Mr. Michael McLeod  
Minister of Transportation  
Gov't of NWT  
Yellowknife, NWT

Mr. McLeod:

Good afternoon Sir, this is a reminder the ferry season in Tsiigehtchic will be commencing soon. I want to know if the ferry landing issue I expressed last fall has been rectified. My fishing season begins July and I would like to have some privacy at my camp. Last summer was the very first time the ferry landed in front of the fish camp.

I also expressed the Gov't of NWT respect cultural camps and activities by not interfering. Culture is important especially when one is trying to preserve it, so I ask that you take that into consideration. Thanks.

Sincerely
