Dear Honourable Wray;

At the last South Slave Tribal Council and South Slave Regional Council meetings of January 5th-8th, 1988 in Fort Smith these two motions have been carried unanimously. The first motion supports the second motion.

Motion South Slave Regional Council #133 reads;

"I move to accept Motions #6 through #13 inclusive of the South Slave Tribal Council meeting dated January 5th-7th, 1988."

Motion South Slave Tribal Council #010 reads;

"I move that the South Slave Regional Council inform Municipal and Community Affairs that the Dene/Metis in the South Slave Region do not want to see any further negotiations in increasing the municipal boundary of Hay River.

Furthermore, that there be renegotiation of the municipal boundary of Fort Smith."

I look forward to your response in the near future. Thank you.

Sincerely yours,

Bernadette Unka
