Dear Sir;

**Coral Harbour**  
ᑭᑭᑭᑭᑭᑭᑭᑭ

Please find enclosed a copy of Resolution #22-90 that was passed at the board meeting of the Keewatin Inuit Association. We are strongly opposed to the GST, as are most northerners, and the territorial government. Our Member of Parliament, Jack Anawak, has discussed this subject in the House of Commons, so I'm sure you are well aware of our concerns. We urge you to make sales to northerners exempt from the Goods and Services Tax.
