Dear Mr. Antoine:

PROPOSED NORTHWEST TERRITORIES PAYROLL TAX

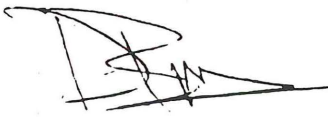

At the regular meeting of council, held on January 26, 1992, the Council for the Town of Norman Wells reviewed information regarding the proposed payroll tax.

The Council were unanimous in their support of this initiative.

Norman Wells has a highly transient workforce and residents have long been concerned that the benefits of these northern jobs are not staying in the north.

This proposed policy will target these people without hurting the true residents, and my council endorses that philosophy.

Yours truly,

Kevin Diebold
Mayor
