## RESPONSE TO PETITION

6-12(7)

EXECUTIVE COUNCIL

Petition tabled by Mr. Dent on April 7, 1995

Response by the Honourable Stephen Kakfwi  
Minister of Justice

### Support for the Yellowknife Victims Services Program

The Government of the Northwest Territories has committed \$300,000.00 for additional victims services funding for the Northwest Territories for 1995-96. Criteria are being developed for the distribution of this money.

The Federal Government has reviewed their funding and will, apparently, continue to fund victim service agencies, although to what extent is not currently known.
