrangements were to change management is of the opinion that Dehcho District Education Council operations would be significantly affected.

DEHCHO DIVISIONAL EDUCATION COUNCIL

Notes to the Consolidated Financial Statements

June 30, 2017

Note 29. Financial Instruments

The Education Body is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Education Body's risk exposure and concentration as of June 30, 2017.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Education Body has little exposure to credit risk as the majority of its revenues originate from government sources with strong credit worthiness.

Liquidity

Liquidity risk is the risk the Education Body will not be able to meet its obligations as they come due. The Education Body meets its liquidity requirements by preparing detailed cash budgets and having cash available on hand to meet its obligations.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is composed of currency risk, interest rate risk and other price risk.

Currency risk

The Education Body deals exclusively in Canadian funds and therefore has no currency risk.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in interest rates. The Education Body minimizes risk through its normal operating and financing activities and maintains cash in a general bank account with interest fixed at 1.0%.

Management Discussion and Analysis

Introduction

Dettah District Education Authority Administration:

Metro Huculak – Superintendent of Yellowknife Educational District #1
Lea Lamoureux – Principal of Kaw Tay Whee School
Sally Ann Drygeese - Administration/Educational Assistant

Current DEA Members:

Rebecca Plotner – Chairperson
James Sanderson – Vice-Chairperson
Beatrice Sangris – Member
Mary Laurie Tobie – Member
Tina Crookedhand – Member
Angela Lafferty – Member
Eileen Drygeese – Member

Acknowledgements:

The Dettah District Education Authority acknowledges the preparation of the Annual Management Discussion and Analysis as a go-forward responsibility of school management/administration and the Board Members to promote transparency and accountability.

Vision Statement:

“To create a safe learning environment where students can develop both academic and traditional skills as they become community leaders.”

Mission Statement:

“We believe in working together to create a thriving community through education, culture and pride.”

Core Strategies:

- Develop, build, and maintain strong and respectful working relationships between the Dettah District Education Authority and Kaw Tay Whee School management/administration and staff to best serve students and families
- Provide daily instruction in the Wiiliideh language and frequent opportunities for students to learn traditional ways of the community
- Recruit, train, and retain high quality, and highly qualified teaching and support staff to best serve current and future students
- Support school staff team to provide a whole-child educational experience and to provide a “wrap-around” services model to better support families in the community
- Actively engage in ensuring that students from the community from junior kindergarten to grade twelve attend and engage in educational opportunities; and work with extended families to promote the importance of school attendance and graduation
- Offer opportunities for pre-school aged children (0-5) to be involved in the wider life of the school to ease the transition when it is time for these children to register for school
- Support school management in their advocacy for services to be offered in the community school so as to ease challenges with system navigability; including but not limited to health services
- Plan for the future of a healthy thriving school and the possible provision of needed early intervention by networking and supporting new families and new parents

- Carefully ensure maximum fiscal responsibility to best meet the specific needs of students in out school
- Support school staff team in their quest to provide ample opportunities for students to have a wide variety of learning experiences so as to broaden their general knowledge base, and have a positive impact on personal health, well being, confidence, and strong personal cultural identity

Active Committees:

The Dettah District Education Authority has two main committees, comprised of the hiring committee and the finance committee. Each committee has two members, and the chairperson is also automatically added to each committee.

As a core value of the Dettah District Education Authority is collaboration and partnership with the school administration, the committees meet on an as-needed basis, and conduct business in collaboration with school management/administration.

School Staff Equivalents:

In 2016-2017, the FTE enrolment of Kaw Tay Whee School was 28.0 students from junior kindergarten to grade 9. The total enrolment of Dettah students in all schools up to grade 12 was 48.0.

The school was split into three classrooms to accommodate this number of grade levels and student needs. The Multi-Age-Grouped classrooms were grouped as junior kindergarten and kindergarten, grades one to three, grades three to five, and grades six to eight.

The school employed 3.0 full time teachers, 1.0 language teacher/EA, and 1.0 principal/PST/teacher.

When considering school population and staffing, it is important to note that the principal/PST/teacher position includes a variety of responsibilities, not normally required in this role, due to the unique position of the Dettah District Education Authority. The Dettah District Education Authority contracts superintendency services from Yellowknife Education District Number One.

- The DDEA is site-based-managed for funding, and is also independently audited. The day-to-day responsibilities and management of these tasks is part of the principal's job; as are any responsibilities that are designated to him/her by the DEA Chair.
- The principal is responsible for working with contractors, the GNWT, and many other bodies directly, as opposed to being filtered through school-board level coordinators. The principal is also responsible for the complete Operating Plan (Accountability Framework) and the Inclusive Schooling Compliance Tool.

Operating Environment

Strengths and Opportunities:

- Consistently positive working relationship between Dettah District Education Authority and Kaw Tay Whee School Staff; maximizing the potential for a positive learning environment for students and support for families
- An increase in the amount and quality of instruction in the local Wiiliideh language, by a caring, and qualified individual from the community
- An increase in grades offered over the past several years, to now encompass junior kindergarten to grade eight; therefore maximizing potential for students to access high quality learning in the home community, and ensuring that there are no barriers with transportation if a student is late. This year, the school has offered grade nine to students following IEPs.
- Over the past nine years, the school and school staff have received many accolades and awards; including the Prime Minister's Award for Teaching Excellence Certificate of Achievement, and a Canada's Outstanding Principal award; attesting to the change in student achievement, and attendance,
- The Dettah District Education Authority and school management have carefully managed funds to ensure that a small surplus is available for the future, should enrollment change due to moving or a low birth year

Challenges and Threats:

- This year our DEA encountered a large financial challenge as three of our staff accessed maternity and parental leave; this was unexpected and resulted in a large impact on our budget; as did hiring replacements for these staff members
- As in years past; due to large families moving away from Dettah, or a low birth year in the community, school enrollment can be volatile and unpredictable from year to year;

thus providing a challenge for the number of grades offered in one room, and in providing assistance for those students requiring one-on-one support. In order to minimize threat, as school funding changes, the DDEA has ensured a small surplus to attempt to maintain the integrity of school programming and staff allocations.

Financial Condition

The Authority's financial assets increased from \$444,509 to \$500,377. This year the net financial assets (financial assets less liabilities) were \$279,828 compared to \$193,657 in the prior year indicating a stronger financial position.

The Authority had an operating surplus of \$86,171 for the year compared to an operating deficit of \$160,265 in the prior year. The 2016-17 surplus can be attributed to the decrease in spending on wages and benefits due to two employees being on maternity leave as well as a reduction in transfer costs as there were fewer transfer students than in prior years. The accumulated surplus at year end is \$279,828.

Accounts payable and accrued liabilities have increased from \$41,650 to \$49,191 due to increased amounts owing on the Authority's VISA at year end.

The Yellowknife Education District #1 Payable decreased from \$208,260 to \$139,594. The decrease is due to the Authority having less staff on payroll in 2017 compared to the prior year as a result of the two employees on maternity leave.

Dettah DEA received 97% (2016 - 97%) of its funding from the GNWT. The core funding decreased from \$1,502,590 to \$1,373,283 in the current year. Other revenue in the current year mainly consists of donations from Dominion Diamond Corporation of \$25,000.

Summary and Outlook

Achievements and Successes:

- Students in need of speech support has continued to grow; yet students received one-on-one support on a daily basis to improve their skills
- School staff remained consistent; with over 50% of employees being employed at the school for five years or longer; with most staff on maternity leave or covering maternity leave returning for the 2017-2018 school year
- Attendance of community members and family members at school events continued to increase

Top Priority Challenges for the Coming Year:

- As in years past, due to a high number of families moving out of Dettah, and several students beginning grade 9, student enrollment is projected to potentially decrease for the 2017-2018 school year; thus potentially having a financial impact on the funding allocations for the 2018-2019 school year
- In order to minimize the impact on school programming, and experiences, school management will continue to work with outside stakeholders and partners to provide opportunities for students without impacting current allocations

Management's Responsibility for Financial Reporting

To the Minister of Education, Culture and Employment
Government of Northwest Territories

and

To the Members of Dettah District Education Authority

The Management Discussion and Analysis, Consolidated Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of Dettah District Education Authority (the "Authority") in all material respects and in accordance with Canadian public sector accounting standards (CPSAS) as well as the Financial Administration Manual (FAM) and the Financial Administration Manual for Education Authorities (FAMEA) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of the Authority have been conducted within the statutory powers of the Education Body. The operations and administration of the Education Body as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the *Education Act*, *Financial Administration Act*, CPSAS, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Education Body Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation except payroll paid by Yellowknife Education District #1. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture, and Employment (ECE) of the Government of the Northwest Territories.

Independent Auditors' Report

**To the Minister of Education, Culture and Employment
Government of Northwest Territories
and
To the Members of Dettah District Education Authority**

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Dettah District Education Authority (the "Authority") which comprise the consolidated statement of financial position as at June 30, 2017 and the consolidated statements of operations, changes in net financial assets, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal controls as management determines are necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Authority's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Independent Auditors' Report (continued)

Basis for Qualified Opinion

The Yellowknife Education District #1 is responsible for the calculation and distribution of the salaries and wages to indeterminate and term employees. Our audit scope was limited, as we did not audit the components of wages and salaries expenditures. Accordingly, we are not able to determine whether any adjustments might be necessary to wages and salaries expenditures, liabilities and net financial assets.

Qualified Opinion

In our opinion, except for the effects of adjustments, if any, of the matter described in the Basis for Qualified Opinion paragraph, these consolidated financial statements present fairly, in all material respects, the financial position of the Authority as at June 30, 2017, and the results of its operations, changes in net financial assets and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Report on Other Legal and Regulatory Requirements

We report further, in accordance with the *Financial Administration Act*, in our opinion, proper books of account have been kept by the Authority, the financial statements are in agreement herewith, and the transactions that have come under our notice have, in all significant aspects, been within the statutory powers of the Authority.

Dettah District Education Authority

Notes to Consolidated Financial Statements

June 30, 2017

1. Nature of Operations

The Dettah District Education Authority (the "Authority") was established under the *Education Act* of the Government of the Northwest Territories ("GNWT") by order of the Minister dated February 12, 2004. Its purpose is to administer and maintain the standards of educational programs in Dettah as defined under the Act. A full range of instructional programs ranging from kindergarten through grade 12 is offered by the Authority.

The Authority is an independent legal and accounting entity with an elected Board of Trustees as stipulated in Section 82 of the *Education Act*. The Board of Trustees has decision making authority, the power to delegate authority, the ability to significantly influence operations and the sole accountability for all fiscal matters.

Section 81 of the *Education Act* outlines the powers of a Board of Education which for the Authority includes all aspects of operation and management. The Authority is the lowest (and sole) level of government exercising oversight responsibility.

The Authority is a public body performing a function of government in Canada. Paragraph 149(1)(c) of the *Income Tax Act* provides that a public body performing the function of government in Canada is exempt from taxation.

2. Significant Accounting Policies

(a) Basis of accounting

The consolidated financial statements of the the Authority have been prepared in accordance with Canadian public sector accounting standards. The consolidated financial statements have, in the management's opinion, been properly prepared within reasonable limits of materiality.

The basis of accounting refers to the timing of when revenue and expenditure items are recognized in the accounts and reported in the consolidated financial statements. The accrual basis of accounting is utilized for all funds. Under the basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

(b) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques.

Dettah District Education Authority

Notes to Consolidated Financial Statements

June 30, 2017

2. Significant Accounting Policies (continued)

(c) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arms's length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently measured at its fair value, the initial fair value is adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

Financial assets measured at amortized cost include cash and cash equivalents.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities, payroll liabilities and amounts due to Yellowknife Education District #1.

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, to a maximum of the related accumulated impairment charges recorded in respect of the particular asset is recognized in operations.

(d) Non-financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the change in net financial assets for the year.

(e) Tangible capital assets

The Authority does not carry any tangible capital assets. All tangible capital assets used by the Authority are purchased by and remain the property of the GNWT. The Minister grants to the Education Body the full occupancy and use of such facilities and equipment where required for the administration and delivery of education system programs. Tangible capital assets with a value in excess of \$50,000 are recorded at cost and amortized in accordance with the Financial Administration Manual guidelines by the GNWT. Tangible capital assets with a value of less than \$50,000 are recorded as a current expenditure.

Dettah District Education Authority

Notes to Consolidated Financial Statements

June 30, 2017

2. Significant Accounting Policies (continued)

(f) Revenue Recognition

Government transfers

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

GNWT regular contributions

The regular contributions from the GNWT is determined by a funding formula, based on student enrolment and price and volume fluctuation, and is received in monthly installments. The Authority retains surpluses and is responsible for deficits. Any funding requests, over and above those levels provided by the formula, must be first approved by the GNWT. The contribution revenue is recognized when received or receivable.

Other contributions

The Authority follows the deferral method of accounting for contributions from funding arrangements. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred.

Other revenue is recorded as the service is provided and receipt is reasonably assured.

Deferred revenue

Deferred revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenue when the eligible expenditures are incurred.

Investment income

Investment income is recognized when received or receivable, if the amount can be reasonably estimated.

Donations

Donations are recognized in the period they are received.

Dettah District Education Authority

Notes to Consolidated Financial Statements

June 30, 2017

2. Significant Accounting Policies (continued)

(g) Budget Data

The *Education Act* of the Northwest Territories requires that Boards of Education prepare an annual budget, as outlined in Section 128 and 129.

The priorities and funding allocations are determined by the Board of Trustees of the Authority and the budget is legally adopted by a motion of the Board in accordance with Section 135(3) of the *Education Act*.

Board approved budgets are submitted to the Minister of Education, Culture, and Employment for final approval as directed by Sections 117(2) k, l and m of the *Education Act*.

This annual budget includes estimates of revenue and expenditures and the net operating surplus (deficit). Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Authority.

The budget may be amended within a given fiscal year in accordance with the Authority's policy, regulations and approved budget procedures. The budget data presented in the financial statements reflects the Minister approved budget for the school year. The budget has not been audited.

(h) Measurement Uncertainty

The preparation of these consolidated financial statements in conformity with Canadian public sector accounting standards, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the amounts of revenue and expenses during the period. Actual results could differ from these estimates.

(i) Inventories Including Materials and Supplies

Inventories of books, materials, supplies and other expendables purchased by the Authority are treated as expenditures during the year of acquisition and are not recorded on the statement of financial position.

(j) Payroll Liabilities

Teacher payrolls for July and August are accrued.

Dettah District Education Authority

Notes to Consolidated Financial Statements

June 30, 2017

2. Significant Accounting Policies (continued)

(k) Post-employment Benefits, Compensated Absences and Termination Benefits

Under the terms and conditions of employment, education board employees may earn non-pension benefits for resignation, retirement and removal costs. Eligible employees earn benefits based on years of service to a maximum entitlement based on terms of employment. Eligibility is based on a variety of factors including place of hire, date employment commenced, and reason for termination. Benefit entitlements are paid upon resignation, retirement or death of an employee. The expected cost of providing these benefits is recognized as employees render service. Termination benefits are also recorded when employees are identified for lay-off. Compensated absences include sick, special, parental and maternity leave. Accumulating non-vesting sick and special leave are recognized in the period the employee provides service, whereas parental and maternity leave are event driven and are recognized when the leave commences. An actuarial valuation of the cost of these benefits (except maternal and parental leave) has been prepared using data provided by management and assumption based on management's best estimates.

(l) Special Purpose Funds

School activity funds which are fully controlled by the Authority with respect to when and how the funds available can be disbursed are included. The funds reported are internally restricted as to purpose and may include the proceeds of fundraising, contributions or fees paid related to a specific planned benefit. Examples might include planned student trips or funds specifically designated for the purchase of equipment or materials required to support an activity.

Student activity funds which are controlled by students or parties other than the Authority are not included even if custody of the funds is held by the Authority. Examples of excluded funds might be student clubs or associations for which the Authority has no ongoing responsibility of liability for losses.

3. Future Accounting Changes

Related Party Disclosures, Section PS 2200

This new Section defines a related party and establishes disclosures required for related party transactions.

This Section applies to fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. The impact of the transition to these accounting standards is being reviewed by management.

Inter-entity transactions, Section PS 3420

This new Section establishes standards on how to account for and report transactions between public sector entities that comprise a government's reporting entity from both a provider and recipient perspective.

This Section applies to fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. The impact of the transition to these accounting standards is being reviewed by management.

Dettah District Education Authority

Notes to Consolidated Financial Statements

June 30, 2017

3. Future Accounting Changes (continued)

Assets, Section PS 3210

This new Section provides guidance for applying the definition of assets and establishes general disclosure standards for assets. Disclosure information about the major categories of assets that are not recognized is required.

This Section applies to fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. The impact of the transition to these accounting standards is being reviewed by management.

Contingent Assets, Section PS 3320

This new Section defines and establishes disclosure on contingent assets. Disclosure of information about contingent assets is required when the occurrence of the confirming future event is likely.

This Section applies to fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. The impact of the transition to these accounting standards is being reviewed by management.

Contractual Rights, Section PS 3380

This new Section defines and establishes disclosure standards on contractual rights. Disclosure of the nature, extent, and timing or any contractual rights is required.

This Section applies to fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. The impact of the transition to these accounting standards is being reviewed by management.

Financial Instruments, Section PS 3450 and related amendments to Financial Statement Presentation, Section PS 1200

This standard will establish how to account for and report all types of financial instruments including derivatives. Financial instruments include primary instruments and derivative financial instruments. Governments should adopt Section PS 3450 in the same fiscal year Section PS 2601, Foreign Currency Translation, is adopted.

This Section is effective for fiscal periods beginning on or after April 1, 2019. Earlier adoption is permitted. The impact of the transition to these accounting standards is being reviewed by management.

Restructuring Transactions, Section PS 3430

This new Section establishes standards on how to record assets, liabilities, revenues and expenses related to restructuring transactions as well as disclosure requirements for the recipient and transferor.

This Section applies to fiscal years beginning on or after April 1, 2018. Earlier adoption is permitted. The impact of the transition to these accounting standards is being reviewed by management.

Student Activity Funds

Under direction from the Government of Northwest Territories - Department of Education, Culture and Employment, student funds may be required to be reported on the consolidated financial statements of the Authority in the future.

Dettah District Education Authority**Notes to Consolidated Financial Statements**

June 30, 2017

4. Cash and Cash Equivalents

	2017	2016
Cash and cash equivalents	\$ 500,377	\$ 444,509

5. Special Purpose Funds

The Authority does not have special purpose funds.

6. Restricted Assets

The Authority does not have restricted assets.

7. Portfolio Investments

The Authority does not have any portfolio investments.

8. Accounts Receivable

The Authority does not have any accounts receivable.

9. Inventory

The Authority does not record inventory as per note 2(i).

10. Accounts Payable and accrued liabilities

	2017	2016
Trade	\$ 49,191	\$ 41,650
Payroll liabilities	3,082	943
	\$ 52,273	\$ 42,593

Dettah District Education Authority

Notes to Consolidated Financial Statements

June 30, 2017

11. Deferred Revenue

The Authority does not have any deferred revenue.

12. Contributions Repayable

The Authority does not have any contributions repayable.

13. Due From and To the Government of Canada

The Authority does not have amounts due from and due to the Government of Canada.

14. Capital Lease Obligations

The Authority does not have capital lease obligations.

15. Pensions

The Authority makes contributions to the Northern Employee Benefits (NEBS) Pension Plan, which is a multi-employer plan, on behalf of some members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

The amount contributed to the NEBS pension was \$79,256. The contributions are calculated at a rate of 8% of earning and allowances employee and employer contribution for a total of 16%. The maximum pensionable earnings is \$165,077 for January 2017, and \$163,715 for January 2016. The maximum monthly contributions is \$2,914 for January 2017, and \$2,182 for January 2016.

NEBS is an employer owned program and as such the Authority will be liable for its portion of any shortfall. The Plan serves 2,600 Employee Members and 99 Employer Members (total active, disabled and on leave 1542).

As of January 1, 2017, the excess (deficiency) of actuarial value of net assets over actuarial present value of defined benefits is estimated to be \$18,500,000 - funded ratio 111% (2016 - \$12,500,000 and 109%) on a going concern valuation basis. The Plan had a solvency ratio deficiency of \$102,495,300 and a solvency ratio of 64%. Solvency is calculated for the purposes of determining obligations only in the event of a plan wrap up. Any potential deficiency in termination payments is guaranteed to be paid over the next 10 years or less, depending on the position of the fund. For the period ending December 31, 2016, the NEBS Pension plan had an accumulated surplus of \$25,121,532.

As of April 2004, the OSFI has exempted NEBS from compliance with the Pension Benefits Standards Act (PBSA). On April 2015, the Legislative Assembly passed The Northern Employee Benefits Act (Bill 12) which was enacted October 1, 2015. NEBS is now operating under Bill 12.

16. Long-Term Debt

The Authority does not have long-term debt.

Dettah District Education Authority

Notes to Consolidated Financial Statements

June 30, 2017

17. Other employee future benefits and compensated absences

In addition to the pension benefits, the Authority provides severance (resignation and retirement), removal and compensated absence (sick, special, maternity and parental leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation.

Severance benefits are paid to the Authority's employees based on the type of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being employee category and length of service. The benefits under these two categories were valued using the projected unit credit methodology.

Compensated absence benefits for all staff are accrued as employee render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under compensated absence benefits were actuarially valued using the expected utilization methodology.

Valuation results

The actuarial valuation was completed as at March 31, 2017. The effective date of the next actuarial valuation is March 31, 2018. The liabilities are actuarially determined as the present value of the accrued benefits at March 31, 2017 and the results extrapolated to June 30, 2017. The values presented below are for all of the benefits under the Compensated Absences and Termination Benefits for the Authority.

	Severance and Removal	Compensated absences	2017
Changes in Obligations			
Accrued benefit obligations	\$ 16,282	\$ 5,976	\$ 22,258

27. Budget Data

The *Education Act* of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Education Authority which includes the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation of the *Education Act*.

The annual budget includes estimates of revenue and expenditures for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Authority.

The budget figures presented are those approved by the Trustees of the Authority on **December 8, 2016** and have not been audited.

Dettah District Education Authority

Notes to Consolidated Financial Statements

June 30, 2017

28. Economic Dependence

The Authority receives its funding primarily from the GNWT. If the funding arrangements were to change management is of the opinion that the Authority's operations would be significantly affected.

29. Financial Instruments

The Authority is exposed to credit and liquidity risks from its financial instruments. Qualitative and quantitative analysis of the significant risks from the Authority's financial instruments is provided by type of risk below. The Authority is exposed to credit and liquidity risks from the its financial instruments. Qualitative and quantitative analysis of the significant risks from the Authority's financial instruments is provided by type of risk below.

a) Credit risk

Credit risk is the risk of financial loss to the Authority if a debtor fails to make payments of interest and principal when due. The Authority is exposed to this risk relating to its cash and cash equivalents. The Authority holds its cash and cash equivalents in accounts with federally regulated chartered banks who are insured by the Canadian Deposit Insurance Corporation. In the event of default, the Authority's cash in accounts are insured up to \$100,000.

The Authority's maximum exposure to credit risk is represented by the financial assets balance for a total of \$500,377 (2016 - \$444,509).

b) Liquidity risk

Liquidity risk is the risk that the Authority will not be able to meet all cash outflow obligations as they come due. The Authority mitigates this risk by monitoring cash activities and expected outflows through budgeting and maintaining an adequate amount of cash to cover unexpected cash outflows should they arise.

The Authority's maximum exposure to liquidity risk is represented by accounts payable and accrued liabilities, payroll liabilities and amounts due to Yellowknife Education District #1 for a total \$191,867 (2016 - \$250,853).

The financial assets including cash and cash equivalents. The financial liabilities including accounts payable and accrued liabilities, payroll liabilities and amounts due to Yellowknife Education District #1 mature within 6 months.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures, and methods used to measure the risk.

**Management Discussion and Analysis
K'alemi Dene School
2016-17 School Year**

Introduction

This Management Discussion and Analysis is prepared for the Ndilo District Education Authority (NDEA) to promote transparency and accountability.

The current NDEA board members are (May 2016 to May 2019):

Lila Erasmus	Chairperson
Rose Black	Vice Chairperson
Cecilie Beaulieu	Trustee
Muriel Betsina	Trustee
George Goulet	Trustee
Nyra Mackenzie	Trustee
Vacant Position	Trustee

The NDEA as a whole sits as the financial committee. The finances of the NDEA are managed and reviewed by the K'alemi Dene School (KDS) principal then sent to Crowe McKay for processing.

