Dear ~~Sir~~ *Robert*

Re: Aurora College, Thebacha Campus

Further to your comments in the Legislative Assembly on February 18, 2008 about violence scaring students away from the community of Fort Smith, I have grave concerns about these comments and the justification in them. These are very strong statements made by you and I feel our community has the right to respond to these accusations. Your negative comments have offended the people of Fort Smith. We would like to receive an apology in this session of the Legislative Assembly.

I invite you to Fort Smith to meet with Town Council and senior staff of Thebacha Campus to discuss this issue and the potential for a very negative impact on our community.

I look forward to hearing from you soon and meeting with you.

Sincerely,

P. Martselos
