LEGISLATIVE ASSEMBLY OF THE NORTHWEST TERRITORIES 8TH ASSEMBLY, 59TH SESSION

PETITION NO. 2-59
PRESENTED ON May 25, 1976

Additional Classroom for Broughton Island

May 13, 1976

To Superintendent of Education - Frobisher Bay - and
To Minister of Education - Yellowknife

We would like the school in Broughton Island extended or renovated to room for student next year. If they cannot do that only the small children will attend school next year, because of lack of room in the school. This year (1976) some students were taught on weekends because they could not do it during school hours; lack of room. They used the community hall in Broughton for an extra classroom.

Also the kitchen area and the classrooms are very small and not enough doors used to enter the schoolhouse.

We would like a N.W.T.Government Official to meet with us in Broughton concerning an additional classroom.

President Salomonie Nookiguak

Vice President Thomassie Kooneeluisee

c.c. To Ipeelee Kilabuk Territorial Councillor