The NDEA contracts Metro Huculak, Yellowknife Education District No. 1's (YK1) Superintendent, to provide Superintendent services for KDS. All of the teaching staff, including teachers and educational assistants are employees of YK1. Superintendent Huculak's contract expired at the end of the 2016-17 school year. The NDEA will review the contract in September 2017.

Non-instructional staff are employees of the Yellowknives Dene First Nation (YKDFN).

During the 2016-17 school year, KDS was funded for 115 Full Time Enrolments (FTE) from Junior Kindergarten through Grade 12.

Operating Environment

Strengths – We are a small community school that serves students from Junior Kindergarten to Grade 12. We have a comprehensive culture program that includes a school Elder, Language Instructor and Indigenous Culture Coordinator. Students participate in twice weekly Willìideh Yatì classes. As well, students have many opportunities to participate in culture experiences based on the seasonal Dene calendar such as: overnight canoe trips, trapping camps, berry picking and fishing with a net.

Weakness – As identified by the Early Development Instrument (<https://edi.offordcentre.com>), many of our students are beginning school with vulnerability in their development. This affects children's overall development including language and communication development, gross and fine motor skills and social-

emotional skills. All of the areas must be taken into consideration when planning for academic success.

As well, with an enrolment of 115 students, we are transporting just under 50% of our student population to KDS from Yellowknife. This proves challenging with the limited transportation budget provided by the Department of Education, Culture and Employment.

Opportunities – A number of opportunities are available including the possibility of providing daycare services, trades opportunities and dual credit arrangements.

Threats – Lack of sufficient space hinders opportunity for growth. In recent year we have renovated the activity room and computer room to make space for additional classrooms as our student population increases.

There are also a number of poverty, addictions and mental illness challenges facing our students and families. It is critical that interagency partnerships are established so that proactive support can be provided.

Financial Condition

The NDEA is currently managing a surplus. The surplus is being used for a number of initiatives to enhance literacy learning at KDS. It has also been used to enhance the playground.

The NDEA will sign a contract with YKDFN to provide financial and human resources support.

Summary and Outlook

Achievement & Success

Using our surplus funds, KDS hired a Literacy Coach for two school years. This position provided job embedded, professional development for teachers from Junior Kindergarten to Grade four. Our Literacy Coach also provided one-on-one reading support to our struggles readers.

The NDEA also used surplus funds to develop the outdoor play space in front of KDS. In 2016-17, work was started to create a fenced futsal field. This field gives KDS increase activity space and opportunities for physical development. The work will finish in 2017-18.

Challenges

Our school continues to operate at a high utilization rate. We lack the space for additional classrooms to provide additional services. For example, there is not a large enough space for our entire student population to gather for assemblies and other large functions. As well, we struggle to offer counseling and health services because we lack the confidential break out space.

YKDFN generously allows the school the use of the community gymnasium for physical education, which is not attached to the school. Unfortunately this gymnasium is small and is not meant for older students and large classes. It greatly affects the level physical activity that we are able to offer and it hinders students' physical development. Some of our Ndilo families choose to send their children to "uptown" schools for the physical education options that are available.

The NDEA has requested a meeting with the Dettah District Education Authority, however they have not responded to the request.

Sincerely,

Metro Huculak
Superintendent

Cc: Eileen Erasmus

Management Responsibility for Financial Reporting

**To the Minister of Education, Culture and Employment
Government of Northwest Territories**

Management's Responsibility for Financial Reporting with respect to the school year ended June 30, 2017

The Management Discussion and Analysis, Consolidated Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of K'alemi Dene School ("the Authority") in all material respects and in accordance with Canadian Public Sector Accounting Standards (CPSAS) as well as the Financial Administration Manual (FAM) and the Financial Administration Manual for Education Authorities (FAMEA) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of the Authority have been conducted within the statutory powers of the Authority. The operations and administration of the Authority as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the *Education Act*, *Financial Administration Act*, CPSAS, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Authority's Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture, and Employment (ECE) of the Government of the Northwest Territories.

Approved and confirmed on behalf of the Authority

 **Superintendent**
Metro Huculak

September 15, 2017

Independent Auditors' Report

To the Minister of Education, Culture and Employment Government of Northwest Territories and to the Members of K'alemi Dene School

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of K'alemi Dene School ("the Authority"), which comprise of the consolidated statement of financial position as at June 30, 2017, and the consolidated statements of operations, changes in net financial assets, and cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Authority's preparation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent Auditors' Report (continued)

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Authority as at June 30, 2017, and the results of its operations, changes in net financial assets and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Report on Other Legal and Regulatory Requirements

We report further, in accordance with the *Financial Administration Act*, in our opinion, proper books of account have been kept by the Authority, the consolidated financial statements are in agreement herewith, and the transactions that have come under our notice have, in all significant aspects, been within the statutory powers of the Authority.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

1. Nature of Operations

K'alemi Dene School ("the Authority") was established on June 25, 2013 under the *Education Act* of the Northwest Territories by order of the Minister. Its purpose is to administer and maintain the standards of educational programs in N'Dilo as defined under the Act. A full range of instructional programs ranging from kindergarten through grade 12 are offered by the Authority.

The Authority is an independent legal and accounting entity with an elected Board of Trustees as stipulated in Section 82 of the *Education Act*. The Board of Trustees has decision making authority, the power to delegate authority, the ability to significantly influence operations and the sole accountability for all fiscal matters.

The Authority is a public body performing a function of government in Canada. Paragraph 149(1)(c) of the *Income Tax Act* provides that a public body performing a function of government in Canada is exempt from taxation.

2. Significant Accounting Policies

(a) Basis of Accounting

These financial statements have been prepared in accordance with Canadian public sector accounting standards. The consolidated financial statements have, in management's opinion, been properly prepared with reasonable limits of materiality. The basis of accounting refers to the timing of when revenue and expenditure items are recognized in the accounts and reported in the consolidated financial statements. The accrual basis of accounting is utilized for all funds. Under the basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

(b) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques.

(c) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arms's length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently measured at its fair value, the initial fair value is adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

Financial assets subsequently measured at amortized cost include cash, accountable funds, due from the GNWT and other accounts receivable.

Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities, accrued salaries, deferred revenue, post-employment benefits and accountable funds.

Notes to Consolidated Financial Statements

June 30, 2017

2. Significant Accounting Policies (continued)

(c) Financial Instruments (continued)

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, to a maximum of the related accumulated impairment charges recorded in respect of the particular asset is recognized in operations.

(d) Non-Financial Assets

Prepaid expenses and other non-financial assets are accounted for as assets by the Education Authority because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the Education Authority.

(e) Tangible Capital Assets

All buildings and works, furniture, equipment and vehicles are the property of the GNWT. The Minister grants to the Authority full occupancy and use of such facilities and equipment required for the administration and delivery of the education programs within the community. Tangible capital assets with a value in excess of \$50,000 are recorded at cost and amortized in accordance with the Financial Administration Manual guidelines of the GNWT and they are not disclosed on the statement of financial position. Capital assets with a value of less than \$50,000 are recorded as a current expenditure.

(f) Revenue Recognition

Government Transfers

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

GNWT - Regular Contributions

The regular contributions from the GNWT are determined by a funding formula, based on student enrolment and price and volume fluctuation, and are received in monthly installments. The Authority retains surpluses and is responsible for deficits. Any funding requests, over and above those levels provided by the formula, must be first approved by the GNWT.

Notes to Consolidated Financial Statements

June 30, 2017

2. Significant Accounting Policies (continued)

(f) Revenue Recognition (continued)

Other Contributions

The Authority follows the deferral method of accounting for contributions from funding arrangements. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are deferred and recognized as revenue in the year in which the related expenses are incurred.

Other Revenue - Donations

Donations are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured.

Contributed Services

The Authority receives cleaning and catering services provided by school volunteers. The fair value of these services is recognized as an expense and a corresponding revenue is recorded. The fair value of these services is \$43,781 (2016 - \$28,720).

The school bus used by the Authority is the property of the Yellowknives Dene First Nation. The fair value of the use of the bus is estimated to be equivalent to the cost of bus passes that the Authority would have had to purchase. As such a bus pass expense and corresponding revenue has been reported in the Consolidated Statement of Operations. The fair value of these services is \$21,500 (2016 - \$36,300).

(g) Budget Data

The *Education Act* of the Northwest Territories requires that Education Authorities prepare an annual budget, as outlined in Section 128 and 129.

The priorities and funding allocations are determined by the Board of Trustees at a special meeting called for the purposes of reviewing budget proposals, recommending changes, additions or deletions and adopting the proposed budget.

The budget is legally adopted by a motion of the Board of Trustees which also establishes a tax levy to support the approved budget in accordance with Section 135(3), Assessment and Taxation, of the *Education Act*.

Board approved budgets are submitted to the Minister of Education, Culture and Employment for final approval as directed by Sections 117 (2) k, l and m of the *Education Act*.

The annual budget includes estimates of revenue and expenditures and the net operating surplus (deficit). Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Authority.

The budget may be amended within a given fiscal year in accordance with Board policy, regulations and approved budget procedures. The budget data presented in the consolidated financial statements reflects the Minister approved budget for the school year.

Notes to Consolidated Financial Statements

June 30, 2017

2. Significant Accounting Policies (continued)

(h) Measurement Uncertainty

The preparation of these consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the amounts of revenue and expenses during the period. Actual results could differ from these estimates.

(i) Inventories Including Materials and Supplies

Inventories of books, materials, supplies and other expendables purchased by the Education Body are treated as expenditures during the year of acquisition and are not recorded on the statement of financial position.

(j) Payroll Liabilities

Teacher payrolls for July and August are accrued.

(k) Other Employee Future Benefits and Compensated Absences

Under the terms and conditions of employment, education board employees may earn non-pension benefits for resignation, retirement and removal costs. Eligible employees earn benefits based on years of service to a maximum entitlement based on terms of employment. Eligibility is based on a variety of factors including place of hire, date of employment commenced, and reason for termination. Benefit entitlements are paid upon resignation, retirement or death of an employee. The expected cost of providing these benefits is recognized as employees render service. Termination benefits are also recorded when employees are identified for lay-off. Compensated absences include sick, special, parental and maternity leave. Accumulating non-vesting sick and special leave are recognized in the period the employee provides service, whereas parental and maternity leave are event driven and are recognized when the leave commences. An actuarial valuation of the cost of these benefits (except maternal and parental leave) has been prepared using data provided by management and assumptions based on management's best estimates.

(l) Special Purpose Funds

School activity funds which are fully controlled by the Authority with respect to when and how the funds available can be disbursed are included. The funds reported are internally restricted as to purpose and may include the proceeds of fundraising, contributions or fees paid related to a specific planned benefit. Examples might include planned student trips or funds specifically designated for the purchase of equipment or materials required to support an activity.

Student activity funds which are controlled by students or parties other than the Authority are not included even if custody of the funds is held by the Authority. Examples of excluded funds might be student clubs or associations for which the Authority has no ongoing responsibility of liability for losses.

Notes to Consolidated Financial Statements

June 30, 2017

2. Significant Accounting Policies (continued)

(m) Donated Goods and Services

Volunteer time or donated services are recorded as revenue with offsetting expenditure at their fair values in the period received, when the services would otherwise be purchased and their fair values have been objectively determined.

GNWT Tangible Capital Assets Provided At No Cost

The school buildings occupied by the Authority are the property of the GNWT. The fair value of the use of the building is estimated to be equivalent to the current year amortization of the building as such a rent expense and corresponding grant in-kind has been reported in the Consolidated Statement of Operations.

(n) Net Financial Assets (Debt)

The Authority's financial statements are presented so as to highlight net financial assets (debt) as the measurement of financial position. The net financial assets (debt) of the Authority is determined by its financial assets less its liabilities. Net financial assets (debt) combined with non-financial assets comprises a second indicator of financial position, accumulated surplus.

(o) Liability for Contaminated Sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. A liability would be recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all the following criteria are met: an environmental standard exists; contamination exceeds the environmental standard; the Authority is directly responsible or accepts responsibility and a reasonable estimate of the amount can be made. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available as at June 30, 2017.

At each financial reporting date, management reviews the carrying amounts of the liability. Any revisions required to the amount previously recognized are accounted for in the period revisions are made. Management of the Authority has concluded that there is no contamination that exceeds environmental standards and as a result there are no liabilities for contaminated sites.

Notes to Consolidated Financial Statements

June 30, 2017

3. Future Accounting Changes

Related Party Disclosures, Section PS 2200

PSAB approved Section PS 2200, Related Party Disclosures. This Section is effective for fiscal periods beginning on or after April 1, 2017. Earlier adoption is permitted. This Section defines related parties and establishes disclosures required for related party transactions. It is expected that reasonable efforts would be made to identify related party transactions. This may involve adopting policies and procedures designed to ensure that these transactions are appropriately identified, measured and disclosed in the financial statements. Not all related party relationships or transactions occurring between related parties are required to be disclosed. Disclosure is generally required when related party transactions have occurred at a value different from that which would have been arrived at if the parties were unrelated. However, not all of these transactions are reportable under this Section. Only those transactions that have or could have a material financial effect on the financial statements are disclosed.

The impact of the transition to this accounting standard has not yet been determined.

Inter-entity transactions, Section PS 3420

PSAB approved Section PS 3420, Inter-entity Transactions. This Section is effective for fiscal periods beginning on or after April 1, 2017. Earlier adoption is permitted. This Section establishes standards on how to account for and report transactions between public sector entities that comprise a government's reporting entity from both a provider and recipient perspective. This section may be applied in conjunction with Related Party Disclosures, Section PS 2200.

The impact of the transition to this accounting standard has not yet been determined.

Assets, Section PS 3210

PSAB approved Section PS 3210, Assets. This Section is effective for fiscal periods beginning on or after April 1, 2017. Earlier adoption is permitted. This Section provides guidance on how to apply the definition of assets as set out in Section PS 1000, and establishes standards for disclosure of assets except certain specific types of assets, which are dealt with in other Sections.

The impact of the transition to this accounting standard has not yet been determined.

Contingent Assets, Section PS 3320

PSAB approved Section PS 3320, Contingent Assets. This Section is effective for fiscal periods beginning on or after April 1, 2017. Earlier adoption is permitted. This Section defines and establishes standards for disclosure of contingent assets except certain specific types of contingent assets.

The impact of the transition to this accounting standard has not yet been determined.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

3. Future Accounting Changes (continued)

Contractual Rights, Section PS 3380

PSAB approved Section PS 3380, Contractual Rights. This Section is effective for fiscal periods beginning on or after April 1, 2017. Earlier adoption is permitted. This Section defines and establishes standards for disclosure of rights to economic resources arising from contracts or agreements that will result in both an asset and revenue in the future except certain specific types of contractual rights.

The impact of the transition to this accounting standard has not yet been determined.

Student Activity Funds

Under direction from the Government of Northwest Territories - Department of Education, Culture and Employment, student funds may be required to be reported on the consolidated financial statements of the Authority in the future.

4. Cash and Cash Equivalents

Cash and cash equivalents represent cash held in a bank account with the Royal Bank of Canada (RBC).

5. Special Purpose Funds

The Authority does not have special purpose funds.

6. Restricted Assets

The Authority does not have restricted assets.

7. Portfolio Investments

The Authority has a \$66,500 one-year guaranteed investment certificate (GIC) with the Royal Bank of Canada (RBC). The GIC has an interest rate of 0.500% per annum and matures on December 14, 2017.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

8. Accounts Receivable

	Accounts Receivable 2017	Allowance 2017	Net 2017	Net 2016
Accounts receivable	\$ 500	\$ -	\$ 500	\$ (23,068)
Surplus due from Yellowknives Dene First Nation	-	-	-	133,721
	\$ 500	\$ -	\$ 500	\$ 110,653

9. Inventories

The Authority does not have inventories.

10. Accounts Payable

	2017	2016
Trades payable	\$ 74,362	\$ 2,753
Payroll Liabilities	623,740	984,402
	\$ 698,102	\$ 987,155

11. Deferred Revenue

The Authority does not have deferred revenue.

12. Contribution Repayable

The Authority does not have contribution repayable.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

13. Due from and (to) the Government of Canada

	2017	2016
Goods and Services Tax receivable	\$ 43,651	\$ 33,366

14. Capital Lease Obligations

The Authority does not have capital lease obligations.

15. Pensions

The Authority makes contributions to the Northern Employee Benefits (NEBS) Pension Plan, which is a multi-employer plan, on behalf of some members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

The amount contributed to the NEBS pension was \$260,336. The contributions are calculated at a rate of 8% of earning and allowances employee and employer contribution for a total of 16%. The maximum pensionable earnings is \$165,077 for January 2017, and \$163,715 for January 2016. The maximum monthly contributions is \$2,914 for January 2017, and \$2,182 for January 2016.

NEBS is an employer owned program and as such the Authority will be liable for its portion of any shortfall. The Plan serves 2,600 Employee Members and 99 Employer Members (total active, disabled and on leave 1,542).

As of January 1, 2017, the excess (deficiency) of actuarial value of net assets over actuarial present value of defined benefits is estimated to be \$18,500,000 - funded ratio 111% (2016 - \$12,500,000 and 109%) on a going concern valuation basis. The Plan had a solvency ratio deficiency of \$102,495,300 and a solvency ratio of 64%. Solvency is calculated for the purposes of determining obligations only in the event of a plan wrap up. Any potential deficiency in termination payments is guaranteed to be paid over the next 10 years or less, depending on the position of the fund. For the period ending December 31, 2016, the NEBS Pension plan had an accumulated surplus of \$25,121,532.

As of April 2004, the OSFI has exempted NEBS from compliance with the Pension Benefits Standards Act (PBSA). On April 2015, the Legislative Assembly passed The Northern Employee Benefits Act (Bill 12) which was enacted October 1, 2015. NEBS is now operating under Bill 12.

16. Long Term Debt

The Authority does not have long term debt.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

17. Post Employment Benefits

In addition to the pension benefits, the Authority provides severance (resignation and retirement), removal and compensated absence (sick, special, maternity and parental leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation.

Severance benefits are paid to the Authority's employees based on the type of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being employee category and length of service. The benefits under these two categories were valued using the projected unit credit methodology.

Compensated absence benefits for all staff are accrued as employee render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under compensated absence benefits were actuarially valued using the expected utilization methodology.

Valuation results

The actuarial valuation was completed as at March 31, 2017. The effective date of the next actuarial valuation is March 31, 2018. The liabilities are actuarially determined as the present value of the accrued benefits at March 31, 2017 and the results extrapolated to June 30, 2017. The values presented below are for all of the benefits under the Compensated Absences and Termination Benefits for the Authority.

	Severance and Removal	Compensated Absences	2017	2016
Changes in Obligation				
Accrued benefit obligation beginning of year	\$ 21,338	\$ 6,079	\$ 27,417	\$ -
Current service cost	3,251	708	3,959	-
Interest cost	758	214	972	-
Benefits paid	-	(174)	(174)	-
Actuarial (gain)/loss	3,797	315	4,112	-
Plan amendment	-	1,608	1,608	-
Accrued benefit obligation at end of year	29,144	8,750	37,894	-
Unamortized net actuarial loss/(gain)	(3,797)	(315)	(4,112)	-
Accrued benefit liability	\$ 25,347	\$ 8,435	\$ 33,782	\$ -

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

17. Post Employment Benefits (continued)

The discount rate used in the 2017 fiscal year to determine the accrued benefit obligation was an average of 3.3% (2016 - 3.2%). The expected payments during the next ten fiscal years are:

	Severance and Removal	Compensated Absences	Total
2018	\$ 2,235	\$ 219	\$ 2,454
2019	2,431	236	2,667
2020	2,964	477	3,441
2021	3,890	1,078	4,968
2022	4,072	998	5,070
2023-2027	18,704	4,467	23,171
	<u>\$ 34,296</u>	<u>\$ 7,475</u>	<u>\$ 41,771</u>

18. Trust Assets Under Administration

The Authority does not have trust assets under administration.

19. Tangible Capital Assets

The Authority does not have tangible capital assets.

20. Prepaid Expenses

	2017	2016
Vehicle licenses and insurance	\$ 4,892	\$ -

21. Accumulated Surplus/Deficit

A consolidated statement of accumulated surplus/deficit has been prepared and included in the Consolidated Statement of Financial Position.

22. Capital Advances

The Authority does not have capital advances.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

23. GNWT Tangible Capital Assets Provided At No Cost

	Cost	Accumulated Amortization	2017 Net Book Value	2016 Net Book Value
Buildings	\$ 9,066,125	\$ 1,699,898	\$ 7,366,227	\$ 7,592,880

Rent expense of \$226,653 (2016 - \$226,653) equal to current year amortization of the tangible capital assets was offset by a grant in-kind.

24. Contractual Obligations

The Authority has entered into agreements for, or is contractually committed to, the following expenses payable subsequent to June 30, 2017

	Expires in Fiscal Year	2018	2019	Total
Equipment lease	2019	\$ 9,056	\$ 6,792	\$ 15,848
Contract for superintendent services	2018	3,000	-	3,000
		\$ 12,056	\$ 6,792	\$ 18,848

25. Contingencies

As of the audit report date, the Authority does not have contingencies.

K'alemi Dene School
(Ndilo District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

26. Related Parties

The Authority is related in terms of common ownership to all GNWT created departments, agencies and corporations. The Authority enters into transactions with these entities in the normal course of business. The Authority is provided with various administrative services by the GNWT, the value of which is not reflected in these consolidated financial statements. The administrative costs include legal services by the Department of Justice, insurance coverage, payroll services and internal audit services by the Department of Finance, and utilities and maintenance by Public Works and Services. Transactions with related parties and balances at year-end not disclosed elsewhere in the consolidated financial statements are summarized in this note.

	2017	2016

Total expenses to related parties	\$ 1,855,545	\$ 1,946,622

27. Budget Data

The *Education Act* of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Education Body which includes the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation, of the *Education Act*.

The annual budget includes estimates of revenue and expenditures for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Authority.

The budget figures presented are those approved by the Trustees of the Authority on May 9, 2016 and have not been audited.

Notes to Consolidated Financial Statements

June 30, 2017

28. Economic Dependence

The Authority receives its funding primarily from the GNWT. If the funding arrangements were to change management is of the opinion that the Authority's operations would be significantly affected.

29. Financial Instruments

The Authority is exposed to credit and liquidity risks from its financial instruments. Qualitative and quantitative analysis of the significant risks from the Authority's financial instruments is provided by type of risk below. The Authority is exposed to credit and liquidity risks from the its financial instruments. Qualitative and quantitative analysis of the significant risks from the Authority's financial instruments is provided below by type of risk below.

a) Credit risk

Credit risk is the risk of financial loss to the Authority if a debtor fails to make payments of interest and principal when due. The Authority is exposed to this risk relating to its, cash and accounts receivable.

The Authority's maximum exposure to credit risk is represented by the financial assets balance for a total of \$1,418,537 (2016 - \$1,664,542).

There is a concentration of credit risk in cash as the majority of the deposits are held in one Canadian chartered bank and the balance is in excess of the insurable limit.

b) Liquidity risk

Liquidity risk is the risk that the Authority will not be able to meet all cash outflow obligations as they come due. The Authority mitigates this risk by monitoring cash activities and expected outflows through budgeting and maintaining an adequate amount of cash to cover unexpected cash outflows should they arise.

The Authority's maximum exposure to liquidity risk is represented by accounts payable and accrued liabilities, and payroll liabilities for a total of \$731,884 (2016 - \$987,155).

All of the Authority's financial assets and financial liabilities at June 30, 2017 mature within 6 months.

There have been no significant changes from the previous year in the exposure to risks or policies, procedures, and methods used to measure the risks.

Management Discussion and Analysis (MD&A)

Introduction

The Management's Discussion and Analysis (MD&A) of the Sahtu Divisional Education Council (SDEC) financial performance provides an overall review of the Board's financial activities for the fiscal year ended June 30th 2017. The intent of this discussion and analysis is to attest on a go-forward basis the responsibility of management and the Council Members to promote transparency and accountability. Readers should also review the notes to the financial statements and the financial statements to enhance their understanding of the Sahtu Divisional Education Council financial performance.

What is the SDEC?

The Sahtu Divisional Education Council (SDEC) is responsible, under the Education Act, for all K-12 education in the Sahtu region. There are five schools in the district. In each community, a locally elected District Education Authority (DEA) is responsible for education in that community. The District Education Council (DEC) is made up of one member from each DEA and one chairperson.

As per the Education Act of the Northwest Territories, the SDEC is responsible to provide quality education to the residents of the Sahtu region. It is our hope that by reading this document, members of our community will receive valuable information on the infrastructure of the education system in the North and become involved in their community government.

Mission

To provide excellent educational environments where students will have the opportunity to experience success and contribute to society.

