DEAR JEANNIE

This is for your info, and maybe you might look into this matter, for the past couple of years our D.P.W. MAINTAINER (Lloyd CARDINAL) HAS BEEN ABUSING HIS POSITION & OUR TAX DOLLARS IN MANY WAYS because MR. DON MORIN minister responsible overrules every in the Dept. to Support MR. Cardinal. MR. Cardinal is related to Denny is why we all believe nothing is being done no disciplinary action has been taken. Everyone in the Dept. knows what's been happening people from the Community complain and nothing happens. MR. Cardinal lost his drivers lic. because he got caught drunk and driving the D.P.W. Govt Vehicle INSTEAD of the Govt TAKEN action they hired an assistant to drive him around.

Some of the complaints are as follows

- (1) impaired using Govt vehicle - found guilty
- 2) Conducing parties in D.P.W. Garage Alcohol and Drugs
- 3) when he did not have a vehicle he used the Govt van to party in Hay River even bid the van while sitting in Bar.
- 4) use van for own use also used many times in community for parties, was in the ditch many times st. back of responsibility as a result our water treatment ~~the~~ freeze up which put our community in a emergency situation, many Govt houses had problems because of his lack of ability to work.

6) Absent from work many times ^{because} because of alcohol, but because he does not have a Supervisor in Res. Hay River thinks he's sick which is not true.

7) As you are aware the Govt has been asking to adopt the principle of zero Tolerance for family violence. MR. Cardinal is our major Govt employee and nothing has been with respect to his violence and conviction of assault to his wife.

I am very disappointed and ashamed of the
bit and the presidency they have set in
our community. We the community wanted someone
local to work in this position NOT in this
unacceptable manner.

Mr. Moran is not fair by allowing this to
continue also getting directly involved with this matter
and complaints. If this was someone else
he or she will be gone immediately.

NAME with held because of possible political
retaliation.

Thank You for your time.
