TABLED DOCUMENT NO. 110 - 12 (2) TABLED ON OCT 01 1992

Dear Mr. Todd:

It has been brought to my attention that the Government of the Northwest Territories has some concerns regarding the establishment of a Regional Health Facility in Rankin Inlet and that other Keewatin communities might be asked to contribute ideas as to its possible location. I thought the decision was already made to have it in Rankin Inlet.

This letter is to indicate our support to have the Regional Health Facility to be constructed in Rankin Inlet. Through our own contacts in the Keewatin Region we have already been notified that all of the Keewatin communities agree and support that Rankin Inlet is a chosen location. We urge you to work on behalf of the Keewatin Region to make sure that this project proceeds as planned and as soon as possible because we see it as an urgent matter. Thank you.

Yours sincerely,

*O. ITTINUAR*