Council of Trustees

Chairperson

Karea Peachy – Norman Wells

Vice-Chairperson

Sally Ann Horrassi – Tulita

Angela Grandjambe – Fort Good Hope

Mary Ann Vital – Deline

Vacant – Norman Wells

The management team of the SDEC comprised of the following;

Superintendent – Seamus Quigg

Assistant Superintendent – Renee Closs

Comptroller – Harry Cassie

Revenues

Expenditures by Program

Operating Trends Actual to Budget

Expenditures exceeded revenues for a deficit of (\$51k), (2016-\$91k surplus), compared to budgeted surplus of \$68k. This resulted in a surplus fund balance \$377k (2016-\$614k) as at June 30th 2017. Additional revenues of \$822k (2016-\$948k) was received resulted in additional expenses incurred compared to budget.

Revenues have been trending positively compared to budget as a result of additional revenue received during the year for new initiatives, this is consistent year over year.

Total Student/Teacher Population by Schools

Schools	Students	Teachers
Mackenzie Mountain – Norman Wells	144	11.00
Chief Albert Wright - Tulita	107	9.50
Chief T' Selehye – Fort Good Hope	152	10.00
Ehtseo Ayha – Deline	100	8.00
Coville Lake – Colville Lake	54	3.00
Totals	557	41.50

Operating Environment

Strengths

Our relatively small Central Office staff of nine have good working relationships and considerable longevity. The average length of time employed here is between nine and ten years.

Operational systems and procedures are in place, and because of our smaller size, we are very well represented on all territorial educational committees.

Long time staff at the board office, at the school turnover is relatively low, system and manuals in place and a reasonable surplus on hand.

Weakness

Shipping to the Sahtu region is challenging as we have no control over delivery times due to the limited methods of delivery over each season. The most economical way of shipping is via barge but this has been challenging with fewer barge due to lower than normal water levels. The alternative when this happens is to fly in supplies or wait for the winter road season.

Opportunities

There is always the need for additional funding. There is also the opportunity to explore program funding from other GNWT departments.

Threats

The community of Deline, Northwest Territories has ushered in a new era of their history, assuming self-government responsibilities on August 31st 2016. This agreement was 20 years in the making and will mean that the community can enact laws governing areas from municipal services to health and education. While education is not on the front

burner at this, these discussions will eventually happen and at this time it is too soon to forecast an outcome. In the meantime, other communities are also engaging in self-government.

The 18th Legislative Assembly established its mandates for 2016-2019 and identified as one of its priorities a planning study on options for shared service administration across NWT education bodies, as an effort to increase the JK12 support systems. It is understood then that it is of importance for the GNWT to find opportunities to improve efficiencies, reduce costs, all the while also preserving or improving services required.

A steering committee has been established and a contractor has been engaged to begin looking at the possibilities. Following the presentation of Report 1: Capturing the Current State, the a2z team consulted with key stakeholders to confirm the various needs, requirements and constraints in the designing of a shared services model. Further, discussions took place to co-develop the model that would best answer the needs of Education Authority (EA). While management is optimistic about shared services, at the time of these statements no decision has been made regarding a position.

Imperial Oil has suspended oil production at its field in Norman Wells, in response to the continued shutdown of the Line 21 pipeline to Alberta. Operations has been transitioned to care and maintenance phase. The moves come as Line 21 — which is owned by Enbridge and carries oil from Norman Wells to Zama, Alta. — remains shut down. The line was shut down due to concerns about ground stability at a section of the line near Fort Simpson. Oil and gas has long been a staple of economic planning in the NWT Sahtu region. With this shutdown, the town have already seen the impact of workers leaving. The impact affect both the business sector as well as the enrollment in schools. The funding for schools is dependent on enrollment.

Financial Condition

The Sahtu DEC health is stable in spite of having a deficit in the current year (\$51k), (2016: \$91k surplus). The closing surplus for the end of the fiscal year June 30, 2017 is \$377k (2016: \$614,813). The main challenge faced by Sahtu DEC is having to dip into surplus funding to offset operational issues from time to time, with no additional funding for these occurrences.

Accumulated surplus (deficit) is comprised of the following:

Accumulated surplus (deficit), end of year	\$ (351,141)	\$ (300,148)
Post employment benefits Unamortized net actuarial (gain)/loss (Note 17)	914,961	914,961
Less: Amortization of net actuarial (gain)/loss (included in current year deficit)	(106,391)	-
Less: 2017 increase in Actuarial (gain)/loss	(80,131)	-
<u>Revised accumulated surplus (deficit), end of the year</u>	<u>\$ 377,298</u>	<u>\$ 614,813</u>

As shown above, a significant portion of the change in the “Revised accumulated surplus (deficit)” is due to changes in the post-employment benefits liability. The GNWT has required the use of an actuary to determine the balance. Changes in the actuarial calculations have resulted in significant swings in the accumulated surplus (deficit) balance. Management recognizes that this creates difficulties in interpreting our surplus and in turn clouds the picture for decision making. However, the intention of using an actuary is to present the most accurate balances over the long term.

The challenge faced this year by the board was in the area of removal which contributed significantly towards the overall deficit (\$51k) as this cost is somewhat difficult to budget, due to timing of budget and the hiring process and was under budgeted for this fiscal year. Management will use this experience to increase allocation for removal moving forward.

The current ratio is a liquidity and efficiency ratio that measures an organization’s ability to pay off its short-term liabilities with its current assets. Sahtu DEC current ratio as at June 30th 2017 is 1.20, (2016, 1.19).

Summary and Outlook

We have continued to implement a very successful mathematics intervention program in all of our schools. Our Program Consultant, Lorraine Kuer, has traveled with an external consultant to all of our schools and provided in-service to our teachers in this initiative.

Play-based programming in Kindergarten and Junior Kindergartens is in place in all of our schools and all of our K and JK teachers have been given in-service in this programming.

Heritage and Science Fairs are being embedded into the regular curriculum and are running well, with much support and enthusiasm from the organizers and participants.

Self regulation has been introduced to all of our schools. This is a way of having students recognize their own behavioral issue and take steps to deal with them appropriately.

We have had a cohort of six Language Specialists graduate from Aurora college. This program was conducted entirely in the community of Tulita. These graduates will provide replacements for existing Language Specialist positions as they retire or move to other positions.

We have implemented a year-round calendar in one of our schools, Fort Good Hope. This has been well received by both staff and community.

We continue to struggle with offering a robust High School program in our small schools that have very few High School teachers. We are attempting to address this in a number of ways. In one school, we are piloting a distance education initiative together with ECE and the Beaufort Delta DEC.

Teacher turnover has been an issue of late. A lack of personnel continuity is detrimental to school programs. We are hopeful that the recent STIP initiative will improve teacher workload and mental health and reduce turnover.

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

The Management Discussion & Analysis, Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of the authority in all material respects and in accordance with Canadian Public Sector Accounting Standards (CPSAS) as well as the Financial Administration Manual (FAM) and the Financial Administration Manual for Education Authorities (FAMEA) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of Sahtu Divisional Education Council have been conducted within the statutory powers of the Education Body. The operations and administration of the Education Body as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the Education Act, Financial Administration Act, CPSAS, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Education Body Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture, and Employment of the Government of the Northwest Territories.

The financial statements have been reported on by Ashton Chartered Accountants. The auditors' report outlines the scope of their audit and their opinion on the presentation of the information included in the financial statements.

INDEPENDENT AUDITORS' REPORT

**To the Minister of Education, Culture and Employment of the GNWT
To the Board of Trustees of the Sahtu Divisional Education Council**

We have audited the consolidated financial statements of the Sahtu Divisional Education Council, which comprise the consolidated statement of financial position as at June 30, 2017, and the consolidated statements of operations and surplus, changes in net assets (debt), and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Basis for Qualified Opinion

The Government of the Northwest Territories is responsible for the calculation and distribution of the Education Body's wages and benefits expenditure for public service employees, the accuracy of which is not susceptible to complete audit verification. We have satisfied ourselves that the payroll information provided by the GNWT is properly reflected in the Education Body's records. As a result, we were not able to determine whether any adjustments might be necessary to expenditure, liabilities or accumulated surplus.

Independent Auditor's Report (continued)

Qualified Opinion

In our opinion, except for the possible effect of the matters described in the Basis of Qualified Opinion paragraph, these consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Sahtu Divisional Education Council as at June 30, 2017, and the results of its financial performance and cash flow for the year then ended in accordance with the Canadian public sector accounting standards.

Report on Other Legal and Regulatory Requirements

We further report, in accordance with the Financial Administration Act, that, in our opinion, proper books of account have been kept by the Education Body, the consolidated financial statements are in agreement therewith, and the transactions that have come under our notice have, in all significant aspects, been within the statutory powers of the Education Body.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2017

Note 1. Nature of Organization

The Sahtu Divisional Education Council ("The Council") was established by the *Education Act* of the Government of the Northwest Territories (GNWT) by order of the Minister dated April 1, 1989. Its purpose is to administer and maintain the standards of education program defined under the *Education Act* in the communities in the Sahtu Region.

Consequently, the Council is dependent on funding from the Department of Education, Culture, and Employment (ECE) of the GNWT. Member Communities have formed local District Education Authorities (DEA) which have assumed responsibility to provide sufficient educational programs within their respective communities.

The Council is an independent legal and accounting entity with an elected Board of Trustees as stipulated in Section 82 of the *Education Act*. The Board of Trustees has decision making authority, the power to delegate authority, the ability to significantly influence operations and the sole accountability for all fiscal matters.

The Council is a public body performing a function of government in Canada. Paragraph 149(1)(C) of the *Income Tax Act* provides that a public body performing a function of government in Canada is exempt from taxation.

The accompanying consolidated financial statements include the operations of the Council, and the member District Education Authorities of Colville Lake, Deline, Fort Good Hope, Norman Wells, and Tulita.

Note 2. Significant Accounting Policies

(a) Basis of Accounting

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards. The consolidated financial statements have, in management's opinion, been properly prepared with reasonable limits of materiality. The basis of accounting refers to the timing of when revenue and expenditure items are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is utilized for all funds. Under this basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

(b) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques, and short term highly liquid investments that are readily convertible to cash and with a maturity date of 90 days or less from the date of acquisition.

(c) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arms' length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently measured at its fair value, the initial fair value is adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

Financial assets subsequently measured at amortized cost include cash, accountable funds, due from the GNWT and other accounts receivable.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2017

Note 2. Significant Accounting Policies (continued)

(c) Financial Instruments

Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities, accrued salaries, deferred revenue, post-employment benefits and accountable funds.

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, asset is recognized in operations.

(d) Non-financial Assets

Prepaid expenses and other non-financial assets are accounted for as assets by the Education Body because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the Education Body.

(e) Tangible Capital Assets

All buildings and works, furniture, equipment and vehicles are the property of the GNWT. The Minister grants to the Education Body the full occupancy and use of such facilities and equipment where required for the administration and delivery of education system programs. Capital assets with a value in excess of \$50,000 are recorded at cost and amortized in accordance with the Financial Administration Manual guidelines by the GNWT. Capital assets with a value of less than \$50,000 are recorded as a current expenditure.

(f) Revenue Recognition

Government Transfers:

Revenues are recognized in the period in which the transactions or events occur that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

Capital transfers or transfers of tangible capital assets are initially recognized as deferred revenue and subsequently recognized as revenue when the related tangible capital assets are recognized as acquired or built.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2017

(f) Revenue Recognition - (Continued)

GNWT – Regular Contributions:

The regular contributions from the GNWT are determined by a funding formula and are received in monthly installments. The Education Body retains surpluses and is responsible for deficits. Any funding requests, over and above those levels provided by the formula, must be first approved by the GNWT.

Other Contributions:

The Education Body follows the deferral method of accounting for other contributions. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred.

Deferred Revenue:

Deferred revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenue when the eligible expenditures are incurred.

Investment Income:

Investment income is recognized when received or receivable, if the amount can be reasonably estimated

(g) Infrastructure Funding

Any personnel, utilities, and leases infrastructure funding net surplus at the end of the fiscal year is recorded as a payable to the GNWT. Net deficits are not shown as receivable from the GNWT since these amounts are not repayable.

(h) Budget Data

The *Education Act* of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 128 and 129.

The priorities and funding allocations are determined by the Board of Trustees of each Education Body and the budget is legally adopted by a motion of the Board in accordance with Section 135(3) of the *Education Act*.

Board approved budgets are submitted to the Minister of Education, Culture and Employment for final approval as directed by Sections 117(2) k, l and m of the *Education Act*.

This annual budget includes estimates of revenues, expenditures and the net operating surplus (deficit). Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Education Body.

The budget may be amended within a given fiscal year in accordance with Education Body policy, regulations and approved budget procedures. The budget data presented in the consolidated financial statements reflects the Minister approved budget for the school year.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2017

Note 2. Summary of Significant Accounting Policies (continued)

(i) Measurement Uncertainty

The preparation of these consolidated financial statements in conformity with Canadian Public Sector Accounting Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue and expenses during the period. Actual results could differ from these estimates.

(j) Inventories Including Materials and Supplies

Inventories of books, materials, supplies and other expendables purchased by the Education Body are treated as expenditures during the year of acquisition and are not recorded on the statement of financial position.

(k) Payroll Liabilities

According to the Northwest Territories Teachers Association (NWTTA) and GNWT Collective Agreement, teaching staff have their salary issued by the GNWT bi-weekly pay system. NWTTA staff will have earned their annual salary by June 30th which provides for continued payment during the summer. GNWT Payroll for NWTTA starts with the annualized salary commitment for compensation and then allocates the complete payout of that value over the number of pay periods between August 1 and July 31. Pay periods falling in July are therefore accrued.

The duties and compensation base for UNW School Year employees are scheduled to align with the academic year although actual start dates and durations vary by specific location and job function. Accordingly, the Education Body determines the start dates of their UNW employees and accrues the related payroll liability as appropriate.

All other staff are accrued to include earnings to June 30.

(l) Post-employment and Termination Benefits

Under the conditions of employment, employees qualify for annual leave of varying lengths depending on length of service. Annual leave is payable within one fiscal year. Employees also earn retirement and severance remuneration based on the number of years of service. Certain employees will also receive assistance with removal costs to return to their point of recruitment. Payment of the removal and termination is dependent on employees leaving the Education Body and other criteria as outlined in the negotiated collective agreements and management handbook guidelines of the GNWT.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2017

Note 2. **Summary of Significant Accounting Policies (continued)**

(m) Special Purpose Funds

School activity funds which are fully controlled by the Education Body with respect to when and how the funds available can be disbursed are included. The funds reported are internally restricted as to purpose and may include the proceeds of fundraising, contributions or fees paid related to a specific planned benefits.

Student activity funds which are controlled by students or parties other than the Education Body are not included even if custody of the funds is held by the Education Body.

Note 3. **Future Accounting Changes**

Financial Instruments - Section PS 3450

PSAB has implemented changes to Section PS 3450, Financial instruments that outlines offsetting of financial assets and financial liabilities and the valuation of investments to be measured at fair value. These changes are to be applied on a go forward basis for all fiscal years beginning on or after April 1, 2019. Management is currently assessing the impact of the standard.

Inter-entity Transactions - Section PS 3420

PSAB approved Section PS 3420, Inter-entity transactions. This section establishes standards on how to account for and report transactions between public sector entities that comprise a government's reporting entity from both a provider and recipient perspective. The new standard is effective for fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. Management is currently assessing the impact of the standard.

Student Activity/Fiduciary Funds Policy

Student Activity/Fiduciary funds policy is currently under review by the GNWT - ECE for possible inclusion in Special Purpose Funds. At this time no formal directive has been released and, therefore management is unable to determine any impact that may exist on the financial statements.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2017

Note 17. Post-employment Benefits

The Education Body provides severance (resignation and retirement), removal and compensated absence (sick, special maternity and parental leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a deficit equal to the accrued post-employment benefits obligation.

Severance benefits are paid to employees based on the types of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment, and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being location of hire, employee category and length of service. The benefits under these two categories were valued using the Projected Unit Credit methodology.

Compensated absence benefits generally accrue as employees render services and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under the compensated absence benefits were valued using the expected utilization methodology.

Change in estimate

During the year ended June 30, 2016, the method for calculating other employee future benefits and compensated absences was refined to better reflect the probability that these benefits would be used in the future based on past experience. This change in accounting estimate is being accounted for on a prospective basis starting July 1, 2016 which increases the compensation and benefits expense and increases the other employee future benefits and compensated absences liability by \$471,316.

Valuation results

The actuarial valuation was completed as at March 31, 2017. The effective date of the next actuarial valuation is March 31, 2018. The liabilities are actuarially determined as the present value of the accrued benefits at February 17, 2017 and the results extrapolated to June 30, 2017. The values presented below are for all of the benefits under the Compensated Absences and Terminations Benefits for the consolidated Government.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2017

Note 17. Post-employment Benefits (continued)

	Severance and removal	Compensated Absences	2017	2016 <i>Restated</i>
Changes in Obligation				
Accrued benefit obligations beginning of the year	\$ 732,996	\$ 72,216	\$ 805,211	\$ 1,592,245
Current period benefit cost	55,264	7,832	63,096	310,816
Interest accrued	23,430	2,406	25,836	41,209
Benefits payments	(84,198)	(9,730)	(93,928)	(224,097)
Plan amendments	-	-	-	-
Actuarial (gain)/loss	22,035	58,094	80,129	(914,962)
Accrued benefit obligation end of year	749,527	130,818	880,344	805,211
Unamortized net actuarial gain	596,615	131,826	728,441	914,961
Net future obligation	1,346,142	262,644	1,608,785	1,720,172
Benefits Expense				
Current period benefit cost	55,264	7,832	63,096	310,816
Interest accrued	23,430	2,406	25,836	41,209
Plan amendments	-	-	-	-
Amortization of actuarial gains	(81,401)	(24,989)	(106,390)	-
	(2,707)	(14,751)	(17,458)	352,025

The discount rate used to determine the accrued benefit obligation is an average of 3.3%. No inflation rate was applied. The expected payments during the next five fiscal years are:

	Severance and removal	Compensated Absences	Total
2018	\$ 150,440	\$ 24,691	\$ 175,131
2019	118,593	20,271	138,864
2020	113,241	19,148	132,389
2021	94,238	18,133	112,371
2022	75,108	14,999	90,107
	\$ 551,620	\$ 97,242	\$ 648,862

Prior period adjustment

In the prior year, the Post-employment benefits liability was recorded as the Accrued benefit obligation from the actuaries report. This represents a departure from Canadian public sector accounting principles because it does not include the Unamortized net actuarial (gain)/loss. The correct treatment is to record the Accrued benefit liability which consists of the Accrued benefit obligation plus the Unamortized net actuarial (gain)/loss. This has resulted in the understatement of post-employment benefits, and employee benefits and allowances expense, and the overstatement of accumulated surplus by \$914,961. The balances have been adjusted retrospectively.

Sahtu Divisional Education Council

Note 21. **Accumulated Surplus/Deficit - Not Applicable**

(Not applicable, breakdown included in Statement of Financial Position)

Note 22. **Capital Advances - Not Applicable**

Note 23. **GNWT Assets Provided at No Cost**

	Cost	Accumulated Amortization	Net Book Value	
			2017	2016
Buildings				
Schools and colleges	\$ 65,871,060	\$ 19,560,290	\$ 46,310,770	\$ 47,502,082
Staff Housing	275,800	88,616	187,184	199,526
	\$ 66,146,860	\$ 19,648,906	\$ 46,497,954	\$ 47,701,608

Note 24. **Contractual Obligations**

The Education Body has entered into agreements for, or is contractually committed to, the following expenses payable subsequent to March 31, 2017.

	Expires in Fiscal Year *	2018	2018 and thereafter	Total
Commercial and residential leases	2023	\$ 106,752	\$ 533,760	\$ 640,512

* Refers to the last fiscal year of all agreements in that line category

The lease on the Council's office expires on August 31, 2023. A 15 year lease agreement was entered into at the Edward Hodgson Building with monthly lease payments starting September 1, 2008. From September 1, 2008 to August 31, 2018 the annual lease payments will remain at \$106,752. After 10 years, the lease amount will be adjusted based on the expected market conditions for the following 5 years.

In addition, the Council is responsible for its proportionate share of utilities and cleaning services received during its term of occupancy.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2017

Note 25. Contingencies

The Council had employment agreements directly with senior management personnel which were transferred to the GNWT in the year. Part of transferring the agreements included cancelling contracts with third party benefit providers. Management expects that there will be penalties associated with the contract cancellations. At present, the potential penalties are not determinable. The amount of any future fees would be accounted for as current transactions in the year they are levied.

Note 26. Related Parties

The Education Body is related in terms of common ownership to all GNWT created departments, agencies and corporations. The Education Body enters into transactions with these entities in the normal course of operations. The Education Body is provided with various administrative services by the GNWT, the value of which is not reflected in these financial statements. The administrative costs include legal services by the Department of Justice, insurance coverage by the Department of Finance, payroll services by the Department of Human Resources, internal audit services by the Department of Finance, and utility and maintenance by Public Works and Services. Transactions with related parties and balances at year-end not disclosed elsewhere in the financial statements are disclosed in this note. There are no related party balances not disclosed elsewhere.

Note 27. Budget

The Education Act of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Education Body which may or may not include the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation, of the Education Act.

The annual budget includes estimates of revenues and expenditures for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Education Body.

The budget figures presented are those approved by the Minister of education, Culture and Employment on June 13, 2016 and have not been audited.

Note 28. Economic Dependence

The Sahtu District Education Council received its funding primarily from the GNWT. If the funding arrangements were to change management is of the opinion that Sahtu District Education Council operations would be significantly affected.

Note 29. Financial Instruments

The Education Body is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Education Body's risk exposure and concentration as of June 30, 2017.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Education Body has little exposure to credit risk as the majority of its revenues originate from government sources with strong credit worthiness.

Sahtu Divisional Education Council

Notes to the Consolidated Financial Statements

June 30, 2017

Note 29. Financial Instruments (continued)

Liquidity

Liquidity risk is the risk the Education Body will not be able to meet its obligations as they come due. The Education Body manages its liquidity requirements by preparing detailed cash budgets and having cash available on hand to meet its obligations.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is composed of currency risk, interest rate risk and other price risk.

Currency risk

The Education Body deals exclusively in Canadian funds and therefore has no currency risk.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in interest rates. The Education Body minimizes risk through its normal operating and financing activities and maintains cash in a general bank account.

Note 30. Expenses by Object

	2017 Budget	2017 Actual	2016 Actual
Salaries	\$ 12,249,290	\$ 12,417,152	\$ 12,409,109

**Management Discussion and Analysis
For the year ended June 30, 2017**

Introduction

This management discussion and analysis is prepared as part of the responsibility of management and the *South Slave Divisional Education Council* (SSDEC) to promote transparency and accountability in its financial reporting.

The SSDEC was established in 1991 with a mandate to provide a quality pre-kindergarten (4 yr olds) to grade twelve education to approximately 1,300 students in the communities of Hay River, Fort Smith, K'atlodeeche, Fort Resolution and Lutsel K'e. The SSDEC is comprised of one representative from each of the five community-based District Education Authorities (DEAs). DEAs are elected or appointed at the community level, and each DEA chooses one of its members to represent them at the regional SSDEC meetings. The 2016-17 representatives were as follows:

Fort Smith – Ann Pischinger (Chairperson)
Fort Resolution – Bess Ann McKay (Vice-Chairperson)
Hay River – Kandis Jameson
K'atlodeeche – Wanda Salopree
Lutsel K'e – Prairie Desjarlais

Key senior management positions were as follows:

Superintendent – Dr. Curtis Brown
Assistant Superintendent – Dr. Joseph Pearce
Comptroller – James Watts, CPA, CMA

The SSDEC and its DEAs are committed to a philosophy of education which is built upon a foundation of enabling communities, DEAs, schools, staff members, and parents to help students reach their potential. Student achievement is at the heart of everyone's work at the SSDEC and is the common thread connecting the Council's vision, mission, beliefs and values.

VISION	All individuals reach their educational potential
MISSION	<i>The South Slave Divisional Education Council strives to prepare students to create their futures by ensuring high levels of learning for ALL.</i>

The SSDEC is committed to improving student *literacy, numeracy* and *social responsibility* as the key priorities for student success in school and in life.

Operating Environment

The SSDEC receives the financial resources for the entire division on an annual basis, largely through a funding formula established by the *GNWT Department of Education, Culture and Employment (ECE)*. Unfortunately, there are a number of unfunded and underfunded areas in the formula. For example:

- school boards are funded based on prior year staff salaries yet collective agreement provisions provide annual salary increments to staff which school boards must pay
- ECE confirms that they are underfunding school boards more than \$1 million per year for the hiring of casuals resulting from staff leave provisions in the collective agreements
- several of the funding formula line items are not indexed to keep up with inflation and have not increased in over 15 years (bussing contracts and repairs, for example, have probably more than doubled in that same timeframe)
- when the formula was in the process of being updated and for the 2016-17 budget year the Council had been provided with no details on how our allocations were calculated.

