¹ Source: PeopleSoft as at December 31, 2012

² Source: NWT Bureau of Statistics population estimates by community as at July 1, 2012

³ Positions include all indeterminate, term, and relief positions created in PeopleSoft and show those that are filled as well as vacant. This number varies from the active position count contained within the Main Estimates which reflect only the fully funded positions that are budgeted for and funded through Operations and Maintenance funds.

⁴ The NWT Bureau of Statistics estimates the NWT population at 43,349 as at July 1, 2012. The 43,349 includes communities with a population of 50 or less and unorganized areas.
