January 29th 1982

Dear Sirs;

At our special meeting with Mr. Tom Fawcett on the 7th of January, our association questioned Mr. Fawcett why Sanikiluaq has been moved to zone #3. Mr. Fawcett looked into this matter when he returned to Frobisher Bay and informed us that he had checked with the Social Services in Frobisher and that he was told by them that there has not been any changes, so our association was ready to let the tenants start paying rent again but the Secretary manager was told that we are in zone #3 as said in the paper, after being told by Mr. Fawcett that as far as the files go in Frobisher Bay that we are still in zone #5

We feel that there is a mix up between Frobisher Bay and Yellowknife but from looking at the sheet which was sent to us we want to know why we are not included in the Baffin Region.

Until we settle this problem, we as the board of directors have decided not to collect any money for the rent.

Yours truly,	
chairman . (bur	A 6 C