A funding reduction (inclusive schooling) and an expanded mandate (adding junior Kindergarten with less funding) have also contributed to the financial challenges of the SSDEC in recent years. Prior to these decisions, the NWT already had the third worst student-educator ratio of all the provinces and territories in Canada (see <http://www.statcan.gc.ca/pub/81-582-x/2013001/tbl/tblc2.3-eng.htm>) and the second highest percentage of students with special needs.

Shrinking enrolment has also brought significant challenges over the last several years. South Slave student enrolment is now almost two thirds what it was fifteen years ago (approx. 1300 now vs. over 1800 previously). Fewer students means less funding and less flexibility the Council has to allocate the resources necessary to continue to fund its priorities and a diversity of program offerings.

**South Slave Divisional Education Council
Enrolment History**

The SSDEC continues to address the funding challenges by annually reviewing and applying their budget assumptions and priorities:

1. Approve a regional budget each year that prioritizes funding for the Council priorities.
2. Approve a budget each year that maintains an accumulated fund balance of at least \$500,000 after taking into account school staffing surpluses.
3. Ensure fair and equitable distribution of funds to schools and DEAs and minimize conflict between Council reps/DEAs.
4. Provide for significant community-based priority setting and related budgeting.
5. Provide transparency in budget process and allocations, and
6. Consider expenditures against a Council surplus over \$500,000, after taking into account school staffing surpluses, each year.

Each year the SSDEC determines the key priorities as well as the unfunded and underfunded areas that simply can't be overlooked, and budgets for those costs first. Upon notification of resulting allocations, staffing plans are developed by school principals for approval of their respective DEAs and the superintendent (prior to March 15th) so that the majority of teacher staffing for the next year can occur while quality applicants are still available. The SSDEC and schools have also been very successful in identifying, applying for and obtaining third party funding in order to supplement program offerings.

Another challenge for the Council is the low levels of readiness of many young children entering the school system, poor attendance by many students, and disengaged parents, probably related to the intergenerational effects of residential schooling. These varying levels and engagement can make it difficult to catch up and retain these students so that they progress and reach their potential.

In an effort to improve the life chances of more and more children, since 2007 the SSDEC has focused on a few key priorities, with carefully chosen research based strategies, and a long term and relentless commitment to results:

To improve student success in <i>literacy</i>	To increase the percentage of students meeting or exceeding expectations for reading proficiency
To improve student success in <i>numeracy</i>	To increase the percentage of students meeting or exceeding expectations for numeracy proficiency
To increase understanding and practice of <i>socially responsible behaviour</i> by all members of the school community	To increase the percentage of trustees, staff and students demonstrating responsible behaviour

Accordingly, Council has remained committed to funding the *Leadership for Literacy* initiative that places and trains experienced teachers in instructional coach roles in their respective schools. These coaches provide training and in-classroom support to other teachers and support staff so that more students will achieve success in literacy and math, the essential skills required for success in school and in life.

Much has been accomplished as evidenced by improving student achievement results over the past several years. Further indicative of the SSDEC's success are the various awards received including the three *Ministerial Literacy Awards* for the *SSDEC Literacy Project*, the *Premier's Award of Excellence* for the *Trades Awareness Program* partnership, and then the *Premier's Award for Collaboration* (with Aurora College, South Slave Career Centres, Fort Smith and Hay River Health Authorities) for the *South Slave Healthy Communities Partnership* in 2009.

Further, the SSDEC's Leadership for Literacy initiative has been recognized nationally as well, being awarded *Indspire's (aka National Aboriginal Achievement) Indigenous Education Organization Award* in 2016, the *Canadian Education Association (CEA) and Reader's Digest Canadian Innovators in Education Award 2015*, and runner up for the CEA's "*Innovation that Sticks*" *Award and Case Study Program*. This is on the heels of the SSDEC becoming the first school board in Canada to win Gold in the education category of the *Public Sector Leadership Awards*, as selected by the *Institute of Public Administration of Canada (IPAC)* and Deloitte in 2014.

South Slave staff and students are excelling and benefitting accordingly as well being awarded Aside from the recognition of the Council and the impressive recipients of the *SSDEC Excellence in Education Awards*, four of the South Slave school principals have now been selected to the exclusive National Academy of *Canada's Outstanding Principals (The Learning Partnership)*, and the SSDEC Superintendent and Assistant Superintendent are the first and only northern recipients of the *Canadian Superintendent of the Year* award (*Canadian Association of School System Administrators (CASSA) & American Association of School Administrators (AASA)*). Two of the five SSDEC trustees also received the *Queen's Diamond Jubilee* medals for exemplary service to their communities. The South Slave DEC also has 6 inductees into the NWT Education Hall of Fame

Two of the South Slave's educators have also received *Indspire Indigenous Educator Awards* and another aboriginal teacher received the *Prime Minister's Award for Teaching Excellence*. These awards are examples of how effective literacy efforts are being encouraged and supported in our Aboriginal language programs in Cree, Slavey and Chipewyan; not just English and French.

Council understands that the more engaged students and parents are, the more likely children are to achieve. This is why Council has five targets for improvement that involve parents. Below are the targets and the results for 2016/17:

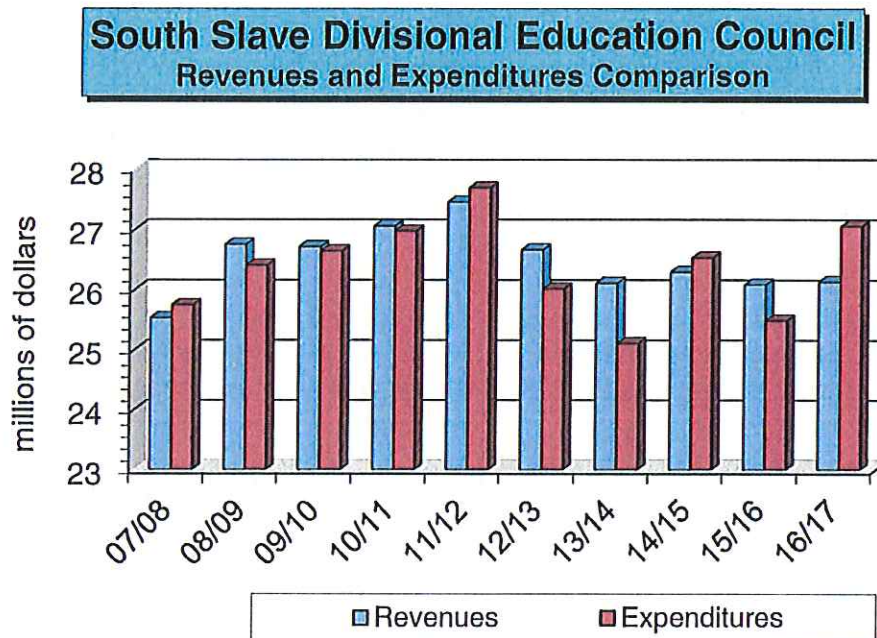

- 95% of parents (75% response rate) have discussed with their teacher and understand their child's *reading* strengths and stretches (target 90% of parents with 60% response rate)
- 94% of parents say they are satisfied with their child's growth as a *reader* (target 90%)
- 93% of parents (75% response rate) have discussed with their teacher and understand their child's *math* strengths and stretches (target 90% of parents with 60% response rate)
- 92% of parents say they are satisfied with their child's growth in *math* (target 90%)

Still, only about half of South Slave students attend at least 90% of the time, meaning that half of our students have missed a full year of schooling by the time they reach grade 10. There has also been an increase in staff use of long-term leave requests due to mental health issues. As we are unsure when staff will be able to return to their classrooms, we increasingly find ourselves hiring unqualified substitutes for repeated one and two month periods. This is not only disruptive to classroom routine, but compromises the quality of students' education and is costly for the SSDEC.

ECE's new *Education Renewal and Innovation* initiative includes aspects that look to help educate and provide support for mental health and wellness of both staff and students. Recent SSDEC strategies and targets are also intended to improve student attendance, ownership for their learning (inquiry-based, 21st century learning), pride and resiliency as part of its academic and social responsibility priorities.

Financial Condition

The bar chart below provides a historical comparison of revenues and expenditures over the past ten years.

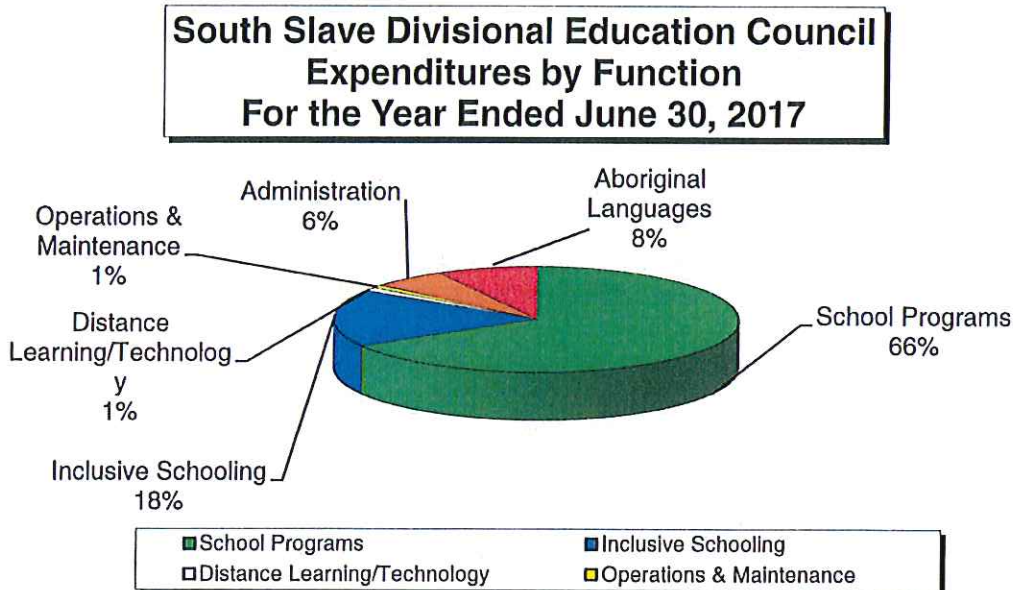

For the year ended June 30, 2017 the Council had an operating deficit of \$916,568 inclusive of DEA surpluses and deficits. This was higher than the projected deficit of \$535,204 due to a higher than normal adjustment to the Council's employee future benefits liability amount. The GNWT instructed the Council to use a different figure than last year. Also this year, payout of severance and annual leave to our Superintendent accounted for higher than projected costs while savings in other areas helped to offset these additional expenditures. Examples of savings were lower than budgeted average salaries and a number of employees on long-term sick leave without pay who were replace temporarily with casual staff at a lower rate of pay.

The accumulated uncommitted fund balance for the Council now sits at \$666,930 (see chart below) which is \$166,930 above the Council's minimum fund balance of \$500,000 spelled out in policy DFAA – Financial Surplus. The Council's budget for 2017/18 is a deficit budget of \$213,245 that, if realized, would bring the Council's accumulated fund balance down to \$453,685.

	<u>2017</u>	<u>2016</u>
Accumulated Fund Balance at beginning of year	\$2,824,274	\$2,229,630
Operating Surplus/(Deficit) for year	<u>(916,568)</u>	<u>594,644</u>
Accumulated Fund Balance at end of year	\$1,907,706	\$2,824,274
Commitments against Fund Balance	<u>(1,240,776)</u>	<u>(2,235,470)</u>
Uncommitted Fund Balance at end of year	\$ 666,930	\$ 588,804

Currently the Council's liquidity position is good but, given the back-end loading of allocation to school boards by ECE, there is still the concern that funds could be short around the end of March. Given that about 88% (see second chart below) of the SSDEC's expenditures are for staffing payroll and benefits, any unanticipated reductions in allocations from ECE, or unexpected expenditures, would be difficult to adjust for until the following school year.

The chart below breaks down the Council's expenditures according to the functions identified. ECE mandates that 15% of the Council's expenditures be in Inclusive Schooling. Inclusive Schooling made up 18% of the Council's expenditures in 2016-17. Funding spent on Aboriginal Languages is also above what was funded by ECE. A standard range of 5-7% is generally accepted as reasonable for administration expenses. As indicated below the Council's percentage for 2016-17 is right in the middle of that range at 6%.

The chart below breaks down the Council's expenditures into three main categories: Salaries and Employee Benefits, Materials/Supplies and Freight and Purchased/Contracted Services.

**South Slave Divisional Education Council
Details of Expenditures
For the Year Ended June 30, 2017**

Summary and Outlook

In summary, the SSDEC is currently in a positive financial position above the Council Policy that requires at least a \$500,000 uncommitted surplus. This could change during the upcoming year given the 2017/18 deficit budget and depending on the final version of the Department's new surplus policy to which the Council policy DFAA may need to be adapted.

The Council will continue to struggle with the funding issues related to the expanded mandate of Junior Kindergarten coinciding with reductions in allocations from ECE. Approximately 60 additional four year old students have been added to our count from this past September but the overall allocations from ECE have not increased accordingly. Also the uncertainty concerning whether schools were going to be offering full or half-time Junior Kindergarten, and related bussing created uncertainty when developing our 2017/18 budget.

The Council is also wary of the process being undertaken by the Department concerning shared services. Legitimate areas where cost savings could be realized would be welcome but differences in how the various regions operate may make these efforts difficult and unworkable. The process is very rushed with no consultation with the members of Council, raising fears that resulting decisions may have an adverse effect on the quality of school programs and services.

Council is concerned that the significant progress that has been made in the South Slave in the past several years could be undone with any further efforts to reduce local input and centralize, combined with any further reductions in allocations, compounded by existing unfunded and underfunded expenses (salary increments, casual costs, etc.) and cost increases (several formula funding lines not indexed to keep up with inflation), resulting in an escalating student-educator ratio and a decrease in the quality and quantity of education programs and services that can be offered.

Creating Futures

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The Minister of Education, Culture and Employment
Government of the Northwest Territories

The Management Discussion & Analysis, Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of the authority in all material respects and in accordance with Canadian Public Sector Accounting Standards (CPSAS) as well as the Financial Administration Manual (FAM) and the Financial Administration Manual for Education Authorities (FAMEA) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of South Slave Divisional Education Council have been conducted within the statutory powers of the Education Body. The operations and administration of the Education Body as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the Education Act, Financial Administration Act, CPSAS, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Education Body Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture and Employment of the Government of the Northwest Territories.

INDEPENDENT AUDITORS' REPORT

To the Minister of Education, Culture and Employment
Government of the Northwest Territories

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of South Slave Divisional Education Council which comprise the Consolidated Statement of Financial Position as at June 30, 2017 and the Consolidated Statements of Changes in Net Financial Resources (Debt), Operations and Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

The Government of the Northwest Territories is responsible for the calculation and distribution of a significant portion of the Council's salaries and wages that appear on the consolidated statement of operations, the accuracy of which is not susceptible to complete audit verification. We have satisfied ourselves that the payroll information provided by the GNWT was accurately reflected in the Council's records. Consequently, we were unable to determine whether adjustments to the financial performance and cash flows might be necessary for the years ended June 30, 2016, and June 30, 2017.

INDEPENDENT AUDITORS' REPORT (continued)

Qualified Opinion

In our opinion, except for the matter described in the Basis for Qualified Opinion paragraph, these consolidated financial statements present fairly, in all material respects, the financial position of South Slave Divisional Education Council as at June 30, 2017 and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Report on Other Legal and Regulatory Requirements

We further report, in accordance with the Financial Administration Act, in our opinion, proper books of account have been maintained by South Slave Divisional Education Council, the consolidated financial statements are in agreement therewith and the transactions of the Council that have come under our notice have, in all significant respects, been within the statutory powers of the Council.

Other Matter

Our audit was conducted for the purposes of forming an opinion on the consolidated financial statements of South Slave Divisional Education Council taken as a whole. The supplementary information included on Schedules 2 through 26 is presented for purposes of additional information and is not a required part of the consolidated financial statements. Such supplementary information has been subjected to the auditing procedures applied, only to the extent necessary to express an opinion in the audit of consolidated financial statements taken as a whole.

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

Note 1. Nature of the Organization

The Council was formerly known as the South Slave Divisional Board of Education. With the adoption of the new Education Act, its legal name is now the South Slave Divisional Education Council (Council).

The Council was established under the Education Act of the Government of the Northwest Territories by order of the Minister of Education dated July 1, 1991. Its purpose is to administer and maintain standards of educational programs defined under the Act in the member communities of the South Slave region.

Consequently, the Council is economically dependent upon funding from the Department of Education, Culture and Employment of the GNWT. Member communities have formed local District Education Authorities (DEA) which have assumed the responsibility of providing sufficient educational programs within their respective communities.

Note 2. Significant Accounting Policies

a) Basis of Accounting

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards. The consolidated financial statements have, in management's opinion, been properly prepared with reasonable limits of materiality. The basis of accounting refers to the timing of when revenue and expenditure items are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is utilized for all funds. Under this basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

b) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques, and short term highly liquid investments that are readily convertible to cash and usually with a maturity date of 90 days or less from the date of acquisition.

c) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arm's length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently at its fair value, the initial fair value is adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

Financial assets subsequently measured at amortized costs include cash, accountable funds, due from the GNWT and other accounts receivable.

Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities, accrued salaries, deferred revenue, post-employment benefits and accountable funds.

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, to a maximum of the related accumulated impairment charges recorded in respect of the particular asset is recognized in operations.

d) Non-Financial Assets

Prepaid expenses and other non-financial assets are accounted for as assets by the Council because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the Council.

e) Tangible Capital Assets

All buildings and works, furniture, equipment and vehicles are the property of the GNWT. The Minister grants to the Education Authority the full occupancy and use of such facilities and equipment where required for the administration and delivery of education system programs. Capital assets with a value in excess of \$50,000 are recorded at cost and amortized in accordance with the Financial Administration Manual guidelines by the GNWT. Capital assets with a value of less than \$50,000 are recorded as a current expenditure.

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

f) Revenue Recognition

Government Transfers

Revenues are recognized in the period in which the transactions or events occur that give rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, eligibility criteria have been met and reasonable estimates of the amounts can be determined.

GNWT – Regular contributions

The regular contributions from the GNWT are determined by a funding formula and are received in monthly installments. The council retains surpluses and is responsible for deficits. Any funding requests, over and above those levels provided for by the formula, must first be approved by the GNWT.

Other contributions

The Council follows the deferral method of accounting for other contributions. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred.

Deferred revenue

Deferred revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenue when the eligible expenses are incurred.

Investment income

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

Investment income is recognized when received or receivable, if the amount can be reasonably estimated.

g) Budget Data

The *Education Act* of the NWT requires that the Council prepare an annual budget, as outlined in Sections 128 and 129.

The priorities and funding allocations are determined by the Council and the budget is then legally adopted by a motion of the Council in accordance with Section 135(3) of the *Education Act*.

Council approved budgets are submitted to the Minister of Education, Culture and Employment for final approval as directed by sections 117(2)(k), (l) and (m) of the *Education Act*.

The annual budget includes estimates of revenues, expenditures and the net operating surplus/(deficit). Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Council.

The budget may be amended within a given fiscal year in accordance with Council policy, regulations and approved budget procedures. The budget data presented in the consolidated financial statements reflects the Minister approved budget for the school year.

h) Measurement Uncertainty

The preparation of these consolidated financial statements in conformity with Canadian Public Sector Accounting Standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue and expenses during the period. Actual results could differ from these estimates.

i) Inventories Including Materials and Supplies

Inventories of books, materials, supplies and other expendables purchased by the Council are treated as expenditures during the year of acquisition and are not being recorded on the statement of financial position.

j) Payroll Liabilities

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

According to the Northwest Territories Teachers Association (NWTTA) and GNWT Collective Agreement, teaching staff have their salary issued by the GNWT bi-weekly pay system. NWTTA staff will have earned their annual salary by June 30th of each year which provides for continued payment during the summer. GNWT payroll for NWTTA staff starts with the annualized salary commitment for compensation and then allocates the complete payout of that value over the number of pay periods between August 1 and July 31 (usually 26). The pay periods that fall within the month of July therefore have to be accrued.

The duties and compensation base for UNW school year employees are scheduled to align with the academic year although the actual start dates and durations vary by specific location and job function. Accordingly, the Council determines the start dates of their UNW employees and accrues the related payroll liability as necessary.

All other staff salaries are accrued to include earnings to June 30th.

k) Other employee future benefits and compensated absences

Under the terms and conditions of employment, Council employees may earn non-pension benefits for resignation, retirement and removal costs. Eligible employees earn benefits based on years of service to a maximum entitlement based on terms of employment. Eligibility is based on a variety of factors including place of hire, date employment commenced and reason for termination. Benefit entitlements are paid upon resignation, retirement or death of an employee. The expected cost of providing these benefits is recognized as employees render service. Termination benefits are also recorded when employees are identified for lay-off. Compensated absences include sick, special, parental and maternity leave. Accumulating non-vesting sick and special leave is recognized in the period the employee provides service, whereas parental and maternity leave are event driven and are recognized when the leave commences. An actuarial valuation of the cost of these benefits (except parental and maternity leave) has been prepared using data provided by the GNWT and assumptions based on management's best estimates.

l) Special Purpose Funds

School activity funds which are fully controlled by the Council with respect to when and how the funds available can be disbursed are included in these financial statements. The funds reported are internally restricted as to purpose and may include the proceeds of fundraising and/or contributions or fees paid related to a specific planned benefit. Examples might include planned student trips or funds specifically designated for the purchase of equipment or materials required to support an activity.

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

Student activity funds which are controlled by students or parties other than the Council are not included in these financial statements even if custody of the funds is held by the Council. Examples might include student clubs or associations for which the Council has no on-going responsibility or liability for losses.

Note 3. Future Accounting Changes

- a) Related Party Transactions: inter-equity transfer valuations (PS3420 April 2018).
- b) Restructuring transactions (PS3430 – April 1, 2018)
- c) Financial instruments (PS3450 – April 1, 2019)
- d) Student Activity/Fiduciary funds policy under review for possible inclusion in Special Purpose Funds.

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

17. Other employee future benefits and compensated absences

In addition to pension benefits the Council provides severance (resignation and retirement), removal and compensated absences (sick, special, parental and maternity leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation.

Severance benefits are paid to Council employees based on the type of termination (resignation vs. retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being location of hire, employee category and length of service. The benefits under these two categories were valued using the projected unit credit methodology.

Compensated absence benefits generally accrue as employees render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to, employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under compensated absence benefits were actuarially valued using the expected utilization methodology.

Valuation result

The actuarial valuation was completed as at March 31, 2017. The effective date of the next actuarial valuation is March 31, 2018. The liabilities are actuarially determined as the present value of the accrued benefits at February 17, 2017 and the results extrapolated the June 30, 2017. The values presented below are for all of the benefits under the Compensated Absences and Termination Benefits for the consolidated Government.

	Severance and Removal \$	Compensated Absences \$	2017 \$	2016 \$
Changes in Obligation				
Accrued benefit obligations at beginning of year	\$2,047,736	\$328,702	\$2,376,438	\$4,189,889

25. Contingencies

Nothing to report.

26. Related Parties

The Council is related, in terms of common ownership, to all GNWT created departments, agencies and corporations. The Council enters into transactions with these entities in the normal course of business. The Council is provided with various administrative services by the GNWT, the value of which is not reflected in these financial statements. The administrative costs include legal services by the Department of Justice, insurance coverage, payroll services and internal audit services by the Department of Finance and utilities and maintenance by Public Works and Services. Transactions with related parties and balances at year-end not disclosed elsewhere in the financial statements are disclosed in this note.

27. Budget Data

SOUTH SLAVE DIVISIONAL EDUCATION COUNCIL
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2017

The Education Act of the Northwest Territories requires that Education Bodies prepare an annual budget as outlined in Section 117, Duties of Education Body. The budget is legally adopted by a motion of the Council which may or may not include the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation of the Education Act.

The annual budget includes estimates of revenue and expenditures for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Council.

The budget figures presented are those approved by the Minister of Education, Culture and Employment on August 8, 2016 and have not been audited.

28. Economic Dependence

The South Slave Divisional Education Council receives its funding primarily from the GNWT. If the funding arrangements were to change management is of the opinion that the South Slave Divisional Education Council's operations would be significantly affected.

