CHANGE OF NAME ORDINANCE
FINANCIAL ADMINISTRATION ORDINANCE

WHEREAS the birth records of the majority of Eskimos in the Northwest Territories contain only one name and a disc number as a means of identification;

AND WHEREAS it is the general desire of the various Eskimo communities to eliminate the disc numbering system as a means of identity and to introduce a system of given names and surnames in their respective communities;

AND WHEREAS action by individual Eskimos is a slow and unsatisfactory if not impossible means of changing the existing system;

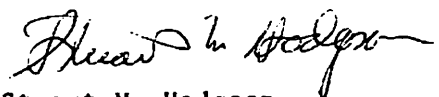

AND WHEREAS the Government of the Northwest Territories has, as a centennial project, embarked on a program called "Project Surname Centennial 70", whereby Mr. Abraham Okpik is touring northern settlements in the Territories in order to interview and gather facts regarding the individual Eskimos desiring that their names be changed and their birth records amended;

AND WHEREAS it is considered to be in the public interest to carry to completion Project Surname by making applications pursuant to the *Change of Name Ordinance* to the Honourable Mr. Justico W.G. Morrow, Judge of the Territorial Court, on the behalf of such Eskimos;

NOW THEREFORE the undersigned, pursuant to the *Change of Name Ordinance* and *Financial Administration Ordinance*, is pleased to order as follows:

1. Remission is hereby granted in respect of all fees required to be paid under the *Change of Name Ordinance* for documents that are required to be filed in the Territorial Court in the implementation of the program known as Project Surname Centennial 70.
2. The attached Form A is approved as the form to be used by Mr. Abraham Okpik in his interviews with all those Eskimos wishing to change their names under Project Surname Centennial 70.
3. The attached Form B is approved as the affidavit to be used in connection with Form A in making application to the Court.

Dated at Yellowknife in the Northwest Territories this
