MS. LESA SEMMLER  
MLA, INUVIK TWIN LAKES

**Oral Question 653-19(2): New Housing Units in Inuvik**

This letter is in follow-up to the Oral Question you raised on March 10, 2021 regarding new housing units in Inuvik.

The Northwest Territories Housing Corporation (NWT HC) has the following new construction projects planned for Inuvik over the next two years: one market rental single-family dwelling, four market rental duplexes, and two market rental fourplexes. Please see the following page for all currently scheduled new construction projects for the NWT HC over the next two fiscal years.

The NWT HC, in conjunction with the Canada Mortgage and Housing Corporation, will be making a presentation in Inuvik in early May. This presentation will provide valuable information regarding applications to the Government of Canada's National Housing Co-Investment fund, as well as, NWT HC programs.

Thank you.
