### CORRECTION: October 24, 2014 Media Release

Dear Stakeholders:

We are writing to advise you that there is a factual error in the joint media release issued on Friday, October 24, 2014 by Yellowknife Catholic and Yellowknife Public School Boards.

In the last line of the table on page 2 of the release, our calculation of the accumulated funding reduction for YK1 and YCS is incorrect.

While our October 24, 2014 release indicates the accumulated funding reduction for YK1 is \$1,764,000 and the accumulated funding reduction for YCS is \$2,316,969; the correct figures are as follows:

YK1 \$746,000 and YCS \$ 1,237,969. The funding reduction for Yellowknife is \$1,983,969.

We regret this error and any inconvenience this may cause you.

As we think it is very important our public and communities have accurate information, we are reissuing a CORRECTED version of the media release for your reference. If you have included the incorrect information in a published story, we would very much appreciate you making a note of this correction.

If we can be of further assistance please don't hesitate to get in touch with us.

Sincerely,

Metro Huculak  
Superintendent, YK#1
