PETITION

We, the undersigned residents of RANKIN INLET N.W.T. respectfully submit this petition.

We request that the Northwest Territories Game Ordinance and Regulations be amended to allow non-Eskimo residents (ie, residents not entitled to hold a N.W.T. General Hunting Licence) of one year or more to take at any time of the year, three caribou of either sex in Game Management Zones 33, 34, and 36.

We, the undersigned, support the above petition with the following stipulations.

All hunters not holding a General Hunting licence must employ qualified guides, possibly guides who have passed a reasonable guiding examination.

A bona fide attempt must be made to kill all wounded animals, the onus being on the guide and hunter.

(Possibly the one year residency could be eliminated if everyone was required to employ a guide).
