T.D.# 22-46

Mr. Remond

Tabled on Jan. 27/72

Date: January 27, 1972
Time: 10:00 A. M.
From: Inuvik
To: N.W.T. Council

Whereas the economy of northern towns and settlements north of the Mackenzie Highway System is almost totally dependant on air transportation and whereas the adverse effects of the present strike by Air Traffic Controllers are disproportionately high compared to southern areas of Canada the Inuvik and district Chamber of Commerce and the Inuvik Town Council respectfully urge the Canadian Air Traffic Controller Association to allow immediate and unrestricted commencement of air transportation services within areas of northern Canada unserved by other means and that failure to do this be met with immediate Government intervention.

Signed: Inuvik and District Chamber of Commerce
