LEGISLATIVE ASSEMBLY OF THE
NORTHWEST TERRITORIES

10TH ASSEMBLY, 2nd SESSION

TABLED DOCUMENT NO. 5-84(2)
TABLED ON MAY 14, 1984

May 08, 1984.

Moses Appaqaq Member of the Legislative Assembly Government of the N. W. T. Sanikiluaq, N. W. T. KOA OWO

Dear Moses and your collegues

On March 28, 1984, I wrote a letter of request for Indoor Hockey Arena to Regional Director General of Indain and Northern Affairs in Yellowknife.

I have been anxiously waîting for his reply after 41 days, and by now I must have been answered, therefore I want your help in getting answers from the Regional Director General by kindly asking him what he did with my letter.

The Regional Director General does not relize the importance of the indoor arena for our community. And as for his uncooperative behavior I am begining to think he cares less for the people he is serving. And you as the Legislative Assembly would gratify our community by kindly requesting the Regional Director General to get indoor arena for our community.

If this year our community does not get indoor arena I am going to increase the need for Artificial Ice for the years to come to try to produce NHL Stars from Sanikiluaq and win the Stanly Cup.

I appreciate your attention in reading of my concern in hopes that our request is granted.

Sincerly Yours,

Sam Qavvik

Field Service Officer

March 28, 1964.

Hiran Besseier Regional Director General Indian & Northern Affairs P. O. Box 1500 Bellesbuife, H. W. T. XIA 283

Dear Sire

I was asked today to write to you about indoor hockey rink by someone from your office. so here it is.

Our community needs your contribution in erecting an indoor hockey rink for the community of Sanikiluag.

The main reason for this indoor hockey rink is that, the community hockey players gave up on the outdoor hockey rink because every time when the weather gets bad the rink is filled with snow and we wouldn't keep up with the snow blowing into the rink.

Most of this winter our outdoor hockey rink has been covered by snow and I can tell you that it is still covered today.

Therefore we want your cooperation in resolving the snow problem with our outdoor bockey rink, by providing the need of an indoor bockey rink. It will benefit the community in the years to come.

Your concern in this matter is greatly appreciated. Hope to hear from you as soon as possible.

Sincerly yours,

Sam Qavvik
