LEGISLATIVE ASSEMBLY OF THE NORTHWEST TERRITORIES 8TH ASSEMBLY, 64TH SESSION

TABLED DOCUMENT NO. 23-64

TABLED ON Feb. 8, 1978

To: Mr. Peter Fraser

February 3, 1978

From: Norman Wells & District Chamber of Commerce

In todays discussion with Council and Economic Development I hope you will be sure to stress the desperate situation we are facing in the Central Mackenzie. After being sold down the river what can we expect from the Federal Government in the way of business and job creation? Is this going to become a welfare state? If so, what welfare will be offered to the hard hit long term businesses?

Due to incompetance on the part of Federal Government and other bodies the Northwest Territories is now faced with complete bankruptcy. What will be done for the business people who have built this country over the past 15 years.

Signed,

G. Monuik, President, Norman Wells Chamber of Commerce.

Thanks for your help.
