

Tony Whitford
MLA - Yellowknife South
Legislative Assembly
of the NWT
Yellowknife, NWT
X1A 2L9

Dear Mr. Whitford:

I, the undersigned, ask you to take immediate action to stop the Payroll Tax. You raised my Income Tax 1% this year already.

I don't need another 1% cut in my pay and benefits. Taxes are already so high. Why not have a fair tax system, instead? Your government gave tax breaks of 2% to big business in the 1990's. So why should I have to pay their share, now?

I instruct you, as my Member of the Legislative Assembly, to act on this request immediately.

Signed,
