NOGAP Projects: Status

Information provided by the Minister of Energy, Mines and Resources as a result of an April 6, 1988 commitment by the Government Leader to obtain a response to a question by Mr. Nerysoo.

In response to the Member's question regarding the status of Northern Oil and Gas Action Program (NOGAP) Projects; there are a total of 13 projects planned by 8 departments. One of these projects is made up of 4 subprojects.

Six projects including 1 subproject will continue uninterrupted. Seven projects including 3 subprojects will be held in abeyance until a commitment for federal funding is received. The attached Table "A" shows the 1988/89 projects by department and gives their status.
