MR. ROCKY SIMPSON
MLA, HAY RIVER SOUTH

Oral Question 651-19(2): Retrofit of the High Rise in Hay River

This letter is in follow-up to the Oral Question you raised on March 09, 2021 regarding a retrofit of the high rise in Hay River.

The Northwest Territories Housing Corporation has provided a letter of support to the owner of the high rise as part of an application to the Government of Canada's National Housing Co-Investment Fund.

With respect to regulatory oversight on this facility, the Government of the Northwest Territories (GNWT) is not aware of any renovations made to this facility that would require inspection at this time. If the owner has completed renovations to this facility, then GNWT regulators including the Office of the Fire Marshal, would be prepared to conduct new inspections.

Thank you.

Minister Responsible for the
Northwest Territories Housing Corporation
