Students in class 2 are already hard at work learning all about Polar Bears. They have written some neat stories. Drop by if you would like to see them. Here's a picture of a polar bear drawn by Pudloo. A

What was your New Years Resolution? Students in class 4 had lots of ideas about what some people in L.H. could do. They think: Joe Arlooktoo should resolve to build a swimming pool. Mark Arsenault should resolve to not charge for late movies. Peesee Pitsiulak should resolve to start ... teaching again. Kenoayoak Podlat should resolve to make school days shorter. What do you think of their ideas?!

Students in class I had a great time at the Christmas games. Here is a story from Iola: Iola celebrated his first seal by throwing gifts and candy to the crowd from the roof top.

Mary wrote, "Yesterday Simiga and I lit up sparkles when people were going around saying "Happy New Year" and went hom after."

Kindergarten students are now learning syllabic symbols. They know $\triangle \land \triangle$. They know that (\triangle) is for school, (\triangle) is for slippery and (\triangle) is for fox.
