EXECUTIVE COUNCIL

Petition tabled by Mr. Robert Hawkins, MLA Yellowknife Centre on March 7, 2014

Response by the Honourable David Ramsay
Minister of Industry, Tourism and Investment

Lifeguard Services at Fred Henne Park Beach

Industry, Tourism and Investment (ITI) is exploring options for supervision on the beach for the summer of 2014. ITI is also implementing all the recommendations made by the Lifesaving Society of Alberta and the Northwest Territories to move the safety level of the beach from 2 to 7, the highest level for unsupervised waterfronts.