29. Financial Instruments

The Council's carrying value of cash, accounts receivable, due from the GNWT, accounts payable and accrued liabilities, due to the GNWT, accrued salaries and the trust liability approximate fair value due to the immediate and short-term maturity of these instruments.

The Council's carrying value of the accrued leave and termination benefits approximates fair value due to the information readily available in the NWTTA, UNW and Senior Manager's Handbook.

It is management's opinion that the Council is not exposed to significant interest rate, currency, market, credit, liquidity or cash flow risks arising from these financial instruments and that there are no significant concentrations of such risks.

30. Expenses by Object

	<u>2017 Budget</u>	<u>2017 Actual</u>	<u>2016 Actual</u>
Compensation	\$21,723,033	\$23,744,651	\$22,035,910

the Northwest Territories, and within the Tlicho region, teachers are changing how they teach, principals are changing how they lead, and school boards are changing the nature and depth of their involvement so that our schools are fully supported in affecting positive changes in developing 21st century leaders.

The major challenge is to bring students up to education levels equal to or exceeding national standards across Canada. This will take time, resources and a strategic plan to achieve. The TCSA continues with its plan, and has established specific measurable goals and objectives to reach its targets.

These goals can be summarized under the four main pillars of education in the Tlicho region.

- (1) To improve student success in reading and literature.*
- (2) To contribute to the revitalization, maintenance and promotion of Tlicho language and culture.*
- (3) To develop learning environments that promote the acquisition of 21st Century skills in contextually relevant ways.*
- (4) To ensure all students have an equal opportunity to succeed.*

Financial Condition

The School Operations of the Agency are on a solid footing. Education funding for the Agency is based on a formula, with enrollment numbers each year being the key driver.

Due to previous years enrollment increases and additional 3rd party funding received in previous years, the Agency entered the year with an opening surplus of \$ 1.6 million.

The annual budgeted revenue education for fiscal 2016-2017 was \$ 16,762,000, budgeted expenses were \$17,808,485 and the budgeted deficit was \$ 1,046,485. The reason for the budgeted deficit is related to the department of education's policy on surplus retention. The departments proposed policy is that any surplus in excess of 5 % of the years budgeted revenues will be returned to the department, which in the case of the TCSA is \$837,000. The TCSA has been outside of the policy guidelines previously but its strategy has been to bring the surplus inside.

As of June 30, 2017, the TCSA had an operating deficit in education of \$ 268,307 thereby reducing the accumulated operating surplus to \$1,375,478.

The Agency has a dedicated workforce of approximately 110 employees in the delivery of school programs, and administers numerous contracted services providers in the region. Salaries and benefits are the key cost drivers for education, and represent over 84 % of budgeted expenditures.

Education programs are delivered under the main categories of territorial schools, aboriginal languages, inclusive schooling and infrastructure services. Each school principal is responsible for managing his/her expenditures. Schools that do not spend their entire budget can carry forward their surpluses, and schools who overspend must repay the deficits to the Agency.

Summary

In fiscal 2016-2017, the TCSA celebrated the graduation of 36 students obtaining their grade 12.

We will continue to work with the Government of the Northwest Territories and the Tlicho Government on improving education results by following our strategic plan and the four pillars of education.

We have the capable people in place who are both strong in their culture and prepared for a changing economic landscape. Like in the rest of Canada, a new economy is emerging that demands workers with “21st century skills.” This means high school graduates who have the knowledge, skills, and abilities to think critically, to problem-solve and to communicate effectively. At the foundation of each of these skills is the ability to read and write effectively. Reading is the most crucial skill for success in school and throughout life.

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The Minister of Education, Culture and Employment
Government of the Northwest Territories

The Management Discussion & Analysis, Non-Consolidated report on Revenue and Expenses and Accumulated Surplus, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of the Agency in all material respects and in accordance with Canadian Public Sector Accounting Standards (CPSAS) relevant to preparing such a financial statement as well as the Financial Administration Manual (FAM) and the Financial Administration Manual for Education Authorities (FAMEA) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of Tlicho Community Services Agency - Education Division have been conducted within the statutory powers of the Education Body. The operations and administration of the Education Body as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the Education Act, Financial Administration Act, CPSAS, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Education Body Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

Avery Cooper & Co. Ltd. annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statement in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture and Employment of the Government of the Northwest Territories.

INDEPENDENT AUDITORS' REPORT

To the Minister of Education, Culture and Employment
Government of the Northwest Territories:

Report on the Non-Consolidated Financial Statement

We have audited the accompanying Non-Consolidated Report on the Revenue and Expenses and Accumulated Surplus for the Tlicho Community Services Agency - Education Division, and a summary of significant accounting policies and other explanatory information (together "the financial statement") for the year ended June 30, 2017.

Management's Responsibility for the Non-Consolidated Financial Statement

Management is responsible for the preparation and fair presentation of the non-consolidated financial statement in accordance with those requirements of Canadian public sector accounting standards relevant to preparing such a financial statement, and for such internal control as management determines is necessary to enable the preparation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the non-consolidated financial statement based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the non-consolidated financial statement. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the non-consolidated financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the non-consolidated financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualification

The GNWT is responsible for the calculation and distribution of the salaries and benefits paid to the Agency's employees. The wages and benefits information that appears on the statement of revenue and expenses is limited to the information provided by the department, the accuracy of which is not susceptible to complete audit verification. We have satisfied ourselves that the payroll information provided by the GNWT was accurately reflected in the Agency's records.

Qualified Opinion

In our opinion, except for the matter described in the Basis for Qualified opinion paragraph, the non-consolidated financial statement presents fairly, in all material respects, the results of operations for the year ended June 30, 2017 in accordance with Canadian public sector accounting standards relevant to preparing such a financial statement.

Report on Other Legal and Regulatory Requirements

We further report, in accordance with the Financial Administration Act, in our opinion, proper books of account have been kept by the Tlicho Community Services Agency, the non-consolidated financial statement is in agreement therewith and the transactions that have come under our notice have, in all significant respects, been within the statutory powers of the Agency.

Other Matter

Our audit was conducted for the purposes of forming an opinion on the non-consolidated financial statement of Tlicho Community Services Agency, Education Division, taken as a whole. The supplementary information included on Schedules 1 to 38 is presented for purposes of additional information and is not a required part of the non-consolidated financial statement. Such supplementary information has been subjected to the auditing procedures applied only to the extent necessary to express an opinion in the audit of the non-consolidated financial statement taken as a whole.

**TLICHO COMMUNITY SERVICES AGENCY
EDUCATION DIVISION
NOTES TO THE NON-CONSOLIDATED FINANCIAL STATEMENT
For the year ended June 30, 2017**

NOTE 1 NATURE OF ORGANIZATION

The Tlicho Community Services Agency (TCSA) was established under the Tlicho Agreement by order of the Minister effective August 4, 2005. Its purpose is to administer and maintain the standards of health and educational programs defined under the Act in the Member communities of the Tlicho Region.

The agency was formally the Dogrib Community Services Agency and all assets and liabilities of the DCSB were transferred to the TCSA effective August 4, 2005.

Member communities have formed Community Service Authorities (CSA) which have assumed the responsibility to provide sufficient educational programs within their respective communities of Behchoko, Gameti, Wekweti and Whati. This financial report includes the accounts of Tlicho Community Services Agency - Education Division (TCSA), and the five schools of the CSA's including Chief Jimmy Bruneau School, Elizabeth Mackenzie Elementary School, Mezi Community School, Jean Wetrade Gameti School, and Alexis Arrowmaker School. All inter-entity balances have been eliminated.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

General

This financial report has been prepared in accordance to Canadian public sector accounting standards relevant to the report of revenue and expenses. Requirements of the Education Act are also taken into consideration in preparation of the statements and related notes.

a) Basis of Accounting

The basis of accounting refers to the timing of when revenue and expenses items are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is utilized for all funds. Under this basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

b) Non-Consolidated Report

This report includes only the revenue and expenses of the TCSA - Education Division. Asset, Liability and Equity balances of the organization are not reflected herein. The operations of Health and Social Services are not included in these reports and as such are non-consolidated.

c) Capital Assets

All buildings and works, furniture, equipment and vehicles valued in excess of \$50,000 and purchased with the Government of the Northwest Territories (GNWT) capital funds are the property of the GNWT. The Minister grants to the Agency full occupancy and use of such facilities and equipment required for the administration and delivery of the education programs within the division. Assets in excess of \$50,000 must be reported and amortized at the following rates:

Class and Rate: Mobile and Heavy Equipment (School Busses) 7-15 years

d) Infrastructure

Any surplus on personnel, utilities and leases infrastructure funding at the end of June is recorded as payable to the GNWT. Net deficits are not shown as receivable since recovery is contingent on legislative approval.

TLICHO COMMUNITY SERVICES AGENCY
EDUCATION DIVISION
NOTES TO THE NON-CONSOLIDATED FINANCIAL STATEMENT
For the year ended June 30, 2017

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES (Cont.'d)

e) Budget Data

The Education Act of the NWT requires that the Agency prepare an annual budget, as outlined in Sections 128 and 129.

The priorities and funding allocations are determined by the Agency and the budget is then legally adopted by a motion of the Agency in accordance with Section 135(3) of the Education Act.

Agency approved budgets are submitted to the Minister of Education, Culture and Employment for final approval as directed by sections 117(2)(k), (l) and (m) of the Education Act.

This annual budget includes estimates of revenues, expenses and the net operating surplus/(deficit). Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Agency.

The budget may be amended within a given fiscal year in accordance with Agency policy, regulations and approved budget procedures. The budget data presented in the non-consolidated statement reflects the Minister approved budget for the school year.

f) School Funds

The Agency administers the funds for the five schools in the region. The expenses of the schools are included in the total expenses reported in the statement of revenue and expenses. Each year the schools are allocated a budget and funds are held by the Agency and released based on approvals from the school principals.

g) Measurement Uncertainty

The preparation of these non-consolidated financial statements in conformity with Canadian public sector accounting standards relevant to preparing such a financial statement requires management to make estimates and assumptions that affect the reported amounts of revenue and expenses during the period. Actual results could differ from these estimates. Accounts subject to measurement uncertainty are post-employment benefits determined by the actuary.

h) Revenue Recognition

Government Transfers:

Revenues are recognized in the period in which the transactions or events occur that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

Capital transfers or transfers of tangible capital assets are initially recognized as deferred revenue and subsequently recognized as revenue when the related tangible capital assets are recognized as acquired or built.

**TLICHO COMMUNITY SERVICES AGENCY
EDUCATION DIVISION
NOTES TO THE NON-CONSOLIDATED FINANCIAL STATEMENT
For the year ended June 30, 2017**

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES (Cont.'d)

h) Revenue Recognition - cont.'d

GNWT - Regular contributions:

The regular contributions from the GNWT are determined by a funding formula and are received in monthly installments. The Education Body retains surpluses and is responsible for deficits. Any funding requests, over and above those levels provided by the formula, must be first approved by the GNWT.

Other contributions:

The Agency follows the deferral method of accounting for other contributions. Unrestricted contribution are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. restricted contributions are recognized as revenue in the year in which the related expenses are incurred

i) Employee Salary and Benefits

Salary expenses including vacation and leave benefits are accrued based on the NWTTA and GNWT Collective Agreements. Salary accrued to June 30th will be paid in July. As such the July amounts are accrued at June 30th.

j) Financial Instruments

The Agency classifies it financial instruments at cost or amortized cost.

The Agency's accounting policy for this financial instrument category is as follows:

This category includes cash, accounts receivable, accounts payable and accrued liabilities, payroll liabilities and deferred revenues. They are initially recorded at cost and subsequently carried at amortized cost using the effective interest rate method, less any impairment losses on financial assets.

Transaction costs related to financial instruments in the amortized cost category are added to the carrying value of the instruments.

Write-downs on financial assets in the amortized cost category are recognized when the amount of a loss is known with sufficient precision, and there is no realistic prospect of recovery. Financial assets are then written down to net recoverable value with the write-down being recognized in the statement of operations.

NOTE 3 TANGIBLE CAPITAL ASSETS

	Cost	Accumulated Amortization	Net Book Value 2017	Net Book Value 2016
Mobile Equipment	\$ 173,318	\$ 148,558	\$ 24,760	\$ 49,520

TLICHO COMMUNITY SERVICES AGENCY
EDUCATION DIVISION
NOTES TO THE NON-CONSOLIDATED FINANCIAL STATEMENT
For the year ended June 30, 2017

NOTE 4 OTHER EMPLOYEE FUTURE BENEFITS AND COMPENSTATED ABSENCES

In addition to pension benefits the Agency provides severance (resignation and retirement), removal and compensated absences (sick, special, parental and maternity leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation.

Severance benefits are paid to Board employees based on the type of termination (resignation vs. retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being location of hire, employee category and length of service. The benefits under these two categories were valued using the projected unit credit methodology.

Compensated absence benefits generally accrue as employees render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to, employee or dependant illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under compensated absence benefits were actuarially valued using the expected utilization methodology.

Valuation result

The actuarial valuation was completed as at March 31, 2017. The effective date of the next actuarial valuation is March 31, 2018. The liabilities are actuarially determined as the present value of the accrued benefits at February 17, 2017 and the results extrapolated to June 30, 2017. The values presented below are for all of the benefits under the Compensated Absences and Termination Benefits for the consolidated Government.

TLICHO COMMUNITY SERVICES AGENCY
EDUCATION DIVISION
NOTES TO THE NON-CONSOLIDATED FINANCIAL STATEMENT
For the year ended June 30, 2017

NOTE 11 RELATED PARTY TRANSACTIONS

The Agency is related, in terms of common ownership, to all GNWT created departments, agencies and corporations. The Agency enters into transactions with these entities in the normal course of operations. The Agency is provided with various administrative services by the GNWT, the value of which is not reflected in this non-consolidated financial statement. The administrative costs include legal services by the Department of Justice, insurance coverage, payroll services and internal audit services by the Department of Finance and utilities and maintenance by Public Works and Services. Transactions with related parties not disclosed elsewhere in the non-consolidated financial statement is disclosed in this note if applicable.

NOTE 12 BUDGET AMOUNTS

The Education Act of the Northwest Territories requires that Education Bodies prepare an annual budget as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Agency.

The annual budget includes estimates of revenue and expenses. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Agency.

The budget figures presented are those approved by the Minister of Education, Culture and Employment and have not been audited.

NOTE 13 ECONOMIC DEPENDENCE

The Tlicho Community Services Agency - Education Division receives its funding primarily from the GNWT. If the funding arrangements were to change management is of the opinion that the Tlicho Community Services Agency - Education Division operations would be significantly affected.

NOTE 14 PRIOR YEAR FIGURES

The financial statement has been reclassified, where applicable, to conform to the presentation used in the current year. The changes do not affect prior year surplus.

TLICHO COMMUNITY SERVICES AGENCY
EDUCATION DIVISION
NOTES TO THE NON-CONSOLIDATED FINANCIAL STATEMENT
For the year ended June 30, 2017

NOTE 16 FINANCIAL INSTRUMENTS

The Agency is exposed to credit and liquidity risks from its financial instruments. Qualitative and quantitative analysis of the significant risk from the Agency's financial instruments by type of risk is provided below:

(i) Credit risk

Credit risk is the risk of financial loss to the Agency if a debtor fails to make payments of interest and principal when due. The Agency is exposed to this risk relating to its, cash, special purpose funds, trust assets and accounts receivable.

The Agency holds its cash, special purpose funds and trust assets deposits in trust accounts with federally regulated chartered banks who are insured by the Canadian Deposit Insurance Corporation.

Accounts receivable are due from various governments, government agencies, corporations and individuals. Credit risk related to accounts receivable is mitigated by internal controls as well policies and oversight over arrears for ultimate collection. Management has determined that a portion of accounts receivable are impaired based on specific identification as well as age of receivables.

Concentration of credit risk

Concentration of credit risk is the risk that a customer(s) has a significant portion (more than ten percent) of the total accounts receivable balance and thus there is a higher risk to the Agency in the event of a default. The Agency does have concentration risk. At June 30, 2017, receivables from the GNWT and related parties accounted for 50% of the total outstanding accounts receivables. The Agency reduces this risk by monitoring overdue balances.

The Agency also has concentration risk of credit risk as deposits are held in one Canadian chartered bank.

Liquidity Risk

Liquidity risk is the risk that the Agency will not be able to meet all cash outflow obligations as they come due. The Agency mitigates this risk by monitoring cash activities and expected outflows through budgeting and maintaining an adequate amount of cash to cover unexpected cash outflows should they arise.

Annual Financial Report

June 30, 2017

Yellowknife Catholic Schools

MANAGEMENT'S DISCUSSION AND ANALYSIS

The following management's discussion and analysis (MD&A) of the consolidated financial position and results of operations of Yellowknife Public Denominational District Education Authority (Yellowknife Catholic Schools) for the year ended June 30, 2017 should be read in conjunction with Yellowknife Catholic Schools' audited consolidated financial statements and related notes. The preparation of this report is the responsibility of management. It is the responsibility of the Board of Trustees to promote transparency and accountability.

The 2017-2018 school year will be an exciting year at Yellowknife Catholic Schools. We will continue to strive to provide faith-based, engaging, collaborate, innovative, learning environments that promote inquiry as a means to develop versatile and involved learners that are advocates of their personal learning journey.

We will provide all students with the opportunities to achieve their full potential with limited resources. The guiding principle of the 2017/2018 budget is to allocate our financial resources to allow our students to succeed. The budget will be balanced ensuring that today's dollars are spent to educate today's students with a focus on 21st century learning initiatives and student learning. Appropriate resources have been allocated so that students will have a full range of learning opportunities.

As our educational landscape moves us towards ensuring our students have the skills needed to be successful in the workplace, we will focus on developing the 21st-century skills of collaboration, communication, critical thinking and creativity using innovative teaching models that include inquiry, technology, and interest-based learning in personalized, student-centered environments.

Mission, Values and Beliefs

Yellowknife Catholic Schools is a family of learners: developing faith, celebrating culture, supporting diversity, teaching critical thinking and inspiring service to others.

Through Christ we value: truth, honesty, compassion, respect, forgiveness, service, love and living the faith.

We believe that we are a Catholic, Christ-centered community that strives to nurture the spiritual, intellectual, emotional, social and physical development of all learners.

Board of Trustees

There are seven trustees at Yellowknife Catholic Schools. Mr. Miles Welsh is the Chair and Ms. Erin Currie is the Vice Chair. Other trustees are John Dalton, Revi Lau-a, Tina Schauerte, Amy Kennedy and Steven Voytilla. There are two committees in place – Finance and Facilities. Trustee meetings are held each month and are open to the public.

Yellowknife Catholic Schools

Yellowknife Catholic Schools

Yellowknife Catholic Schools (YCS) is the only Catholic school board in the Northwest Territories. YCS was established in July 1951 and provides education of students from junior kindergarten to Grade 12.

YCS programs operate out of: École St. Patrick High School (ESPHS), Weledeh Catholic School (WCS), École St. Joseph School (ESJS), the Kimberlite Career and Technical Centre (KCTC), the Tallah Building, the Yellowknife Family Centre, Jim Murphy Maintenance Building and the Central Services Building. All of our facilities are in excellent condition.

The senior administration team consists of Claudia Parker – Superintendent; Simone Gessler – Assistant Superintendent – Learning and Janet Toner – Assistant Superintendent – Business.

The principal at École St. Patrick High School is Gillian Dawe-Taylor. The principal at Weledeh Catholic School is Todd Stewart and the principal at École St. Joseph School is Pat Sullivan.

Student and Teacher Population

The following is the student enrolment as of September 30th and the teachers that were employed as of September 30, 2016.

	Enrolment	Teachers	Pupil/Teacher Ratio
École St Patrick High School	493	31	16
Weledeh Catholic School	351	24	15
École St Joseph School	486	30	16
KCTC	0	4	0
TTC	0	1	0
	<u>1,330</u>	<u>90</u>	<u>15</u>

There was a total of 164 staff at YCS as of June 2017.

Yellowknife Catholic Schools

Strategic Plan

Vision Statement for 2016-2019

YCS will strive to provide engaging, collaborative, innovative, inquiry and faith-based learning environments as a means to develop versatile and involved learners that are advocates of their personal learning journey.

Goals

The goals of YCS are to:

- Foster inquiry and collaboration throughout the integration of technology and the development of 21st century classrooms.
- Provide rich literacy and numeracy instruction through collaborative and supporting programming
- Develop spiritually and culturally-rich global citizens with a sense of social justice and community awareness

Commitments

YCS is committed to the following:

- Engage in continuous growth and improvement, make decisions to enhance student learning and provide opportunities for the community to learn together.
- Provide all learners with a safe environment that promotes spiritual, academic, physical, emotional, and social growth, encouraging inquiry, innovation and self-reflection.
- Allocate resources based on our vision and commitment to our learners.

YCS realizes its responsibility to provide an excellent education for our students. Our district is proud of its reputation for providing high-quality education to the students of our community through continuous improvement and the cooperative efforts of the Northwest Territories (GNWT) Minister of Education, Culture and Employment (ECE), administration, teachers, staff, students, families and a supportive community.

Yellowknife Catholic Schools

Financial Condition

The audited consolidated financial statements were prepared for the Government of the Northwest Territories (GNWT) Minister of Education, Culture and Employment (ECE), in accordance with Canadian public sector accounting standards.

Highlights of YCS Financial Position

Financial Assets

The financial and non-financial assets of YCS consist of cash and accounts receivable. The cash balance was \$4,215,783 on June 30, 2017 (prior year - \$4,521,653) and indicates a good cash flow. The financial position at June 30, 2017 was \$4,666,773 (prior year \$4,916,456).

Liabilities

Liabilities consist of payroll liabilities, accounts payable and long term debt. The payroll liabilities consist of payroll liabilities to staff for July and August. The long term debt was reduced by \$863,764 during the year. YCS issued debentures for the construction of Weledeh Catholic School and for the purchase of the Tallah Building. Future streams of revenue (rental revenue for the Tallah building and GNWT Core funding for the Weledeh debenture) will more than cover the net financial debt.

The Consolidated Statement of Financial Position has a subtotal called "Net debt". This line is an indicator of the ability to discharge all of the entity's debt with financial assets. This year the net debt is \$1,212,218 compared to \$1,813,687 which indicates a slightly better financial position.

Yellowknife Catholic Schools

Non-financial Assets

Non-financial assets include land and buildings that YCS has no intention of selling and that would not be able to be quickly converted to cash. The non-financial assets decreased from \$44,277,814 to \$42,988,243 which mainly reflects the change in the value of the tangible capital assets owned by Yellowknife Catholic Schools.

The \$1,274,816 decrease in tangible capital assets relates to depreciation of tangible capital assets for this fiscal year partially offset by capital improvements at École St Patrick High School.

Accumulated Surplus

Accumulated surplus is equal to the difference between non-financial assets and net debt. Accumulated surplus represents the equity that YCS has generated in the last 66 years. The largest component of accumulated surplus is the Investment in Tangible Capital Assets. A further breakdown of accumulated surplus can be found on the Consolidated Statement of Accumulated Surplus.

Highlights of YCS Operations

Operating Revenue

Yellowknife Catholic Schools

Operating Revenue

The majority of the funding (73%) for YCS comes from the Government of the Northwest Territories (GNWT) Department of Education, Culture and Employment (ECE) as core funding. The core funding is derived from a funding formula developed by ECE. The most important factor in the funding formula is student enrollment. GNWT core funding also includes \$860,000 paid to YCS each year to cover principal and interest payments on a debenture issued by YCS to fund the construction of Weledeh Catholic School.

YCS also generates revenue from property taxes – 16% of revenue. The City of Yellowknife collects property tax revenue on our behalf.

Yellowknife Catholic Schools has a contract with the Government of Canada for the Yellowknife Family Centre. On March 31st there was a successful transition of the Yellowknife Family Centre to the YWCA NWT.

Other GNWT funding includes contribution agreement funding for: French language programs, the Four Plus program, Yellowknife Family Centre, preschool programs, active after-school programs and for the development of materials for aboriginal languages. In the upcoming year, there will be no more funding for the Four Plus and preschool programs since junior kindergarten will now be offered at Yellowknife Catholic Schools.

Board generated funds include donations, bus pass sales, day care fees, investment revenue, and rental revenue.

YCS generates revenue from other school districts when a student from that district attends an YCS school and the other district receives GNWT core funding for that student.

YCS is economically dependent upon the GNWT for the majority of its operating revenue. Significant changes to enrollment in Yellowknife or to the GNWT funding formula would have dramatic effects on the future operations of YCS.

Yellowknife Catholic Schools

Operating Expenditures

The Consolidated Statement of Operations and Schedule 1 provide two different ways to classify expenditures. In the Consolidated Statement of Operations, expenditures are classified by program. Schedule 1 of the consolidated financial statements provides an additional breakdown by object.

