Request for Day Care Centre in Cape Dorset Re:

Dear Mr. Arlooktoo:

Further to our meeting last fall we discussed for the possibilty of having a Day Care Centre in Cape Dorset. We in our congregration are still very interested in having such instituation in the community.

Since this is the beginning of the year I beleive this is very good opportunity to start the project at least for this new year. I must again advise you that we have two buildings available belonging to the congregation. We beleive that these two building can serve the community as day care centre. All they need are renovation and have them converted to standard Day Care Centre.

I beleive that this service is in great demand in the community since quite a few women are working in the community. Since the working women in the community are in low income level I beleive that we can apply through GNWT DAY CARE SUBSIDY PROGRAM.

I beleive that this program will benefit the community for employment programs and I quess Economics and Development Program should be involved in this project. We will need full support from concerned organizations in Northwest Territories.

I would be grateful if you can announce this proposal at next Legislative Assembly meeting. Thank you for your concern and I wish you a Very Happy Prosperous New Year and to your fellow colleagues. May God bless you a11.

Sincerily yours, Mille Ender
