Dear Mayor Pollard:

Transfer Agreement for Community Government Funding

Senior Administrative Officer, Terry Molenkamp, has advised that the Transfer Agreement, sent to you on April 3rd will not be signed. She indicated that prior to signing the Agreement, you want confirmation from your Members of the Legislative Assembly that they have exhausted all possibilities of having the previous water and sewer subsidy amounts reinstated.

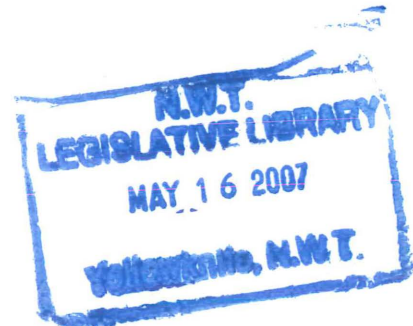

We are governed by the Financial Administrative Manual, which requires that a signed agreement be in place before money can be transferred. Without a signed agreement, there is no legal basis for the Government of the Northwest Territories to transfer money.

This is to inform you that there will be no further payments made under the above noted Transfer Agreement until such time as we receive the duly signed Agreement.

Should you require further information, I may be reached at (867) 872-6528.

Sincerely,

Lorraine Tordella
Regional Superintendent
