Nov. 20, 1969

Dear Mr Simeonie

The community council of Resolute Bay would like to see if they can be allowed to have people to come up north here to Resolute Bay white man to kill Polar Bears this year and see how much meony the people can get for this.

We allowed only four bears to br kill this year and see how they make out we would very much like to know if we can be allowed to do this and see how we make out.

And if we can be allowed to do this this year we would like to know so we can be prepared for them if they come and we would be happy to hear from you on this soon so we will know weather we can do it or not.

So far this year there have been only one Polar bear killed this year we are looking forward to hear from you.

Yours truly

Simeonie E9-899