Expenditures – By Program

Yellowknife Catholic Schools

Expenditures – By Program

Program categories for YCS are:

- **Aboriginal Language and Culture (3%):** Includes salary and benefits of Dogrib Language instructors, salary and benefits of the literacy coach, costs related to the creation of learning materials in the Dogrib language and the cost of running our aboriginal language and culture camps.
- **Board Administration (7%):** Includes salary and benefits for central services administrative and technology staff, honoraria for trustees, audit and legal fees, travel costs, advertising and publishing costs.
- **Debt service:** Relates to interest on long-term debt for the repayment of debentures for Weledeh Catholic School (WCS) and the Tallah Building. The WCS debenture repayments are fully funded through an agreement with the GNWT. Debenture repayments for the Tallah building are mostly funded through lease payments from Aurora College.
- **Inclusive schooling (18%):** Expenditures in this program relate to supporting students with diverse needs. This support can include enrichment opportunities as well as supporting students with learning challenges. Salary and benefits for program support teachers, literacy and early intervention teachers, the student services coordinator, counselors, classroom assistants, and advanced placement teachers are included in this category.
- **Operations and maintenance (8%):** Includes salary and benefits of maintenance staff, cost of electricity, fuel and water, expenditures on janitorial services, expenditures on repair and maintenance of our facilities (including minor capital projects).
- **School programs (57%):** Salary and benefits for the majority of teachers are recorded in this program. Other large components of expenditure in this program are salary and benefits for school administrative assistants, library technicians, and curriculum coordinators, the cost for school textbooks and supplies and the cost of busing services.
- **Amortization (7%):** This expense relates to the rational and systematic manner to write off the value of the tangible capital asset over an appropriate number of accounting periods.

Yellowknife Catholic Schools

Expenditures by Object

Expenditures by Object

- Compensation (79%): Includes salary for teachers, coordinators, classroom assistants, maintenance staff, administration assistants, library technicians, counsellors, technology staff, administrative staff and trustee honoraria. The majority of YCS staff is unionized and collective agreements with the unions specify pay and benefits for these staff. Compensation also includes employee benefits which consists of employer contributions to pension plans, extended health and dental plans, CPP, EI, WSCC premiums, life insurance, long term disability insurance, maternity leave, professional development, medical travel, vacation travel, removal benefits and other allowances.
- Services Purchased/contracted services (11%): Include busing, janitorial services, insurance services, security services and snow removal.
- Materials/freight (3%): Include expenses for material and freight of goods.
- Amortization (7%) : This expense relates to the rational and systematic manner to write off the value of the tangible capital asset over an appropriate number of accounting periods.
- Debenture interest: Include interest expense paid during the year for the Weledeh and Tallah building debentures.

Yellowknife Catholic Schools

Operating Deficit

At the end of the year, there was a deficit of \$688,102 and this includes the amortization expense. Before the amortization expense, there was an operating surplus of \$1,108,023.

Summary of Accumulated Surplus

	Opening	Increase (Decrease)	Closing
Operating Fund Surplus	\$ 339,253	-\$ 282,655	\$ 56,598
Investment in Tangible Capital Assets	41,854,688	-411,053	41,443,635
Decentralized Budget Accumulated Surplus	270,186	5,606	275,792
	<u>\$ 42,464,127</u>	<u>-\$ 688,102</u>	<u>\$ 41,776,025</u>

The operating fund surplus decreased by \$282,655 during the year and this is mainly due to higher than anticipated pension costs. The increased pension cost is due to the wind up valuation and the requirement to pay the pension trust a portion of this pension valuation deficit. This requirement is a statutory requirement and the funds are held in the pension trust fund for future use. The wind up valuation payment for 2016 was \$187,800 and the estimated wind up payment for 2017 is \$350,000.

Investment in tangible capital assets represents the amount of funds received and recognized as revenue that allow us to purchase our tangible capital assets less accumulated amortization. The decrease in this account this year is due to amortization of our tangible capital assets offset by the principal portion of the repayment of debentures on WCS and the Tallah Building and offset by the purchase of a new roof at the Tallah building.

The decentralized budget accumulated surplus consists of funds, which are committed to or designated to specific purposes. The majority of these funds are professional development obligations carried forward under the terms of employment contracts. Other significant amounts in the decentralized budget accumulated surplus are school-based funds. Decisions on expenditure of school based funds are made by individual schools under YCS' School Based Decision Making Procedure.

Yellowknife Catholic Schools

Budget Variance

Revenue

In 2016/2017, an annual deficit of \$722,948 was budgeted and the actual deficit was \$688,102 (variance \$34,845).

The budgeted revenue for 2016/2017 was \$24,173,540 and the actual revenue was \$25,281,536. The increase in revenue is due to increased core and other contributions of approximately from the Government of Education, Culture and Employment. There was also an increase in education authority generated funds due to funds from a staff secondment and other sources of income.

Revenue – Current year (Actual) vs Budget

Yellowknife Catholic Schools

Expenditures

The budgeted expenditures for 2016/2017 were \$24,896,488 and the actual expenditures were \$25,969,638 resulting in a variance of \$1,073,150. The difference in salaries is due to increased cost of special payments to the pension fund. The change in materials and supplies is due to higher supplies purchased for the Indigenous program at year end.

Expenditures – Budget vs. Actual

	Budget	Actual	Variance	%
Salaries	\$14,880,392	\$15,644,470	-\$ 764,078	1.05
Employee Benefits Services	4,812,917	4,918,669	-105,752	1.02
Purchased/contracted	2,886,443	2,763,026	123,417	0.96
Materials/supplies/freight	544,306	771,098	-226,792	1.42
Amortization	1,700,000	1,796,125	-96,125	1.06
Debt Services	72,430	76,250	-3,820	1.05
	\$24,896,488	\$25,969,638	-\$ 1,073,150	

Yellowknife Catholic Schools

Current Year Compared to Prior Year

The prior year operating deficit was \$1,399,519 and the current operating deficit is \$688,102. Revenue in the prior year was \$25,180,122 and \$25,281,536 in the current year, resulting in a variance of \$101,424. Expenditures in the prior year were \$26,579,631 and \$25,969,638 resulting in a variance of \$606,993. The variance is mainly due to the reduction of some positions in the Central Services and Maintenance department.

Revenue – current year (actual) compared to prior year

Yellowknife Catholic Schools

Expenditures – current year (actual) compared to prior year

Yellowknife Catholic Schools

Summary and Outlook

The 2017/2018 school year will be an exciting year at all three schools. We will continue to focus on 21st century learning skills. This year we continue the theme of Merciful Hearts, with the specific focus on Mercy that Serves.

As our population is growing, we are challenged by our space needs. We continue to work with ECE staff to resolve our space needs at École St. Joseph School.

We continue to struggle with the special needs requirements in the classroom. Due to financial constraints, we are unable to increase the number of classroom assistants.

In the budget for 2017/2018, the Trustees committed to supporting all the present programs and positions at Yellowknife Catholic Schools. The Trustees and administration will continue to work together to provide the best education while being fiscally responsible.

We have developed a five year capital plan that has identified the capital needs of the schools. Many of the projects will save operational costs as we look at providing more energy efficient items in our schools.

In 2017/2018, we will welcome Ms. Gillian Dawe-Taylor as the principal of École St. Patrick High School. Last year she was on secondment with the ECE and the former principal of École St. Joseph School.

YCS has a small operating fund deficit for the year and has a strong cash position that will allow us to continue to operate in a financially prudent manner in the future. We will continue to be challenged to provide quality education in a fiscally responsible manner. While we are faced with financial constraints, we will ensure that today's dollars are spent on today's students. This will ensure that all of our students are prepared for their exciting lives.

Management's Responsibility for Financial Reporting with respect to the school year ended June 30, 2017

The Management Discussion and Analysis, Consolidated Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of Yellowknife Catholic Schools (YCS) in all material respects and in accordance with Canadian Public Sector Accounting Standards (CPSAS) as well as the Financial Administration Manual (FAM) and the Financial Administration Manual for Education Authorities (FAMEA) of the Government of the Northwest Territories.

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of Yellowknife Catholic Schools have been conducted within the statutory powers of the Education Authority. The operations and administration of the Education Authority as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the *Education Act*, *Financial Administration Act*, CPSAS, FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Education Authority Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or safety hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in all significant respects, in accordance with specified legislation and directives from the Department of Education, Culture, and Employment (ECE) of the Government of the Northwest Territories.

Approved and confirmed on behalf of the Yellowknife Catholic Schools.

Independent Auditors' Report

To the Minister of Education, Culture and Employment Government of the Northwest Territories

Report on Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of the Yellowknife Public Denominational District Education Authority ("Yellowknife Catholic Schools"), which comprises the consolidated statement of financial position as at June 30, 2017, and the consolidated statement of changes in net debt, the consolidated statement of operations, the consolidated statement of cash flows and the consolidated statement of accumulated surplus for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatements, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the entity's internal controls. An audit also included evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent Auditors' Report (continued)

Opinion

In our opinion, these consolidated financial statements present fairly, in all material respects, the consolidated financial position of Yellowknife Catholic Schools as at June 30, 2017 and the results of its operations, changes in net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Report on Other Legal and Regulatory Requirements

We further report in accordance with the *Financial Administration Act* that, in our opinion, proper books of account have been kept by Yellowknife Catholic Schools, the consolidated financial statements are in agreement therewith and the transactions that have come under our notice have, in all significant aspects, been within the statutory powers of Yellowknife Catholic Schools.

Yellowknife Catholic Schools

(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

1. Nature of the Organization

Yellowknife Public Denominational District Education Authority, Yellowknife Catholic Schools ("YCS") was established in July 1951 and is presently the only Catholic school board in the Northwest Territories. A full range of instructional programs ranging from Kindergarten through Grade 12 is offered by the YCS.

YCS is an independent legal and accounting entity with an elected Board of Trustees as stipulated in Section 82 of the *Education Act*. The Board of Trustees has decision making authority, the power to delegate authority, the ability to significantly influence operations and the sole accountability for all fiscal matters.

Section 81 of the *Education Act* outlines the powers of a Board of Education which for the YCS includes all aspects of operation and management relating to Catholic education within the boundaries of the City of Yellowknife. The Board of Trustees is the lowest (and sole) level of government exercising oversight responsibility. The consolidated financial statements of the YCS are not included in the financial statements of the City of Yellowknife as the YCS trustees are a separate governing body that is not under the control of the City of Yellowknife. The City of Yellowknife, however, does collect and remit property taxes requisitioned by the Board.

2. Significant Accounting Policies

(a) Basis of Accounting

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards. The consolidated financial statements reflect the assets, liabilities, revenue and expenses of the reporting entity, which is composed of all organizations which are controlled by YCS. These organizations include the three schools, maintenance shop and Kimberlite Career and Technical Centre.

The consolidated financial statements have, in management's opinion, been properly prepared with reasonable limits of materiality. The basis of accounting refers to the timing of when revenue and expenditure items are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is utilized for all funds. Under the basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

YCS uses fund accounting to separate transactions between its Operating fund surplus, Investment in tangible capital assets and Decentralized budget accumulated surplus.

Operating Fund Surplus

The Operating fund surplus is the general operating fund of the YCS in which all transactions concerned with current operations are recorded. Substantially all territorial, local (primarily property tax), and other operating revenue is accounted for in the Operating fund surplus. In accordance with accounting principles that are considered appropriate for organizations of this type, tangible capital assets acquired and debenture debt repayment that are financed with operating funds are treated as expenditures in the Operating fund surplus and then transferred to the Investment in tangible capital asset fund. The Operating fund also accounts for expenditures and contributions to or from other funds (transfers) which provide for day-to-day operations.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

2. Significant Accounting Policies (continued)

(a) Basis of Accounting (continued)

Operating Fund Surplus (continued)

In summary, the Operating fund surplus is used to account for all financial activities except those accounted for in the Investment in tangible capital assets fund and Decentralized budget accumulated surplus.

Investment in Tangible Capital Assets

The Investment in tangible capital assets fund is used to account for financial transactions related to the acquisition of tangible capital assets in excess of \$50,000.

Properties are carried at cost at the date of acquisition and amortization is recorded in the accounts. The cost of additions and repayment of debentures or other long-term debt is charged to the Investment in tangible capital assets fund. This results in a corresponding increase in the equity in tangible capital assets. Other additions are initially charged to the statement of operations.

Decentralized Budget Accumulated Surplus

The Decentralized budget accumulated surplus fund represents specific amounts eligible for carry-over to subsequent years for each school.

(b) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques.

(c) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arm's length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently measured at its fair value, the initial value is adjusted for financing fees and transactions costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

Financial assets subsequently measured at amortized cost include cash and cash equivalents, accounts receivable, and due from the Government of Canada.

Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities, long term debt, payroll benefits payable and accrued payroll liabilities.

There are no financial instruments subsequently measured at fair value.

Yellowknife Catholic Schools

(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

2. Significant Accounting Policies (continued)

(c) Financial Instruments (continued)

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, to a maximum of the related accumulated impairment charges recorded in respect of the particular asset is recognized in operations.

(d) Non-Financial Assets

Prepaid expenses and other non-financial assets are accounted for as assets by YCS because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of YCS.

(e) Tangible Capital Assets

Tangible capital assets acquired for more than \$50,000 are capitalized and amortized. Tangible capital assets are recorded at cost plus any betterments less accumulated amortization. The cost includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The buildings, portables and equipment will be amortized using the straight line method, based on their useful life. The buildings, portables and equipment have useful lives of 40, 25 and 10 years respectively. Any additions to the buildings and portables will be amortized over the remaining useful life of the assets.

(f) Revenue Recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government Transfers

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

2. Significant Accounting Policies (continued)

(f) Revenue Recognition (continued)

GNWT - Regular Contributions

The regular contributions from the GNWT are determined by a funding formula, based on student enrolment, and are received in monthly installments. YCS retains surpluses and are responsible for deficits. Any funding requests, over and above those levels provided by the formula, must be first approved by the GNWT.

The YCS is economically dependent on the GNWT to provide funding for continued operations.

Local Tax Revenue

The *Education Act*, by virtue of Section 136(2), empowers a Board of Education to determine the amount, after taking into consideration territorial grants and other revenue, that is to be requisitioned from the municipality within the territory under the jurisdiction of the Board. This requisitioned amount is one portion of the property tax paid annually by property owners.

The City of Yellowknife is advised subsequent to the adoption of the budget of the amount of the requisition of the YCS and is responsible for the collection of taxes.

Section 136(4) of the *Education Act* requires the amount requisitioned to be paid to the YCS in equal quarterly installments on or before the first day of the months of June, September, December and March.

Other Contributions

YCS follows the deferral method of accounting for contributions from funding arrangements. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are deferred and recognized as revenue in the year in which the related expenses are incurred. Tuition fees revenue is recognized as educational services are provided. Insurance proceeds relating to ongoing expenses are recognized as the expenses are incurred. Insurance proceeds relating to building and equipment loss are recognized at the date of loss.

Deferred Revenue

Deferred revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenue when the eligible expenditures are incurred.

Special Purpose Funds

Schools in the system administer funds which arise from certain school and student activities. Such funds, although subject to internal review, are not recorded in the accounts or in the consolidated financial statements of the YCS as they do not constitute any part of the approved Operating fund surplus (deficit) budget and are available for use at the discretion of each individual school.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

2. Accounting Policies (continued)

(g) Budget Data

The *Education Act* of the Northwest Territories requires that Education Authorities prepare an annual budget, as outlined in Section 128 and 129.

The priorities and funding allocations are determined by the Board of Trustees of each Education Authority and the budget is legally adopted by a motion of the Board in accordance with Section 135 (3) of the *Education Act*.

The budget is legally adopted by a motion of the Board which also establishes a tax levy to support the approved budget in accordance with Section 135(2) of the *Education Act*.

Budget approved budgets are submitted to the Minister of Education, Culture and Employment for final approval as directed by Sections 117(2) k, l and m of the *Education Act*.

This annual budget includes estimates of revenue and expenditures for the Operating fund surplus along with estimates of source and application for the Investment in tangible capital assets fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the YCS.

The budget may be amended within a given fiscal year in accordance with Board policy, regulations and approved budget procedures. The budget data presented in the consolidated financial statements reflects the Minister approved budget for the school year.

(h) Measurement Uncertainty

The preparation of consolidated financial statements in conformity with Canadian Public Sector Accounting Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the amounts of revenue and expenses during the period. Actual results could differ from these estimates.

(i) Inventories Including Materials and Supplies

Inventories held for consumption or use are recorded at the lower of historical cost and replacement cost.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

2. Accounting Policies (continued)

(j) Payroll Liabilities

Payroll costs for teachers are accrued for July and August. Payroll costs for members of the Union of Northern Workers (UNW) and employees who work for 10 and 11 months during the fiscal year are accrued as appropriate.

(k) Employee Future Benefits

i) Post employment benefits

YCS provides post employment benefits for certain employees pursuant to certain contracts and collective agreements. These include removal assistance, severance, long and short term disability, and sick leave.

Teachers and UNW employees leaving Yellowknife within one year of the date of resignation, after completing a minimum of two years experience with YCS, will receive removal assistance of \$1,500 plus \$400 for each year of consecutive service with YCS, excluding years on deferred salary leave. Teachers who leave the employment of YCS after twenty years of consecutive service will receive an additional payment of \$2,000. This benefit is considered to vest and accumulate. YCS recognizes a liability and expense for this post employment benefit in the period in which teachers and UNW employees render services to YCS.

YCS recognizes a liability and an expense for post employment benefits and compensated absences that do not vest or accumulate when the event that obligates YCS occurs. This includes benefits to employees in the event of an accident or injury. The benefit would be accrued when the accident or injury occurs.

ii) Sick leave

Sick leave benefits accumulate but do not vest and are normally paid only upon an illness or injury-related absence. Such benefits are obligations and would be recognized. The actuarial company hired by the GNWT conducted a review and has estimated the sick leave obligation as at June 30, 2017.

iii) Pensions

Prior to May 1, 2013 all indeterminate full-time employees had the option to participate in a Defined Contribution (DC) pension plan. YCS contributions to this plan were recognized as an expense on a current year basis and represented YCS total pension obligations.

Effective May 1, 2013 the YCS added a Defined Benefit (DB) provision to the Pension Plan for the employees of Yellowknife Catholic Schools. The pension benefits under the DB provision are reported on an actuarial basis. This is done to determine the current value of future entitlements and uses various assumptions. When actual experience varies from assumptions, the resulting gains or losses are amortized on a straight line basis over the estimated average remaining service lives of the contributors.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

2. Accounting Policies (continued)

(l) Employee Benefit Plans

The YCS contributes 100% of the premiums related to life insurance, long term disability insurance and extended health care benefits for eligible employees, in accordance with negotiated salary agreements and employment practices.

In addition, the YCS contributes 100% of the premiums related to dental insurance in accordance with negotiated salary agreements and employment practices.

Employee and employer contributions are made on behalf of all employees for statutory federal deductions related to Canada Pension Plan and Employment Insurance.

(m) Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed. Transfers include entitlements and grants and are recorded as expenses when the transfer is authorized and eligibility criteria have been met by the recipient.

(n) Liability for Contaminated Sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. A liability would be recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all the following criteria are met: an environmental standard exists; contamination exceeds the environmental standard; YCS is directly responsible or accepts responsibility and a reasonable estimate of the amount can be made. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available as at June 30, 2017.

At each financial reporting date, Management reviews the carrying amounts of the liability. Any revisions required to the amount previously recognized are accounted for in the period revisions are made. Management at YCS has concluded that there is no contamination that exceeds environmental standards and as a result there are no liabilities for contaminated sites.

(o) Net Debt

YCS's financial statements are presented so as to highlight net financial assets (net debt) as the measurement of financial position. The net financial assets (net debt) of YCS is determined by its financial assets less its liabilities. Net debt combined with non-financial assets comprises a second indicator of financial position, accumulated surplus.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

3. Future Accounting Changes

Related Party Disclosures, Section PS 2200

This new section defines a related party and establishes disclosures required for related party transactions. This Section applies to fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. The impact of the transition to these accounting standards is being reviewed by management.

Inter-entity Transactions, Section PS 3420

This new section establishes standards on how to account for and report transactions between public sector entities that comprise a government's reporting entity from both a provider and recipient perspective. This Section applies to fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. The impact of the transition to these accounting standards is being reviewed by management.

Assets, Section PS 3210

This new section provides guidance for applying the definition of assets and establishes general disclosure standards for assets. Disclosure information about the major categories of assets that are not recognized is required. This Section applies to fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. The impact of the transition to these accounting standards is being reviewed by management.

Contingent Assets, Section PS 3320

This new section defines and establishes disclosure on contingent assets. Disclosure of information about contingent assets is required when the occurrence of the confirming future event is likely. This Section applies to fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. The impact of the transition to these accounting standards is being reviewed by management.

Contractual Rights, Section PS 3380

This new section defines and establishes disclosure standards on contractual rights. Disclosure of the nature, extent, and timing or any contractual rights is required. This Section applies to fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. The impact of the transition to these accounting standards is being reviewed by management.

Restructuring Transactions, Section PS 3430

This new section establishes standards on how to record assets, liabilities, revenues and expenses related to restructuring transactions as well as disclosure requirements for the recipient and transferor. This Section applies to fiscal years beginning on or after April 1, 2018. Earlier adoption is permitted. The impact of the transition to these accounting standards is being reviewed by management.

Financial Instruments, Section PS 3450 and related amendments to Financial Statement Presentation, Section PS 1201

This standard will establish how to account for and report all types of financial instruments including derivatives. Financial instruments include primary instruments and derivative financial instruments. Governments should adopt Section PS 3450 in the same fiscal year Section PS 2601, Foreign Currency Translation, is adopted. This Section is effective for fiscal periods beginning on or after April 1, 2019. Earlier adoption is permitted. The impact of the transition to these accounting standards is being reviewed by management.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

3. Future Accounting Changes (continued)

Foreign Currency Translation, Section PS 2601

This section is replacing existing Section PS 2600, Foreign Currency Translation. Governments should adopt Section PS 2601 in the same fiscal year Section PS 3450, Financial Instruments, is adopted. This Section is effective for fiscal periods beginning on or after April 1, 2019. Earlier adoption is permitted. The impact of the transition to these accounting standards has been reviewed by management and is not considered significant.

Student Activity Funds

Under direction from the Government of Northwest Territories - Department of Education, Culture and Employment, student funds may be required to be reported on the consolidated financial statements of Yellowknife Catholic Schools in the future.

4. Cash and Cash Equivalents

	2017	2016
Cash	\$ 4,215,783	\$ 4,521,653

The cash is held in a bank account with the Canadian Imperial Bank of Commerce (CIBC) and is invested with the GNWT's investment pool.

5. Special Purpose Funds

YCS does not have special purpose funds.

6. Restricted Assets

YCS does not have any restricted assets.

7. Portfolio Investments

YCS does not have any portfolio investments.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

15. Pensions

(a) Defined Contribution Plan

Since January 1, 1966 Yellowknife Catholic Schools indeterminate staff have had the option to participate in a voluntary Defined Contribution (DC) pension plan. Since January 1, 1988, that participation has been in the Pension Plan for the Employees of Yellowknife Catholic Schools (the Plan).

All DC assets of the Plan are held by a Trustee in favour of individual employees. The only obligation to YCS is to match employee contributions. YCS fully funds its DC obligation under the Plan each month. YCS did not have any liability under the DC provision of the Plan as of June 30, 2017.

Effective May 1, 2013 teaching and non-union staff could no longer contribute to the DC provision. Instead all indeterminate teaching and non-unionized staff joined a new Defined Benefit (DB) provision of the Plan. Effective July 1, 2013, all indeterminate unionized non-teaching staff also ceased to make contributions to the DC provision and joined the DB provision of the Plan. After July 1, 2013, there are no employees making contributions to the DC provision.

DC assets of the Plan will continue to be held in Trust for the individual employees unless they either elect to transfer their DC account to the DB provision or leave the employment of Yellowknife Catholic Schools.

No assets or liabilities related to the DC provision are recorded in the financial statements of Yellowknife Catholic Schools.

(b) Defined Benefit Plan

Effective May 1, 2013 a Defined Benefit (DB) provision was added to the Pension Plan for the Employees of Yellowknife Catholic Schools.

Summary of Defined Benefit provision:

Each permanent full-time employee, belonging to an eligible class of employees, automatically becomes a Member of the plan as of the first day of employment with YCS.

Each permanent part-time employee, belonging to an eligible class of employees, automatically becomes a Member of the plan if the employee earns at least 37% of the equivalent full-time earnings for his or her particular position.

