TABLED DOCUMENT NO. . 5 - 8 9 (J) TABLED ON FEB 9 1989

Honourable Peter Ernerk
Member of Legislative Assembly
Aivilik Riding
Rankin Inlet, N.W.T.

Dear Sir,

RE: Your letter quality of Flight Services, N.W.T. - November 16, 1988

Please be advised that we, the Hamlet Council of Eskimo Point, do fully agree with and support, your observations and recommendations with regards to more Inuit representation in air terminal and in flight staff positions on flights in the N.W.T.

We feel that this issue is important as many of our elders only read and speak Inuktitut, and it has been observed that in larger centers, communication problems do exist when airline counters are staffed by people who do not speak Inuktitut.

We hope this letter will give you some support.

Sincerely,

Mark Kalluak
