

**LEGISLATIVE ASSEMBLY OF THE
NORTHWEST TERRITORIES
9TH ASSEMBLY, 8TH SESSION**

TABLED DOCUMENT NO. 36-82(2)

TABLED ON MAY 21, 1982

Department of Economic Development & Tourism -- Industry Assistance

The attached lists are an indication of the companies, ventures, organizations, and projects that the Commerce Division of the Department of Economic Development and Tourism has assisted over the past two years.

Although showing whether those assisted are new or existing, the lists do not indicate types of assistance rendered in each case as the Division has a policy of client confidentiality. Therefore, only the number of clients assisted through various aspects of the Department has been indicated.

Records are generally maintained only when counselling is of an ongoing nature. Each client has been enumerated only once, regardless of the number of times assistance may have been provided. Therefore, it is difficult to determine the exact number of counsellings.
