RE: FUNDING FOR CHILDCARE - PANGNIRTUNG

Dear Mr. Ipeelee Kilabuk,

The Pangnirtung Childcare Committee submitted to you a proposal for funding for \$20,953.68 dated October 4, 1988. The Pangnirtung Childcare Committee recieved a reply from the Minister of Social Services concerning this proposal that was dated January 3, 1989.

During their January 19, 1989 meeting the Pangnirtung Childcare Committee motioned to write to you further concerning the request for \$20,953.68. The Pangnirtung Childcare Committee had orginally requested that you submit this proposal directly to the Legislative Assembly for consideration, not to the Minister of Social Services.

The Pangnirtung Childcare Committee feels that the government keeps announcing that they are in support of funding Daycare Centers. It appears that most of this funding is for Daycare Centers that are already in operation.

The Hamlet of Pangnirtung has built and paid for all the costs of a new Daycare Center, approx. \$ 14,600.00. The Pangnirtung Childcare Committee has sought funding for the operation of the Daycare Center for three years. The Hamlet of Pangnirtung has requested that the Pangnirtung Childcare Committee seek funding for the difference between changing the bottom floor of the addition to the Hamlet from offices into a Daycare Center, the above \$20,953.68 that we are requesting from the Legislative Assembly.
