Chairman, Kitikmeot Board of Education  
COPPERMINE, N.W.T.  
XOE OEO

Dear Chairman Dennis Lyall:

The members of the Hamlet of Cambridge Bay would like to support your petition for better Air Transportation services between Coppermine and the four Eastern Communities.

The Council is aware Air Transportation has improved dramatically into Cambridge Bay during the last several years, making it ideal for Regional activities and selection for the site of the new Regional High School, but also that service to the Eastern Communities has not improved as progressively.

Therefore, the Hamlet Council would be willing to circulate your petition from our office to inform the Public of your concerns about the quality of Air Transportation services in our region.

Yours truly,

Randy Bergen  
Senior Administrative Officer  
Hamlet of Cambridge Bay
