SECUNDED BY: Councillor, Alex Ippak, Jnr.	
SECTION (Regular Meeting #) LECTION (BOLLDOAG aLL #)	(Special Meeting # 17 (DALaDYON all #)
Whereas, it has been brought to councils att	ention, that it is very
difficult for our ROMP officers to communicate with the residence or the residence	
to communicate with them unless the officers look	for an interterpreter and it
gets more difficult to find an interpreter and al	so they don't really understand

Therefore, the council is asking the MLA, Moses Appaqaq, Jnr., that the ROMP in our community should have an inuk ROMP constable to help him because it would be easier for them to talk to people and our culture would be considered more in their police work.
