PETITION NO. 4-80(1)

TABLED ON FEBRUARY 27, 1980

4-80(1) Return Home for Spring Break.

Feb. 28, 1980

Dear Sir's. Rosett Morabot

Peter
Dumagayak

We would like to know if we could go home for Spring Break, since there is going to be so many other students going home too. It gets very lonely and very easy to get homesick. Especially when practically every body has a chance to go home during the holidays.

Neoh Nakoolak

It even gets embarrassing when people ask you "are you going home for the spring break?" or on any other holiday and we say no, because it ~~costs~~ costs too much to go home, then they would ask, why doesn't the Government pay for it and we're left speechless after that. We would like to know why we never go home on long holidays.
