## **MUNICIPALITY OF LAKE HARBOUR**

LAKE HARBOUR, N.W.T. XOA ONO - (819) 939-2247

October 26,1984.

Joe Arlooktoo M.L.A. Baffin South Lake Harbour N.W.T. XOA ONO

Dear Mr. Arlooktoo,

I am writing on behalf of the Council and people of Lake Harbour to request that you raise the question of the Wildlife Officer position in Lake Harbour with the Minister of Renewable Resources at the next session of the Legislative Assembly.

As you know this position has remained vacant for over a year and I have been advised through questions asked at B.R.C. that the position will remain vacant for the forseeable future.

We feel that this is very unsatisfactory and has a bad effect on the management of the wildlife resources in our area. These resources are of the greatest importance to all our residents.

We would like a clear statement of the Minister's views and the future intentions regarding the Wildlife Officer position in Lake Harbour.

Thank you for your assistance.
