March 11, 1988

Ludy Pudluk M.L.A.
House of Assembly
Yellowknife, N.W.T.
X1A 2L9

Mr. Pudluk;

We, the Nanisivik Community Education Committee strongly oppose any cutbacks by the Minister of Education, that would result in an increased student teacher ratio. It is our opinion that the quality of education in the Baffin Divisional Board would suffer greatly.

Regards
