Mr J.Kudlutsiak  
Community Council  
Igloolik N.W.T.  
Nov.25,1969

Dear Mr Simoine

The community council of Igloolik have had a meeting not too long ago and talk about the sale of caribou meat through the co-op here in Igloolik.

We would like to know what the council of the N.W.T. would have to say to this matter and we would like to know if we can be able to sale maet throug the co-op here.

It would help the co-op here and the people in the community also it would help to make money for the hunters we would allowed the hunters to kill only what is needed for the people in the community.

The council also talk about the need of a bigger comm unity freezer during the summer months and see what can be done to this and as you will know very well it,s okay in the winter.

We the community council of Igloolik would be happy to know what can be done to the sale of caribou maet and the community freezer and we would be happy to hear from you.

Your truly

J.Kadlutsiak  
Chairman of the community  
council of Igloolik