All Members and the Employer have agreed to share the cost of benefits accrued annually, plus the administrative expenses of the DB plan in the following ratio:

- Employer 52.38%
- Employee 47.62%

Members are required to make contributions at 8.80% of earnings below the Year's Maximum Pensionable Earnings (YMPE) and 11.60% of earnings above YMPE. The YMPE for the 2017 calendar year is \$55,300 (2016 - \$54,900).

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

15. Pensions (continued)

(b) Defined Benefit Plan (continued)

The employer must contribute to the DB pension trust fund each year no less than its portion of the total current service cost as determined by the Actuary. In addition, YCS shall contribute to the Solvency Account such additional amounts as may be required, based on the advice of the Actuary, to amortize any going concern unfunded liabilities and solvency deficiencies of the Plan.

Normal retirement date for an employee is when they terminate employment with YCS having reached the age of 65. An employee would be entitled to an unreduced early retirement date when the Members' age plus years of service at YCS total 90. A Member may elect to retire up to 10 years prior to their normal retirement date or their unreduced retirement date and take a reduced pension benefit.

The annual pension payable to Member who retires at the normal retirement date is equal to 1.30% of the a Member's Best Average Pensionable Earnings up to the Average YMPE plus 2% of the Member's Best Average Pensionable Earnings in excess of the Average YMPE, multiplied by years of Pensionable Service. Pensionable Earnings and the YMPE are averaged over the best 10 years prior to termination, death or retirement.

The plan provides inflation protection during retirement at 75% of the increase in Northwest Territories Consumer Price Index.

Benefits are vested immediately.

During fiscal 2016/2017 Yellowknife Catholic Schools contributed **\$1,535,319** (\$1,591,275 in fiscal 2015/2016) in respect of DB accruals.

The date of the most recent actuarial valuation of the Plan is June 30, 2016. The Accrued Benefit Obligation was calculated using the projected unit credit method, pro-rated on service.

The DB Pension Trust fund assets are recorded at fair market value.

(c) Supplementary Defined Benefit Pension Plan

The supplementary plan applies to the Superintendent and the Assistant Superintendents. The supplementary plan provides a pension benefit for pensionable earnings in excess of the defined benefit limit set out in the Income Tax Act. This plan is a non-contributory plan and is not funded until the employee terminates their employment from Yellowknife Catholic Schools. The employer is responsible to provide a pension at retirement equivalent to what the employee would have earned under the Defined Benefit provision of the Pension Plan for the Employees of Yellowknife Catholic schools if there were no *Income Tax Act* maximum pension limits in place. The Accrued Benefit Obligation was calculated using the projected unit credit method, pro-rated on service.

17. Post Employment Benefits and Compensated Absences

In addition to pension benefits, the YCS provides severance, removal and compensated absence (sick, accident or injury, special) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation.

Severance benefits are paid to YCS employees based on the appropriate combinations that include inputs such as when the employee was hired, the rate of pay, and the number of years of continuous employment. Removal benefits are paid to YCS employees based on the number of years of continuous employment. The benefits under these two categories were actuarially valued using the projected unit credit methodology.

Compensated absence benefits generally accrue as employees render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness, and death of an immediate family member. Non-accruing benefits include maternity. Benefits that accrue under compensated absence were actuarially valued using the expected utilization methodology.

Valuation results

The actuarial valuation was completed as at March 31, 2017. The effective date of the next actuarial valuation is March 31, 2018. The liabilities are actuarially determined as the present value of the accrued benefits at February 17, 2017 and the results extrapolated to June 30, 2017. The values presented below are for all the benefits under the Compensated Absences and Termination Benefits for the consolidated Government.

22. Capital Advances

YCS does not have any capital advances.

23. GNWT Assets Provided At No Cost

YCS does not have any GNWT assets provided at no cost.

24. Contractual Obligations

YCS has entered into agreements for, or is contractually committed to, the following expenses payable subsequent to June 30, 2017. YCS is committed to five janitorial contracts for various schools and buildings. All of the contracts expire in June 2018. YCS has a contract with First Canada ULC (o/a First Student Canada) for student transportation. The contract expires in June 2018 and can be extended for another three year period to June 2021. YCS has a contract with ThyssenKrupp for elevator maintenance. YCS is invoiced annually. This contract expires in February 2021. In its normal course of operations, YCS has leases for equipment. The equipment leases are payable in varying quarterly and annual installments.

27. Budget Data

The *Education Act* of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Education Body which includes the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation, of the *Education Act*.

The annual budget includes estimates of revenue and expenditures for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of YCS.

The budget figures presented are those approved by the Trustees of YCS on May 16, 2016 and have not been audited.

28. Economic Dependence

YCS receives its funding primarily from the GNWT. If the funding arrangements were to change management is of the opinion that YCS operations would be significantly affected.

Yellowknife Catholic Schools

(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

29. Risk Management

YCS is exposed to credit and liquidity risks from its financial instruments. Qualitative and quantitative analysis of the significant risks from the YCS's financial instruments is provided by type of risk below.

a) Credit risk

Credit risk is the risk of financial loss to the YCS if a debtor fails to make payments of interest and principal when due. The YCS is exposed to this risk relating to its cash and cash equivalents, due from the Government of Canada, and accounts receivable. The YCS holds its cash in accounts with federally regulated chartered banks who are insured by the Canadian Deposit Insurance Corporation. In the event of default, the YCS's cash in accounts are insured up to \$300,000.

YCS's maximum exposure to credit risk is represented by the financial assets balance for a total of **\$4,666,773** (2016 - \$4,916,452).

Accounts receivable are ultimately due from the departments of the Government of Canada and the Northwest Territories and pertain to outstanding contribution agreements. Accounts receivable from the Government of Canada represents goods and services tax receivable from the Government of Canada. There is a concentration of credit risk as the majority of the deposits are held in one Canadian chartered bank and more than 10% of the total accounts receivable is from the Government of the Northwest Territories. The amounts represent a low credit risk as the debtors are reputable governments and government organizations with a good credit score.

b) Interest rate risk

YCS manages its exposure to interest rate risk through fixed rate borrowings for its debentures. The fixed rate debts are subject to interest rate price risk, as the value will fluctuate as a result of changes in interest rates.

Yellowknife Catholic Schools
(Yellowknife Public Denominational District Education Authority)

Notes to Consolidated Financial Statements

June 30, 2017

29. Risk Management (continued)

c) Liquidity risk

Liquidity risk is the risk that the YCS will not be able to meet all cash outflow obligations as they come due. The YCS mitigates this risk by monitoring cash activities and expected outflows through budgeting and maintaining an adequate amount of cash to cover unexpected cash outflows should they arise.

The table below shows when various financial assets and liabilities mature.

Financial assets	Up to 6 months	6 months to 1 year	1 to 5 years	Over 5 years
Cash and cash equivalents	\$ 4,215,783	\$ -	\$ -	\$ -
Due from the government of Canada	132,809	-	-	-
Accounts receivable	318,181	-	-	-
Total assets	\$ 4,666,773	\$ -	\$ -	\$ -
Total assets - prior year	\$ 4,916,456	\$ -	\$ -	\$ -
Financial liabilities	Up to 6 months	6 months to 1 year	1 to 5 years	Over 5 years
Accounts payable and accrued liabilities	\$ 605,147	\$ -	\$ -	\$ -
Payroll benefits payable Due to the Government of Canada	206,784 11,685	- -	- -	- -
Long term debt	-	773,123	455,446	276,684
Accrued payroll liabilities	2,642,768	-	-	-
Total liabilities	\$ 3,466,384	\$ 773,123	\$ 455,446	\$ 276,684
Total liabilities - prior year	\$ 4,320,533	\$ 779,641	\$ 2,568,874	\$ 620,641
Net total	\$ 1,200,389	\$ (773,123)	\$ (455,446)	\$ (276,684)
Net total - prior year	\$ 595,923	\$ (779,641)	\$ (2,568,874)	\$ (620,641)

There have been no significant changes from the previous year in the exposure to risks or policies, procedures, and methods used to measure the risks.

Management Discussion and Analysis

June 2017

Introduction

Yellowknife Education District No. 1 (YK1) Administration:

Metro Huculak, Superintendent of Education/CEO
Ed Lippert, Assistant Superintendent
Tram Do, Director of Corporate Services

Current Board Members:

John Stephenson, Chairperson
Allan Shortt, Acting Vice Chairperson

Trustees:

Tina Drew
Jay Butler
Terry Brookes
Rajiv Rawat

Active Committees include:

- Policy Committee
- Public Relations Committee
- Finance Committee

YK1 Core Strategies

To ensure all students reach their highest level of learning by:

- Increasing success rate of early learners
- Consistently increasing the percentage of students working at grade level
- Increasing the percentage of students who successfully graduate or complete high school programs
- Increasing the success of all students reflecting the diversity of the student population
- Increasing student success in Mathematics and Science

To ensure all students receive programming which responds to their diverse learning needs in a respectful and inclusive manner by:

- Maintaining a high level of satisfaction with our Inclusive Education Program
- Strengthening inclusive school communities
- Increasing the level of competence among teachers in their ability to deal with diverse needs

To ensure all students are engaged in Indigenous languages, perspectives and culture-based education by:

- Integrating culturally relevant learning into instructional programming
- Increasing the offerings of the Willideh language
- Ensuring all schools reflect Indigenous Language and culture
- Engaging all students in Indigenous cultural experiences
- Increasing the number of skilled instructors of Indigenous language and culture-based education
- Strengthening relationships with Indigenous communities

To ensure all students engage in healthy lifestyles and respectful, caring relationships by:

- Increasing student participation in physical activities
- Improving student involvement and participation in the Arts
- Increasing student awareness of nutrition and the importance of healthy food choices
- Promoting positive relationships, resiliency and good citizenship
- Increasing awareness and access to wellness and mental health activities

Operating Environment

YK1 operates six schools in the City of Yellowknife. The following lists key programming in our schools:

Mildred Hall School (JK-8)

- Mildred Hall School (MHS) is an English school which also offers Core French and Tlicho language courses
- The school offers many extracurricular activities such as team sports, fine arts, guitar, fiddling and various band instruments; alternative sports such as mountain biking roller blading; alternative options such as magic, lego and crochet clubs
- An "On the Land Mentorship" program was established where students are paired with Aboriginal experts and elders to learn important skills like snaring, tanning moose hide and setting nets
- MHS provides a breakfast and hot lunch program. The school also has a large garden where students grow vegetables that are used in the foods program
- 'Peacemakers', a peer leadership group in the school, promotes education surrounding bullying and bullying prevention

N.J Macpherson School (JK-5)

- NJM is an English school which offers Core French
- Special programs at NJM include Montessori, Visual Arts, Music, Drama and Gymnastics. Several extracurricular sports, clubs and after-school programs are also offered
- Aboriginal language and culture is integrated into classroom sessions and students attend culture camps throughout the year
- NJM has an active Parent Advisory Council and a strong recycling program

École J.H. Sissons (JK-5)

- École J.H. Sissons School (ÉJHS) offers French Immersion programming
- Special programs include choir, musical theatre, afterschool athletic program and a speed skating academy. Afterschool activities include judo, soccer, improvisation, painting, chess and choir
- ÉJHS celebrates diversity through various events during the year
- Students and staff participate in a 7-day annual French language and culture camp - 'Camp de neige' - at the Yellowknife Ski Club

École William McDonald Middle School (6-8)

- École William McDonald Middle School (ÉWMS) offers programming for grades 6 to 8 in both English and French Immersion
- Other French options include: Intensive French - Grade 6, Post-Intensive French - grade 7 and 8, and Core French - Grade 6 to 8
- ÉWMS offers exploratory programs such as Industrial Arts, Home Economics and Outdoor Education

- The school offers a multi-sport Sports Academy program which includes hockey, soccer, dance, fitness and cross training. A newly-constructed fitness room allowed the school to expand its sports programming in the 2016-17 school year
- Special multiple-day camps available for Grade 8 students such as Camp Akaitcho and Hidden Lake Canoe Trip

Range Lake North School (JK-8)

- Intensive French is offered in Grade 6, Post-Intensive French in Grades 7 and 8 and Core French is offered in Grades 6 to 8
- Aboriginal language and culture is integrated into classroom sessions and students attend culture camps throughout the year
- Special programs at RLNS include music, band, fine arts, choir and drama
- Range Lake North School (RLN) offers an advanced technology program and technology classes are offered in robotics
- RLNS has an Athletic Excellence program and offers many extracurricular sports
- RLN has an active and involved Parent Advisory Committee who organize their largest fundraiser, Family Fun Night in the spring. All proceeds go back to support RLNS students

École Sir John Franklin High School (9-12)

- École Sir John Franklin High School (ÉSJF) offers programming from Grades 9 to 12 in both English and French Immersion
- ÉSJF has a dynamic Fine Arts program which includes music, band, choir, drama and visual arts
- The school offers an extensive trades curriculum and work experience program which includes Industrial Arts, automotives and esthetics
- ÉSJF offers Aboriginal culture programming and camps including Tlicho language instruction
- The school has a successful Sports Academy and several extra-curricular sports and clubs are offered
- ÉSJF has an At-Risk Student program which provides support and resources for students struggling in school, socially, or at home. Each at-risk student is assigned a student support staff person, and they organize weekly check-ins with the student to ensure they are on track for graduation. For those students that need counselling or suffer from addictions, weekly visits from Yellowknife Health & Social Services are arranged
- The school offers many opportunities for students to travel abroad for volunteering, scuba club trips and a French Immersion trip
- Night classes are also available

Route 51 Learning:

Route 51 Learning Institute is an alternate high school program which offers:

- a flexible schedule designed to accommodate students
- credits for work experience
- smaller student-to-teacher ratio, and students can focus on one course at a time

Financial Condition

Revenues

	\$
GNWT- ECE	26,550,111
GNWT-Other	354,097
Property Taxation	6,062,772
Rental	347,206
Investment	170,637
Other	<u>531,089</u>
Total Revenues	<u><u>34,015,912</u></u>

Funding from the Department of Education, Culture and Employment (ECE) makes up 78.1% of YK1's revenues. Property taxation revenue is 17.8% and the remainder is generated from investment income, Nordic Arms apartment rentals, preschool fees, superintendent services and parking lot rentals.

**Distribution of Expenditures
2016-2017 excluding amortization**

- School Programs
- Inclusive Schooling
- Operations & Maintenance
- Administration
- Aboriginal Language & Culture
- Accommodation
- Transfers to Capital

Expenses (excluding amortization)

School Programs	22,185,440
Inclusive Schooling	5,793,570
Operations & Maintenance	3,327,864
Administration	1,395,138
Aboriginal Language & Culture	1,077,829
Accommodation	197,630
Total Expenses	<u>33,977,470</u>

Expenditure allocations are based on the Department of Education, Culture and Employment (ECE) funding formula. 85.6% of expenditures consist of school programs, inclusive schooling, and Aboriginal Language and Culture which are directly related to schools.

Unrestricted Surpluses

The accumulated operating surplus is the overall operations of the district, the decentralized surplus is school operations and maintenance, and capital surplus is for major capital expenditures.

Surplus	2016/2017	2015/2016	Change
Operating	566,402	729,783	-163,381
Capital	904,165	904,165	0
Decentralized(Schools)	246,285	130,049	+116,236
<hr/>			
Total Accumulated Surplus	1,716,852	1,763,997	-47,145
<hr/>			
Unfunded :			
Leave and Termination Benefits	1,705,424	1,645,992	+59,432
<hr/>			
	3,422,276	3,409,984	+12,287

The accumulated operating surplus decreased by \$163,381 and the decentralized surplus increased by \$116,236, the total change is an overall decrease of \$47,145. The overall unrestricted surplus is 4.8% (\$1,716,852/\$35,606,554) of total 2017/2018 budgeted expenditures excluding amortization.

The accumulated unrestricted surplus has enabled YK1 to maintain quality programming for students, which has been a key strength of the district.

YK1 has older schools that require replacement or renovation. ECE has started the planning study for the J.H. Sissons renovations. The contract for J.H. Sissons School schematic design has been awarded. YK1 continues to lobby ECE to have Mildred Hall School renovations completed.

Some of the District's schools are underutilized. YK1 participates in space-sharing with Commission Scolaire Francophone Territories Du Nord-Ouest (CSFC) and various other groups to fill some of these spaces.

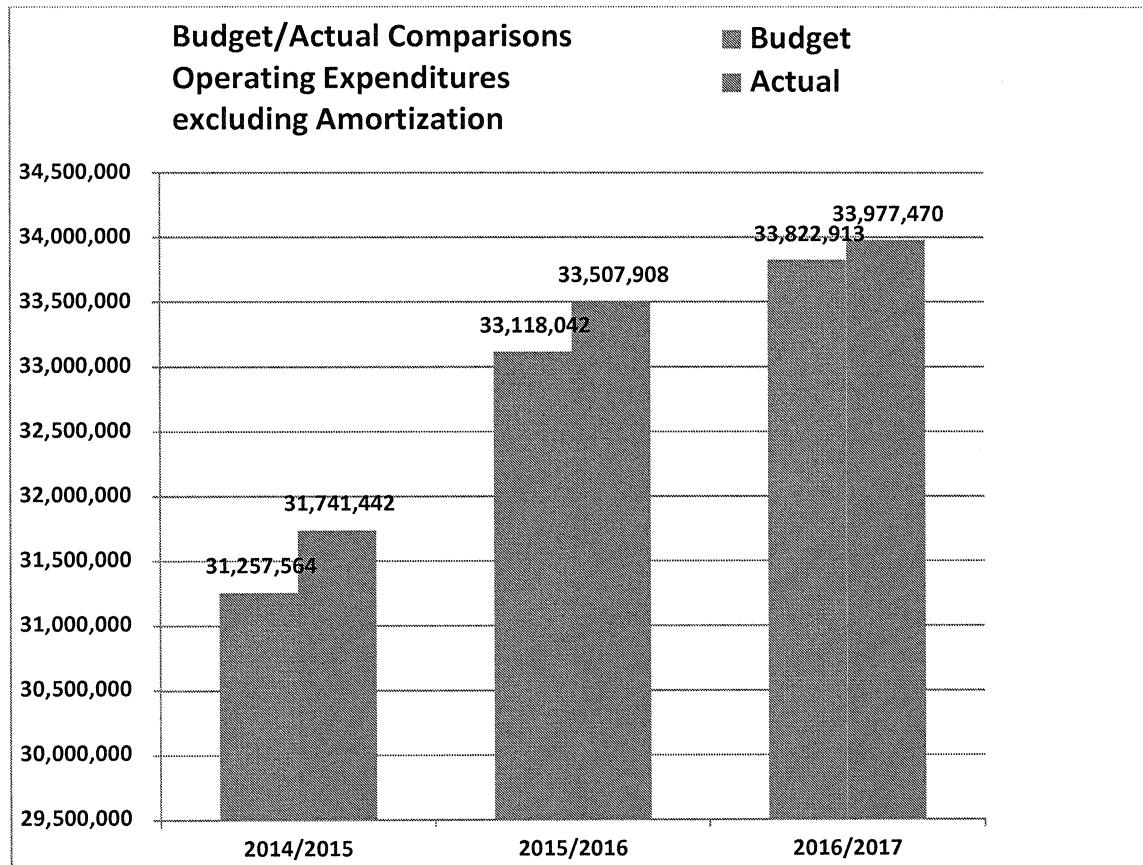

Restricted Reserves

The Department of Education, Culture and Employment has agreed to allow YK1 to maintain the unspent utility funding to be used for conversion of current lighting to LED lighting in the schools and minor capital expenditures. LED lights can save 30% or more on energy costs. ECE has agreed to allow YK1 to keep all utilities savings to be reinvested into minor capital projects or LED lighting upgrades.

YK1 has completed the LED light conversion for all outdoor lights and emergency exit lights at schools and buildings. This project completed April 2017. Over the summer months, DT Electric will be converting all the gymnasium lights in the schools to LED lights.

LED Restricted	2016/2017	2015/2016	Change
Beginning Balance	336,450		+336,450
Utility Savings	215,376	336,450	-121,074
Outdoor Lights Conversion	-129,789		-129,789
Total LED Reserve	422,037	336,450	+85,587

Budget/Actual Comparisons

YK1 revenues are higher than budget by \$427,000 due to:

- ECE revenues higher by \$83,000 due to Mentorship and terminations funding
- French Revenue higher due to increased funding from ECE and other school boards, in the amount of \$131,000
- Custodial cost recovery from CSFC (French school board), in the amount of \$31,000
- Portfolio Investment income higher by \$68,000 from previous years' interest owed from the GNWT Investment pool
- MACA, \$111,800 for active after-school and youth outdoor activities funding
- Drop the pop funding in the amount of \$22,233, Take a kid trapping and compost program in the amount of \$ 21,500
- Rental revenue lower by \$32,000 due to changing revenue recognition of teachers July and August rent payments to the next fiscal year

YK1 expenses variance highlights are:

- Amortization of fixed assets of \$982,742 was not considered when the budget was prepared

- Large variances under School Programs and Administration are due to Information Technology staff. The cost of \$355,000 was originally budgeted under Administration but the budget was amended in September and they are coded back under School Programs
- Schools saved on their O&M and substitute costs, therefore their surpluses increased by \$116,000
- School programs O&M increase by \$240,000 due to increased O&M supplies, busing costs, removal and recruitment costs, homeschooling

School	Enrolment K-12		Teachers/ Admin/ PST		Pupil/Teacher ratio	
	Sep-16	Jun-17	Sep-16	Jun-17	Sep-16	Jun-17
Mildred Hall School	247.00	259.00	16.00	16.50	15.44	15.70
JH Sissons	248.00	247.00	18.00	17.45	13.78	14.15
William McDonald School	210.00	207.00	14.00	14.45	15.00	14.33
NJ Macpherson School	283.50	284.00	17.50	17.50	16.20	16.23
Range Lake North School	288.00	278.00	20.00	20.00	14.40	13.90
Sir John Franklin High School	634.50	679.00	32.50	32.50	19.52	20.89
Total District	1,911.0	1,954.0	118.00	118.40	16.19	16.50

Overall enrolment increased by 43 students by the end of the year.

Summary and Outlook

In 2016-2017, YK1 faced many challenges including important decisions about the use of its facilities, the rollout and preparation of Junior Kindergarten (JK) and budget restrictions.

Despite these challenges, the Board looks back proudly at their achievements and successes over the past year:

- YK1 continued to work with the community to enrich student development by facilitating new learning opportunities including:
 - Elders in school programs
 - Artists and musician visits
 - Adding programs at SJF to include more CTS modules and a drones class
 - Workshops and field trips to various Yellowknife establishments
- The District is transitioning from fluorescent lightbulbs to LED lightbulbs. This will be more environmentally sustainable, and will save the District and ECE money in the long-term. All the outdoor lights are now LED lights, the school gym lights will be converted to LED lights over the summer.
- Outdoor beautification initiatives and gardening at the District's schools continues to be a priority of the Board
- All of the schools continued to offer a food program, which included a breakfast, lunch and snacks for students who need that kind of support
- Parent conversation nights held at YK1 schools encouraged parents to speak about what programming they wanted to see at their schools

- The Board finalized the Strategic Plan for 2016-2019, which includes a strong focus on literacy and numeracy, inclusive schooling, Aboriginal culture and promoting healthy relationships and lifestyles

Foreseeable Challenges for 2017-2018

- While a unanimous decision to retain all YK1 facilities status quo was reached, the Board is aware that enrolment and facility decisions will continue to be discussed
- The Board has approved a 5-year Capital Plan for YK1 schools. The Plan has been submitted to ECE to assist with their Capital planning
- The Board contracted Associated Environmental to complete a Hazardous Building Material Assessment of all YK1 buildings. The final report is expected to be presented to YK1 in September. There are potential remediation costs as a result of findings
- The YK1 Board is preparing for the rollout of the GNWT's JK in YK1 schools in the 2017-18 school year with no additional funding for Inclusive Education, Aboriginal Language and Culture, and busing
- The three Yellowknife school boards have chosen to jointly review alternative scenarios for JK busing in the fall of 2017, which will be in line with the contract renewal for busing services for 2018/2019
- The Department of Education, Culture and Employment has contracted A to Z to come up with Shared Services options for education authorities in the Northwest Territories. A report is expected to be released for September 2017

Yellowknife District No. 1 Education Authority

(the Authority)

Management Responsibility for Financial Reporting

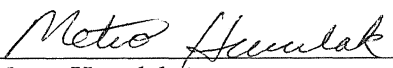

**To the Minister of Education, Culture and Employment
Government of the Northwest Territories**

The Management Discussion & Analysis, Financial Statements, Schedules and Notes herein submitted have been reviewed by management. They provide full disclosure and accurately reflect the financial and non-financial condition of the authority in all material respects and in accordance with Canadian Public Sector Accounting Standards (CPSAS) as well as the Financial Administration Manual (FAM) and the Financial Administration Manual for Education Authorities (FAMEA) of the Government of the Northwest Territories.

