P.O. Box 1320
Yellowknife, NT X1A 2L9**

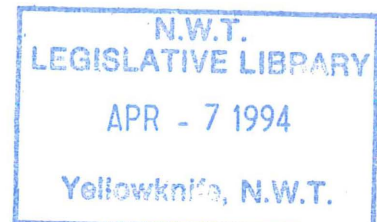

Dear Ms. Mike:

Due to the events which have taken place in recent weeks in the Legislative Assembly as they pertain to Pangnirtung Fisheries Ltd., it is felt imperative by the Inuit Management Board of Pangnirtung Fisheries Ltd. to communicate it's concern.

It has come to our attention that Mr. Denis Patterson, the MLA from Iqaluit, has apparently taken it upon himself to embark on a campaign to try and discredit our Inuit Management Board and operations with the help of his constituents, Jeff Mahoney, Cecil Clarke along with Kevin McCormick of Pangnirtung.

Mr. Patterson has been giving false and misleading information to the House. As an example, contrary to his earlier statement in the House on March 22, 1994, the Board has never been approached by Jeff Mahoney, Cecil Clarke, or Kevin McCormick to meet with the Management Board on any matter.

The Inuit Management Board has no intention of changing any of its corporate or operational policies because of back room political tactics by Mr. Patterson or his constituents.
