RESOLUTION REGARDS: OUTPOST CAMP POLICY

Moved by: Johnny Charlie

Seconded by: *J. L. Leslie*

Whereas there are a large number of hunters and trappers in the N.W.T. who would like to be more active and productive as hunters and trappers but find it difficult to find financing to do so.

And whereas we believe that a good Outpost Camp Policy can be of immense help to the hunters and trappers of the N.W.T. as well as for the Game Management Branch of the Territorial Government.

Whereas other programs by the Government to help the trappers did not meet with very good success.

Therefore be it resolved that this Settlement Council encourage, indeed urge the Northwest Territorial Council to plan and implement a good Outpost Camp Policy as soon as possible.

Also be it resolved that such a policy include a clause or article which should state that individual applications for assistance under such a program be put in front of Settlement Council or the Trappers Associations Council for recommendation for approval or disapproval.
