On behalf of our members we would like to thank you for your interest in attending and speaking at our last meeting held in September. Enclosed for your information are the minutes of that meeting; in addition the IREC members wish to draw to your attention motion 86 - 21,

"That the Minister of Education designate two seats on the Arctic College Board of Governors for representation from the Inuvik region; one from IREC and one representing the Inuvik region at large; and that these representatives report back to IREC after each meeting."

Our next meeting will be held in March, 1987; we will forward the dates and an agenda as soon as these are available.

Sincerely,