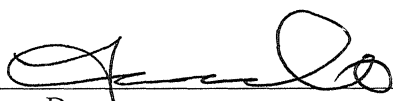

Management hereby asserts that adequate internal controls exist to ensure that transactions are complete, accurate and timely, appropriately authorized and include only valid transactions of the entity; that duties related to processes are appropriately segregated, that assets are safeguarded and that proper records are maintained. Controls further include quality standards regarding the hiring and training of employees, that ensure the adequate maintenance of written policies and procedural manuals and that further provide for appropriate accountability for performance within well-defined areas of responsibility. The operations and administration of Yellowknife District No. 1 Education Authority have been conducted within the statutory powers of the Authority. The operations and administration of the Education Body as well as the supporting internal controls of the entity are regularly monitored to ensure their effectiveness and their continued compliance with all relevant legislation, standards, directives and policies including but not limited to the Education Act, Financial Administration Act, CPSAS FAM, FAMEA, Human Resources Manual, Ministerial Directives and the policies of the Authority's Board. Any non-compliance has been specifically identified and has been previously communicated to the Minister and Deputy Minister.

Management hereby asserts that auditors have been provided with all relevant records and documentation as well as unrestricted access to the same. Management is not aware of any undisclosed irregularities involving management or employees with either current or potential impact on financial results, fraud or suspected fraud, disbursements made for purposes not consistent with an appropriation, irregular commitments including those in the form of guarantees, violations or possible violations of laws or regulations, claims or litigation, known or suspected environmental site contaminations or of any other undisclosed environmental or hazards within its jurisdiction.

The auditors annually provide an independent, objective audit for the purpose of expressing an opinion on the financial statements in accordance with Canadian generally accepted auditing standards. The auditors also consider whether the transactions that have come to their notice in the course of this audit are, in material respects, in accordance with specified legislation and directives from the Department of Education, Culture and Employment of the Government of the Northwest Territories.

Independent Auditors' Report

To the Minister of Education, Culture and Employment Government of the Northwest Territories

We have audited the accompanying consolidated financial statements of the Yellowknife District No. 1 Education Authority (the Authority), which comprise of the consolidated statement of financial position as at June 30, 2017, consolidated statements of operations, consolidated changes in net assets, and consolidated cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Authority's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent Auditors' Report (continued)*Opinion*

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of Yellowknife District No. 1 Education Authority as at June 30, 2017, and its consolidated financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Report on Other Legal and Regulatory Requirements

We further report in accordance with the *Financial Administration Act* that, in our opinion, proper books of account have been kept by Yellowknife District No. 1 Education Authority, the financial statements are in agreement therewith and the transactions that have come under our notice, have, in all significant respects, been within the statutory powers of Yellowknife District No. 1 Education Authority.

**Yellowknife, Northwest Territories

Yellowknife District No. 1 Education Authority

(the Authority)

Notes to Consolidated Financial Statements

June 30, 2017

1. Nature of the Organization

The Yellowknife District No. 1 Education Authority (the "Authority"), was established by the *Education Act* of the Government of the Northwest Territories (GNWT). Its purpose is to administer and maintain the standards of education programs defined under the *Education Act* in the City of Yellowknife.

The Authority is an independent legal and accounting entity with an elected Board of Trustees as stipulated in Section 82 of the *Education Act*. The Board of Trustees ("the Board") has decision making authority, the power to delegate authority, the ability to significantly influence operations and the sole accountability for all fiscal matters.

Section 81 of the *Education Act* outlines the powers of a Board of Education which for the Authority includes all aspects of operation and management relating to Public Education within the boundaries of the City of Yellowknife. The Board is the lowest (and sole) level of government exercising oversight responsibility. The financial statements of the Authority are not included in the financial statements of the City of Yellowknife as the Authority trustees are a separate governing body that is not under the control of the City of Yellowknife. The City of Yellowknife, however, does collect and remit property taxes requisitioned by the Board.

2. Significant Accounting Policies

a) Basis of Accounting

The consolidated financial statements of the Authority have been prepared in accordance with Canadian public sector accounting standards as recommended by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada.

The consolidated financial statements have, in management's opinion, been properly prepared with reasonable limits of materiality. The basis of accounting refers to the timing of when revenue and expenditure items are recognized in the accounts and reported in the financial statements. The accrual basis of accounting is utilized for all funds. Under the basis of accounting, revenues are recognized in the accounting period in which they are earned and become measurable, and expenses are recorded when they are incurred.

The Authority uses fund accounting to separate transactions between its Operating fund surplus, Investment in tangible capital assets and decentralized budget accumulated surplus.

June 30, 2017

2. Significant Accounting Policies (Continued)

Operating Fund Surplus

The Operating fund surplus is the general operating fund of the Authority in which all transactions concerned with current operations are recorded. Substantially all territorial, local (primarily property tax), and other operating revenue is accounted for in the Operating fund surplus. In accordance with accounting principles that are considered appropriate for organizations of this type, tangible capital assets acquired and debenture debt repayment that are financed with operating funds are treated as expenditures in the Operating fund surplus and then transferred to the Investment in tangible capital asset fund. The Operating fund also accounts for expenditures and contributions to or from other funds (transfers) which provide for day-to-day operations. In summary, the Operating fund surplus is used to account for all financial activities except those accounted for in the Investment in tangible capital assets fund and decentralized budget accumulated surplus.

Investment in Tangible Capital Assets

Investment in tangible capital assets is used to account for financial transactions related to the acquisition of tangible capital assets in excess of \$50,000.

Properties are carried at cost at the date of acquisition and amortization is recorded in the accounts. The cost of additions and repayment of debentures or other long-term debt is charged to Investment in tangible capital assets. This results in a corresponding increase in the equity in tangible capital assets.

Decentralized Budget Accumulated Surplus

The decentralized budget accumulated surplus represents specific amounts eligible for carry-over to subsequent years for each school.

LED Reserve

The LED Lights Reserve represents the unspent portion of the ECE's utility funding since the 2014/2015 school year as a result of lower fuel costs. The reserve funds will be used for YK1 to convert current lights to LED lights which are expected to result in a decrease of at least 30% in electricity costs.

b) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances, net of outstanding cheques.

June 30, 2017

2. Significant Accounting Policies (Continued)

c) Financial Instruments

Financial assets originated or acquired or financial liabilities issued or assumed in an arms's length transaction are initially measured at their fair value. In the case of a financial asset or financial liability not subsequently measured at its fair value, the initial fair value is adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption. Such fees and costs in respect of financial assets and liabilities subsequently measured at fair value are expensed.

Financial assets measured at amortized cost include cash, portfolio investments, accounts receivable and due from Government of Canada.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities, and payroll liabilities.

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in operations. Previously recognized impairment losses may be reversed to the extent of any improvement. The amount of the reversal, to a maximum of the related accumulated impairment charges recorded in respect of the particular asset is recognized in operations.

d) Non-financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the change in net financial assets for the year.

Yellowknife District No. 1 Education Authority

(the Authority)

Notes to Consolidated Financial Statements

June 30, 2017

2. Significant Accounting Policies (Continued)

e) Tangible Capital Assets

Tangible capital assets with a cost lower than a threshold value of \$50,000 will be expensed in the year of acquisition or amortized at a rate of 100%. Assets with an acquisition value more than \$50,000 are capitalized and amortized using the straight-line method.

Asset Category Amortization Period:

Land and improvements - Indefinite

Buildings - 40 years

Equipment and furnishings - 4 - 10 years

All capital facilities planning and construction undertaken by the Authority, excluding the Administration Building and Nordic Arms, are funded by the Government of the Northwest Territories and subject to their capital planning and approval process. Capital contributions received but not spent at year end, are recorded as deferred revenue.

The GNWT retains ownership of some tangible capital assets used by the Authority. These assets are used by the Authority and held on behalf of, or in trust for, the GNWT are not recognized by the Authority in the financial statements.

The statement of operations reflects the amount that would otherwise be considered amortization expense for the fiscal year as rent expense with an offsetting corresponding amount as a grant in-kind revenue.

June 30, 2017

2. Significant Accounting Policies (Continued)

f) Revenue Recognition

Government Transfers:

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Operating transfers are recognized as revenue in the period in which the events giving rise to the transaction occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

Capital transfers or transfers of tangible capital assets are initially recognized as deferred revenue and subsequently recognized as revenue when the related tangible capital asset are recognized as acquired or built.

GNWT - Regular Contributions:

The regular contributions from the Government of the Northwest Territories (GNWT) is determined by a funding formula, based on student enrolment and price and volume fluctuation, and is received in monthly installments. The Authority retains surpluses and is responsible for deficits. Any funding requests, over and above those levels provided by the formula, must be first approved by the Government of the Northwest Territories.

Yellowknife District No. 1 Education Authority

(the Authority)

Notes to Consolidated Financial Statements

June 30, 2017

2. Significant Accounting Policies (Continued)

Local Tax Revenue:

The *Education Act of the Northwest Territories*, by virtue of Section 136(2), empowers a Board of Education to determine the amount, after taking into consideration territorial grants and other revenue, that is to be requisitioned from the municipality within the territory under the jurisdiction of the Board. This requisitioned amount is one portion of the property tax paid annually by property owners. The City of Yellowknife is advised subsequent to the adoption of the budget of the amount of the requisition of the Authority and is responsible for the collection of taxes.

Other Contributions:

The Authority follows the deferral method of accounting for contributions from funding arrangements. Unrestricted contributions are recognized as revenue when they are received or receivable, if the amount can be reasonably estimated and its collection is reasonably assured. Restricted contributions are deferred and recognized as revenue in the year in which the related expenses are incurred.

Revenue from rentals is earned as the facilities are used. Other revenue is recorded as the service is provided and receipt is reasonably assured.

Deferred Revenue:

Deferred revenue consists of funds received in advance of providing the services or acquiring the goods. These amounts are taken into revenue when the eligible expenditures are incurred.

Investment Income:

Investment income is recognized when received or receivable, if the amount can be reasonable estimated.

June 30, 2017

2. Significant Accounting Policies (Continued)

School Funds

Schools in the system administer funds which arise from certain school and student activities. Such funds, although subject to internal review, are not recorded in the accounts or in the financial statements of the Authority as they do not constitute any part of the approved Operating fund surplus (deficit) budget and are available for use at the discretion of each individual school.

g) Infrastructure Funding

Any personnel, utilities, and leases infrastructure funding net surplus at the end of the fiscal year is recorded as a payable to the GNWT. Net deficits are not shown as receivable from the GNWT since these amounts are not repayable.

h) Budget Data

The *Education Act* of the Northwest Territories requires that Boards of Education prepare an annual budget, as outlined in Section 128 and 129.

The final priorities and funding allocations are determined by the Board of Trustees at a special meeting called for the purposes of reviewing budget proposals, recommending changes, additions or deletions and adopting the proposed budget.

The budget is legally adopted by a motion of the Board which also establishes a tax levy to support the approved budget in accordance with Section 135(3) of the *Education Act*.

Board approved budgets are submitted to the Minister of Education, Culture and Employment for final approval as directed by Sections 117(2)k, l and m of the *Education Act*.

This annual budget includes estimates of revenue and expenditures for the Operating fund surplus (deficit) along with estimates of source and application for the Investment in tangible capital assets fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Board.

The budget may be amended within a given fiscal year in accordance with Board policy, regulations and approved budget procedures. The budget data presented in the financial statements reflects the amended budget for the fiscal year, and therefore, includes any amendments that may have been made during the year. Schools carry forward surplus or deficit amounts from their school budgets.

June 30, 2017

2. Significant Accounting Policies (Continued)

i) Measurement Uncertainty

The preparation of these financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue and expenses during the period. Actual results could differ from these estimates.

j) Inventories Including Materials and Supplies

Supplies inventory held for consumption or use are recorded at the lower of historical cost and replacement cost.

k) Payroll Liabilities

Payroll costs for teachers are accrued for July and August.

l) Post-employment benefits, compensated absences and termination benefits

Under the conditions of employment, employees qualify for annual leave of varying lengths depending on length of service. Annual leave is payable within one fiscal year. Employees also earn retirement and severance remuneration based on number of years of service. Certain employees will also receive assistance with removal costs to return to their point of recruitment. Payment of the removal and termination is dependent on employees leaving the Authority and other criteria as outlined in the negotiated employment collective agreements or their excluded contracts.

m) Special Purpose Funds

School activity funds which are fully controlled by the Authority with respect to when and how the funds available can be disbursed are included in the Special Purpose Funds line item. The funds reported are internally restricted as to purpose and may include the proceeds of fundraising, contributions or fees paid related to a specific planned benefit. Examples might include planned student trips or funds specifically designated for the purchase of equipment or materials required to support an activity.

Student activity funds which are controlled by students or parties other than the Authority are not included even if custody of the funds is held by the Authority. Examples of excluded funds might be student clubs or associations for which the Authority has no ongoing responsibility of liability for losses.

Yellowknife District No. 1 Education Authority

(the Authority)

Notes to Consolidated Financial Statements

June 30, 2017

2. Significant Accounting Policies (Continued)

n) Fund Accounting

The Authority uses fund accounting to separate transactions.

The Operating Fund accounts for the Authority's operating and administrative activities.

The Investment in Tangible Capital Assets reports the transactions related to tangible capital assets.

The Decentralized Surplus is the operating surpluses retained by the individual schools.

The Capital Fund Reserve is funding set aside by the Authority for any repairs or maintenance to the district assets.

The LED Lights Reserve is unspent utility funding from ECE set aside by the Authority for conversion to energy efficient lighting in schools.

3. Future Accounting Changes

Related Party Transactions: Inter-entity Transfer Valuations, Section PS 2200

PSAB approved Section PS 2200, Related Party Disclosures. This Section is effective for fiscal periods beginning on or after April 1, 2017. Earlier adoption is permitted. This Section defines related parties and establishes disclosures required for related party transactions. It is expected that reasonable efforts would be made to identify related party transactions. This may involve adopting policies and procedures designed to ensure that these transactions are appropriately identified, measured and disclosed in the financial statements. Not all related party relationships or transactions occurring between related parties are required to be disclosed. Disclosure is generally required when related party transactions have occurred at a value different from that which would have been arrived at if the parties were unrelated. However, not all of these transactions are reportable under this Section. Only those transactions that have or could have a material financial effect on the financial statements are disclosed.

The impact of the transition to this accounting standard has not yet been determined.

June 30, 2017

2. Future Accounting Changes (Continued)

PSAB approved Section PS 3210, Assets. This Section is effective for fiscal periods beginning on or after April 1, 2017. Earlier adoption is permitted. This Section provides guidance on how to apply the definition of assets as set out in Section PS 1000, and establishes standards for disclosure of assets except certain specific types of assets, which are dealt with in other Sections.

The impact of the transition to this accounting standard has not yet been determined.

Contractual Rights, Section PS 3380

PSAB approved Section PS 3380, Contractual Rights. This Section is effective for fiscal periods beginning on or after April 1, 2017. Earlier adoption is permitted. This Section defines and establishes standards for disclosure of rights to economic resources arising from contracts or agreements that will result in both an asset and revenue in the future except certain specific types of contractual rights.

The impact of the transition to this accounting standard has not yet been determined.

Inter-entity Transactions, Sections PS 3420

PSAB approved Section PS 3420, Inter-entity Transactions. This Section is effective for fiscal periods beginning on or after April 1, 2017. Earlier adoption is permitted. This Section establishes standards on how to account for and report transactions between public sector entities that comprise a government's reporting entity from both a provider and recipient perspective. This section may be applied in conjunction with Related Party Disclosures, Section PS 2200.

The impact of the transition to this accounting standard has not yet been determined.

Student Activity Funds

Under direction from the Government of Northwest Territories - Department of Education, Culture and Employment, student funds may be required to be reported on the consolidated financial statements of Yellowknife Education District No. 1 in the future.

14. Capital Lease Obligations

The Authority does not have any Capital Lease Obligations.

June 30, 2017

15. Pension

The Authority makes contributions to the Northern Employee Benefits (NEBS) Pension Plan, which is a multi-employer plan, on behalf of some members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

The amount contributed to the NEBS pension was \$2,696,768. The contributions are calculated at a rate of 8% of earning and allowances employee and employer contribution for a total of 16%. The maximum pensionable earnings is \$165,077 for January 2017, and \$163,715 for January 2016. The maximum monthly contributions is \$2,914 for January 2017, and \$2,182 for January 2016.

NEBS is an employer owned program and as such the Authority will be liable for its portion of any shortfall. The Plan serves 2,600 Employee Members and 99 Employer Members (total active, disabled and on leave 1542).

As of January 1, 2017, the excess (deficiency) of actuarial value of net assets over actuarial present value of defined benefits is estimated to be \$18,500,000 - funded ratio 111% (2016 - \$12,500,000 and 109%) on a going concern valuation basis. The Plan had a solvency ratio deficiency of \$102,495,300 and a solvency ratio of 64%. Solvency is calculated for the purposes of determining obligations only in the event of a plan wrap up. Any potential deficiency in termination payments is guaranteed to be paid over the next 10 years or less, depending on the position of the fund. For the period ending December 31, 2016, the NEBS Pension plan had an accumulated surplus of \$25,121,532.

As of April 2004, the OSFI has exempted NEBS from compliance with the Pension Benefits Standards Act (PBSA). On April 2015, the Legislative Assembly passed The Northern Employee Benefits Act (Bill 12) which was enacted October 1, 2015. NEBS is now operating under Bill 12.

16. Long-Term Debt

The Authority does not have long-term debt.

June 30, 2017

17. Other Employee Future Benefits and Compensated Absences

In addition to the pension benefits, the Authority provides severance (resignation and retirement), removal and compensated absence (sick, special, maternity and parental leave) benefits to its employees. The benefit plans are not pre-funded and thus have no assets, resulting in a plan deficit equal to the accrued benefit obligation.

Severance benefits are paid to the Authority's employees based on the type of termination (e.g. resignation versus retirement) and appropriate combinations that include inputs such as when the employee was hired, the rate of pay, the number of years of continuous employment and age and the benefit is subject to maximum benefit limits. Removal benefits are subject to several criteria, the main ones being employee category and length of service. The benefits under these two categories were valued using the projected unit credit methodology.

Compensated absence benefits for all staff are accrued as employee render service and are paid upon the occurrence of an event resulting in eligibility for benefits under the terms of the plan. Events include, but are not limited to employee or dependent illness and death of an immediate family member. Non-accruing benefits include maternity and parental leave. Benefits that accrue under compensated absence benefits were actuarially valued using the expected utilization methodology.

Valuation results

The actuarial valuation was completed as at March 31, 2017. The effective date of the next actuarial valuation is March 31, 2018. The liabilities are actuarially determined as the present value of the accrued benefits at March 31, 2017 and the results extrapolated to June 30, 2017. The values presented below are for all of the benefits under the Compensated Absences and Termination Benefits for the Authority.

24. Contractual Obligations (Commitments)

The Authority has a contract with Cardinal Coach Lines Limited for student transportation. The Authority is invoiced monthly and the amounts vary depending on a number of factors. The contract expires in June 2018.

The Authority leases space from Route 51. The contract expires in June 2018.

The Authority has a collective bargaining agreement with the NWT Teachers Association for teachers, specialists and education assistance which expired August 31, 2020.

The Authority has a collective bargaining agreement with the United Steelworkers for support staff which expired on June 30, 2017. The Authority will commence negotiations with the United Steelworkers union in the fall of 2017.

The Authority has a Ricoh photocopy equipment lease with annual payments of \$30,037 plus maintenance expiring in July 1, 2021.

The Authority also leases from Lenovo computers with 2017/2018 lease payments of \$49,505. The last lease expires April 1, 2020.

	Expires in Fiscal Year	2018 \$	2019 - 2021 \$	Total \$

27. Budget Data

The *Education Act* of the Northwest Territories requires that Education Bodies prepare an annual budget, as outlined in Section 117, Duties and Powers of Education Bodies. The budget is legally adopted by a motion of the Education Body which includes the establishment of a tax levy to support the approved budget in accordance with Section 135, Assessment and Taxation, of the Education Act.

The annual budget includes estimates of revenue and expenditures for the Operating Fund. Budgets are considered a management control and planning tool and as such are incorporated into the accounting system of the Authority.

The budget figures presented are those approved by the Trustees of the Authority on June 14, 2016 and submitted to the Minister of Education, Culture and Employment and have not been audited. The Budget was amended and submitted to the minister on September 23, 2016, the original budget deficit is \$234,433 and the amended deficit is \$381,085. At the request of the Department of Education, Culture and Employment, the original budget figures are presented.

28. Economic Dependence

The Authority is economically dependent on the Government of the Northwest Territories to provide funding for continued operations. If the funding arrangements were to change management is of the opinion that the Authority's operations would be significantly affected.

June 30, 2017

29. Financial Instruments

Financial instruments consist of recorded amounts of cash, portfolio investments, due from GNWT, due from Government of Canada and other accounts receivable which will result in future cash receipts, as well as accounts payable and accrued liabilities, and wages and employee deductions payable which will result in future cash outlays.

The Authority is exposed to the following risks in respect of certain of the financial instruments held:

a) Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Authority is exposed to credit risk from funding agencies, recipients of services and preschool clients. The Authority has a concentrated risk of credit from two other school districts whose funding also comes from the Department of Education, Culture, and Employment. At June 30, 2017, receivables from two organizations comprised approximately 87% (2016 - 92%) of the total outstanding receivables. Furthermore there is a concentration risk in cash and portfolio investments the full balance in these accounts is held at two financial institutions. The Authority is funded by Government of Northwest Territories - Department of Education, Culture, and Employment and other stable organizations, which reduces its exposure to credit risk. Most of the credit risk exposure is with trade receivables, Dettah District Education Authority, and the N'Dilo District Education Authority. The authority reduces its risk exposure by following up on old account receivables for collection and entering into service agreement with well-established organizations. As at June 30, 2017, 22% (2016 - 48%) of other account receivable was non-current which represents \$189,323 (2016 - \$1,474,773) of the total balance. All of these were deemed collectable, and as a result, none are impaired.

b) Interest rate risk

Interest rate risk is the risk that the fair value of financial instruments will fluctuate because of changes in market interest rate. The Authority is exposed to interest rate risk on its fixed and floating interest rate on cash and portfolio investments. Fixed interest instruments subject the Authority to a fair value risk while the floating rate instruments subject it to cash flow risk (see note 7). The Authority complies with the GNWT financial administration policies and guidelines which reduces its exposure to interest rate risk. Because portfolio investments can be converted into cash on a short notice, the Authority's exposure to market risk is reduced.

Notes to Consolidated Financial Statements

June 30, 2017

29. Financial Instruments (Continued)

c) Liquidity risk

Liquidity risk is the risk that the Authority will not be able to meet all cash outflow obligations as they come due. The Authority mitigates this risk by monitoring cash activities and expected outflows through budgeting and maintaining an adequate amount of cash to cover unexpected cash outflows should they arise. Some of the Authority's financial assets and most of the financial liabilities at June 30, 2017 mature within the next six months. Total financial assets \$8,255,918 (2016 - \$7,520,921) of which \$4,181,714 (2016 - \$3,055,043) are not expected to mature within one year. Total financial liabilities are \$6,250,849 (2016 - \$5,569,053). The authority has disclosed future financial liabilities and commitments in Note 24.

30. Expenditures By Object

	2017 Budget	2017 Actual	2016 Actual
	\$	\$	\$
Amortization	-	982,742	1,024,113
Compensation	27,845,570	27,540,674	27,181,716
Other	5,977,343	6,436,796	6,326,189
	33,822,913	34,960,212	34,532,018

31. Subsequent Events

There were no material subsequent events that have taken place between June 30, 2017 and the date the audit report was signed.

32. Comparative Figures

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year.

June 30, 2017

33. Liability for Contaminated Sites

The Authority has identified possible environmental liabilities at William MacDonald School and Range Lake North School that have underground fuel tanks. The Department of Education, Culture and Employment, and the Department of Infrastructure is working towards replacing the underground fuel tanks.

The Authority has contracted Associated Environmental to complete a Hazardous Building Materials Assessment on all of the Buildings owned and managed by the Authority. The final reports are expected to be completed by the end of September 2017 and a management plan is expected to be put in place by January 2018. Liabilities discovered as a result of the assessment will be communicated to the Department of Education, Culture, and employment. There is uncertainty as to the amounts of these potential liabilities.
