RESOLUTION

Whereas, grizzly bears are being seen in the area of Repulse Bay and consider them life-threatening to the local residents

And whereas, part of the Keewatin Region has been allocated a quota system on grizzly bears.

And whereas, it is very likely that more grizzly bears are emigrating to this part of the region.

Therefore, by way of this resolution and during the Annual General Meeting, on September 28, 1989, the Hunters and Trappers Association of Repulse Bay, hereby request the Minister of Renewable Resources, Honorable Titas Alooloo to allocate a quota of grizzly bears to this area.
