

**GOVERNMENT OF THE NORTHWEST TERRITORIES
CONTRACTS OVER \$5,000 REPORT**

**FOR THE FISCAL YEAR ENDING
MARCH 31, 2011**

Introduction

The Government of the Northwest Territories (GNWT) Contract Registry, Reporting System (CRRS) and Contract Opportunities Website provide reporting on contracting in the interests of transparency, access to information, and to ensure compliance with standardized reporting requirements under the Agreement on Internal Trade.

In addition, the CRRS enables the GNWT to:

- (a) Evaluate trends to provide assurance that departments and applicable agencies comply with contracting regulations and policies; and
- (b) Quantify the GNWT Business Incentive Policy (BIP) bid adjustments applied, if any, on GNWT procurement activities.

A central listing of public tenders, proposals, and award results can be found at www.gov.nt.ca/contractopportunities.

The GNWT Contracts Over \$5,000 Report includes all contracts for Goods, Services and Construction in excess of \$5,000 issued by the GNWT to businesses. Salaries and wages, non-commercial payments to non-profit organizations and individuals and grants, contributions and subsidies are excluded from the Report.

This Report summarizes the overall contract activity of the GNWT during the fiscal year 2010 – 2011.
