Dear Nellie,

This is to inform you that the Council of the Hamlet of Aklavik fully supports you in your endeavor to persuade the Legislative Assembly to launch a full inquiry into the Department of Economic Development in the Inuvik region.

The Hamlet Council has always been of the opinion that Economic Development could and should be doing more to assist native northerners to become more involved in business. Council is also very aware that some ex-Economic Development officers are now the business elite of the Inuvik region.

I hope this letter of support is of some use to you.

Yours truly,
