TABLED DOCUMENT NO. 11-86(1)

TABLED ON FEBRUARY 14, 1986

January 7, 1986

Pauloosie Paniloo
M.L.A. Baffin Central,

I suppose you have already heard about me buying a house. Some of them have already been agreed but some of them were not agreed. I was notified in a letter by Mr. Jon Magnasson from the N.W.T. Housing Corp. in Frobisher Bay that N.W.T. Housing Corp. didn't agree about owning a house in 1986. They said the amount of money I'm using is not enough.

I need help in buying a house in summer of 1986. I am now living in a house that no one should live in. It was an Adult Education School. I have five children and it only has two bedrooms. And also it's very cold when it's windy. There are lot of bad things about it.

I am in a hurry in buying a house because I was in a very good condition hamlet house, since I was told to go out I am now living in, I would say a garbage house compared to the hamlet house.

This summer I would have my son helping me build the house before he leaves to Frobisher Bay for high school. I have lot of reasons in buying a house, so if it is possible I would really appreciate it. If you don't understand my letters don't hesitate to ask me. Thank you for helping me.

Your reletive
Johnny Joanas
